## **As We Were The Story Of Old Elizabethtown:**

**Jonathan Dickinson and the Formative Years of American Presbyterianism** Bryan F. Le Beau, 2021-12-14 During the eighteenth century Presbyterians of the Middle Colonies were separated by divergent allegiances mostly associated with groups migrating from New England with an English Puritan background and from northern Ireland with a Scotch Irish tradition Those differences led first to a fiery ordeal of ecclesiastical controversy and then to a spiritual awakening and a blending of diversity into a new order American Presbyterianism Several men stand out not only for having been tested by this ordeal but also for having made real contributions to the new order that arose from the controversy The most important of these was Jonathan Dickinson Bryan Le Beau has written the first book on Dickinson whom historians have called the most powerful mind in his generation of American divines One of the founders of the College of New Jersey now Princeton University and its first president Dickinson was a central figure during the First Great Awakening and one of the leading lights of colonial religious life Le Beau examines Dickinson's writings and actions showing him to have been a driving force in forming the American Presbyterian Church accommodating diverse traditions in the early church and resolving the classic dilemma of American religious history the simultaneous longing for freedom of conscience and the need for order This account of Dickinson's life and writings provides a rare window into a time of intense turmoil and creativity in American religious history

**That Ever Loyal Island** Phillip Papas, 2009-03 Of crucial strategic importance to both the British and the Continental Army Staten Island was for a good part of the American Revolution a bastion of Loyalist support With its military and political significance Staten Island provides rich terrain for Phillip Papas's illuminating case study of the local dimensions of the Revolutionary War Papas traces Staten Island's political sympathies not to strong ties with Britain but instead to local conditions that favored the status quo instead of revolutionary change With a thriving agricultural economy stable political structure and strong allegiance to the Anglican Church on the eve of war it was in Staten Island's self interest to throw its support behind the British in order to maintain its favorable economic social and political climate Over the course of the conflict continual occupation and attack by invading armies deeply eroded Staten Island's natural and other resources and these pressures combined with general war weariness created fissures among the residents of that ever loyal island with Loyalist neighbors fighting against Patriot neighbors in a civil war Papas's thoughtful study reminds us that the Revolution was both a civil war and a war for independence a duality that is best viewed from a local perspective

**As We Were** Theodore Thayer, 1964 *Manhood Enslaved* Kenneth Edward Marshall, 2011 *Manhood Enslaved* reconstructs the lives of three male captives to bring greater intellectual and historical clarity to the muted lives of enslaved peoples in eighteenth and early nineteenth century central New Jersey where blacks were held in bondage for nearly two centuries The book contributes to an evolving body of historical scholarship arguing that the lives of bondpeople in America were shaped not only by the powerful forces of racial oppression but also by their own notions of gender The book uses previously

understudied white authored nineteenth century literature about central New Jersey slaves as a point of departure Reading beyond the racist assumptions of the authors it contends that the precarious day to day existence of the three protagonists Yombo Melick Dick Melick and Quamino Buccau Smock provides revealing evidence about the various elements of slave manhood that gave real meaning to their oppressed lives Kenneth E Marshall is Assistant Professor of History at the State University of New York at Oswego

**Princetonians, 1791-1794** J. Jefferson Looney, Ruth L. Woodward, 2014-07-14 These volumes the fourth and fifth complete the series of biographical sketches of students at Princeton University the College of New Jersey in colonial times They cover pivotal years for both the nation and the College In 1784 the war with England had just ended Nassau Hall was still in a shambles following its bombardment and the College was in financial distress It gradually regained financial and academic strength and the Class of 1794 graduated in the year of the death of President John Witherspoon one of the most important early American educators The introductory essay by John Murrin editor of the series since 1981 explores the postwar context of the College The two volumes contain biographies of 354 men who attended with the classes of 1784 through 1794 and two other students whose presence at the College in earlier years has only now been demonstrated During these years Princeton accounted for about an eighth of all A B degrees granted in the United States It was the young republic s most national college although it had nearly lost its New England constituency and was instead beginning to draw nearly 40 percent of its students from the South Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Sayre Family Ralph Hall Sayre, 2003-07-08 Thomas Sayre came with his family from England to Lynn Massachusetts in the early 1630 s Among descendants of Thomas were clergymen surgeons attorneys ambassadors and representatives of almost every profession Francis B cowboy professor of law and ambassador was son in law of President Woodrow Wilson Zelda was the wife of American novelist F Scott Fitzgerald and subject of one of his books David A was a silversmith banker and founder of Lexington s Sayre School Many Sayre descendants were taken by wars in service to America and never had the chance to win recognition for their inherent abilities SAYRE FAMILY Another 100 years in a large part focuses on the early pioneers who came to or passed through the Ohio Valley of West Virginia and Ohio At least three direct descendants of Thomas had made settlements in that area by the Nineteenth Century One David Sayre came from New Jersey about 1778 and left many descendants who still lived in that area at the beginning of the Twenty first Century The bulk of this genealogy covers those while other Sayre families whose ancestral links were not discovered are also included The three generations of ancestors above each family block makes tracing easier

**The Day is Ours!** William M.

Dwyer, 1998 *The Day is Ours* is a dramatic account of two battles that turned the tide of the American Revolution. In this distinguished, highly readable and richly detailed narrative history, William M. Dwyer reveals as vivid a picture as we are likely to see of a critical period in the American Revolution. He lets the participants from American, British, and Hessian soldiers to myriad fearful and ambivalent citizens tell the story in their own words. Telling the story from the perspective and often the words of men in the ranks, Dwyer has written a dramatic account of this turning point in the American Revolution. James M. McPherson, author of *Battle Cry of Freedom*, says Dwyer has cast his net wide, taking advantage of newly found or long obscure accounts published during the celebration of the Revolution's bicentennial. We learn exactly how it was in that momentous time from letters, diaries, and recollections of officers and men on both sides and civilians caught in the middle. New York Times Book Review: Dwyer has put together a wonderful, lively account that reflects a reporter's respect for quotes from eyewitnesses. He presents the facts and lets history speak for itself. The result is enthralling. *The Philadelphia Inquirer*: The courage of the common soldier who stayed and fought when the sunshine patriots had all gone home is a story that deserves to be told, and Mr. Dwyer has told it well. *The Wall Street Journal*.      **Princetonians, 1784-1790** Ruth L. Woodward, Wesley Frank Craven, 2014-07-14. These volumes, the fourth and fifth, complete the series of biographical sketches of students at Princeton University, the College of New Jersey, in colonial times. They cover pivotal years for both the nation and the College. In 1784, the war with England had just ended; Nassau Hall was still in a shambles following its bombardment, and the College was in financial distress. It gradually regained financial and academic strength, and the Class of 1794 graduated in the year of the death of President John Witherspoon, one of the most important early American educators. The introductory essay by John Murrin, editor of the series since 1981, explores the postwar context of the College. The two volumes contain biographies of 354 men who attended with the classes of 1784 through 1794 and two other students whose presence at the College in earlier years has only now been demonstrated. During these years, Princeton accounted for about an eighth of all A.B. degrees granted in the United States. It was the young republic's most national college, although it had nearly lost its New England constituency and was instead beginning to draw nearly 40 percent of its students from the South. Originally published in 1991, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.      *John Ogden, the Pilgrim (1609-1682)* Jack Harpster, 2006. John Ogden emigrated from England to the New World in 1641.      **Founders of New Jersey** Descendants of Founders of New Jersey, 2006.      **The Papers of Thomas Jefferson, Volume 35** Thomas Jefferson, 1950. V. 36. 1 December 1801 to 3 March 1802.      **Breaking Through the Plate Glass Window—Prophetic Fragments** Michael Granzen, 2022-05-31. This is a

selection of writings on themes of trauma and transformation hope and anguish in a time of reckoning The first section offers biographical fragments about life after the bulldozer runs you over How do you get up How do you live with others who don't understand How do you keep walking They draw upon life experiences in Boston Iona and New Jersey Faith is not so much about agreeing with doctrine but a dynamic active seeking questioning trust in God It includes both audacity and humility The second section draws upon fragments of historical reflection On Violent Innocence Mourning and Metanoia in New Jersey This is an exploration of the principality of white racism state based violence and exploitation of the poor It asks the question How did the Confederate flag get in the front window of the Presbyterian church on Lincoln's birthday Some of the white terrorism that happened at the Capitol is prefigured here Yet there is grace hidden in judgment We cannot heal from what we do not name The third section contains fragments of prophetic wisdom from Lorna Goodison Richard Fenn Mike Gecan Karen Hernandez Granzen and Archange Antoine Along with Traci West and Chris Hedges their voices are strong and true

**Samuel L. Southard** Michael J. Birkner, 1984 Biography of Samuel L. Southard one of New Jersey's most distinguished political leaders Southard 1787-1842 participated in most of the major political controversies of his era from the bitter Federalist Republican competition during the War of 1812 through the rise and flowering of the second American party system During a career that spanned three decades Southard served in a remarkable array of weighty offices state attorney general New Jersey supreme court justice governor Secretary of the Navy United States senator and president of the Morris Canal and Banking Company

Colonial Presbyterianism S. Donald Fortson III, 2007-01-01 Colonial Presbyterianism is a collection of essays that tell the story of the Presbyterian Church during its formative years in America The book brings together research from a broad group of scholars into an accessible format for laymen clergy and scholars Through a survey of important personalities and events the contributors offer a compelling narrative that will be of interest to Presbyterians and all persons interested in colonial America's religious experience The clergy described in these essays made a lasting impact on their generation both within the church and in the emerging ethos of a new nation The ecclesiastical issues that surfaced during this period have tended to be the perennial issues with which Presbyterians have been concerned ever since that time Now at the three hundredth anniversary of Presbyterian organization in America Colonial Presbyterianism is a timely reengagement with the old faith for a new day

Women of the Constitution Janice E. McKenney, 2013 Women of the Constitution follows in the footsteps of the 1912 work devoted to biographical sketches of the spouses of the signers of the Declaration of Independence This book will be the first work devoted exclusively to providing brief biographies of the forty-three wives of

*Clocks and Watches of New Jersey* William E. Drost, 1966

**New Jersey Cemeteries and Tombstones** Richard F. Veit, Mark Nonestied, 2008-09-17 From the earliest memorials used by Native Americans to the elaborate structures of the present day Richard Veit and Mark Nonestied use grave markers to take an offbeat look at New Jersey's history that is both fascinating and unique New Jersey Cemeteries and Tombstones presents a

culturally diverse account of New Jersey's historic burial places from High Point to Cape May and from the banks of the Delaware to the ocean washed Shore to explain what cemeteries tell us about people and the communities in which they lived. The evidence ranges from somber seventeenth century decorations such as hourglasses and skulls that denoted the brevity of colonial life to modern times where memorials such as a life size granite Mercedes Benz reflect the materialism of the new millennium. Also considered are contemporary novelties such as pet cemeteries and what they reveal about today's culture. To tell their story the authors visited more than 1 000 burial grounds and interviewed numerous monument dealers and cemetarians. This richly illustrated book is essential reading for history buffs and indeed anyone who has ever wandered inquisitively through their local cemeteries. *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1967. Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December.

**The Papers of William Livingston: April 1783-August 1790** William Livingston, 1979      **Founding Fathers** Melvin Eustace Bradford, 1994. Originally published A worthy company Marlborough N H Plymouth Rock Foundation 1982.

As We Were The Story Of Old Elizabethtown: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
