Ash And Bone:

House of Ash and Bone Joel A. Sutherland, 2025-07-01 The Haunted meets House of Salt and Sorrows in this young adult debut horror by acclaimed master of the macabre Joel A Sutherland Seventeen year old Josephine Jagger is a talented writer with special abilities she doesn't fully understand Over the years she has developed methods to cope with the voices she hears in her head but the old house her family has inherited in Vermont makes Josephine question what's real and what's not more than anything she's ever encountered before It's filled with shadows and whispers and the unshakable feeling of being watched Josephine then catches her first glimpse of a shadowy woman with long hair pale skin an impossibly wide smile and hollow pits for eyes Her name is Dorcas the ghost of a witch who died three hundred years ago She has summoned the family to Vermont to ensnare them then consume them in order to rise from the grave and live again *Chambers's Encyclopædia*
