Unsun [The Bars of Atlantis](#) Durs Grünbein, 2025-09-23 This landmark collection of essays by one of the world's greatest living authors makes Durs Grünbein's wide-ranging and multifaceted prose available in English for the first time and is a welcome complement to *Ashes for Breakfast* his first book-length collection of poetry in English. Covering two decades, *The Bars of Atlantis* unfurls the entire breadth and depth of Grünbein's essayistic genius. Memoiristic and autobiographical pieces that introduce Grünbein the man and the author and tell the story of the making of a poet and thinker toward the end of a century marked by global political strife, unprecedented human suffering, long decades of totalitarian rule, and in its final quarter, the dawn of a new post-Cold War world order. Essays that focus on Grünbein's major philosophical and aesthetic concerns such as the intersection of art and science, literature and biology, extended reflections on the existential, cultural, political, and ethical import of the poet's craft in the contemporary world, and finally explorations of the meaning of classical antiquity for the present, all contribute to making **The Emergence of Memory** W.G. Sebald, 2011-01-04 When German author W.G. Sebald died in a car accident at the age of fifty-seven, the literary world mourned the loss of a writer whose oeuvre it was just beginning to appreciate. Through published interviews with and essays on Sebald, award-winning translator and author Lynne Sharon Schwartz offers a profound portrait of the writer who has been praised posthumously for his unflinching explorations of historical cruelty, memory, and dislocation. With contributions from poet, essayist, and translator Charles Simic, *New Republic* editor Ruth Franklin, Bookworm radio host Michael Silverblatt, and more, *The Emergence of Memory* offers Sebald's own voice in interviews between 1997 up to a month before his death in 2001. Also included are cogent accounts of almost all of Sebald's books, thematically linked to events in the contributors' own lives. Contributors include Carole Angier, Joseph Cuomo, Ruth Franklin, Michael Hofmann, Arthur Lubow, Tim Parks, Michael Silverblatt, Charles Simic, and Eleanor Wachtel *The FSG Poetry Anthology* Jonathan Galassi, Robyn Creswell, 2025-09-23 To honor FSG's 75th anniversary, here is a unique anthology celebrating the riches and variety of its poetry list, past, present, and future. Poetry has been at the heart of Farrar, Straus, and Giroux's identity ever since Robert Giroux joined the fledgling company in the mid-1950s, soon bringing T.S. Eliot, John Berryman, Robert Lowell, and Elizabeth Bishop onto the list. These extraordinary poets and their successors have been essential in helping define FSG as a publishing house with a unique place in American letters. The *FSG Poetry Anthology* includes work by almost all of the more than one hundred twenty-five poets whom FSG has published in its seventy-five-year history. Giroux's first generation was augmented by a group of international figures and Nobel laureates including Pablo Neruda, Nelly Sachs, Derek Walcott, Seamus Heaney, and Joseph Brodsky. Over time, the list expanded to include poets as diverse as Yehuda Amichai, John Ashbery, Frank Bidart, Louise Glück, Thom Gunn, Ted Hughes, Yusef Komunyakaa, Mina Loy, Marianne Moore, Paul Muldoon, Les Murray, Grace Paley, Carl Phillips, Gjertrud Schnackenberg, James Schuyler, C.K. Williams, Charles Wright, James Wright, and Adam Zagajewski. Today, Henri Cole, Francine J. Harris, Ishion Hutchinson, Maureen N. McLane, Ange Mlinko, Valzhyna Mort, Rowan Ricardo Phillips, and Frederick Seidel are among the

poets who are continuing FSG's tradition as a discoverer and promoter of the most vital and distinguished contemporary voices. This anthology is a wide-ranging showcase of some of the best poems published in America over the past three generations. It is also a sounding of poetry's present and future.

Debating German Cultural Identity Since 1989 Kathleen James-Chakraborty, Linda Shortt, 2011. Interdisciplinary views of the debates over and transformation of German cultural identity since unification. The events of 1989 and German unification were seismic historical moments. Although 1989 appeared to signify a healing of the war-torn history of the twentieth century, unification posed the question of German cultural identity afresh. Politicians, historians, writers, filmmakers, architects, and the wider public engaged in memory contests over such questions as the legitimacy of alternative biographies, West German hegemony, and the normalization of German history. This dynamic, contested, and still ongoing transformation of German cultural identity is the topic of this volume of new essays by scholars from the United Kingdom, Germany, the United States, and Ireland. It explores German cultural identity by way of a range of disciplines, including history, film studies, architectural history, literary criticism, memory studies, and anthropology, avoiding a homogenized interpretation. Charting the complex and often contradictory processes of cultural identity formation, the volume reveals the varied responses that continue to accompany the project of unification.

Selected Poems Michael Hofmann, 2008. A new selection of poems by Michael Hofmann that is a retrospective on a glittering poetic career.

PEN America 14: The Good Books, If You Have Never Thought Gray Peter Sloterdijk, 2025-08-20. You're not a painter if you haven't painted gray, declared Paul Cézanne. The same could be said of philosophers: you're not a philosopher if you have never thought gray. This simple four-letter word signifies much more than a quasi-neutral color lying between black and white; we use the same word to describe moods, November skies, the hair of the elderly, the withered features of faces, dusty shelves, faceless bureaucracies, dreary politicians, and hundreds of other things. This plain, unassuming word conceals a multitude of thoughts that we seldom pause to consider. In this exceptionally original book, Peter Sloterdijk follows the grey thread through the history of philosophy, art, literature, and politics, enabling us to see familiar things in new ways and highlighting features of our lives that would otherwise remain unseen. Beginning with Plato's allegory of the cave, which introduced the concept of gray into thought, Sloterdijk unfolds a chiaroscuro narrative which recognizes the power of grey as a metaphor for the indefinite, the indifferent, the ordinary, the intermediate, and the neutralizing. We see the invention of photography and monochrome's journey through modern art, from Malevich's Black Square to Richter's grey panel paintings, in a new light, and we see modern states and modern politics as full of grey zones, from the hidden spheres of the security services to the

extraterritorial spaces that harbor illegal activities like money laundering and the drug trade A work of brilliance by one of the most creative philosophers writing today If You Have Never Thought Gray will appeal to a wide readership interested in philosophy art and politics and to students and academics in philosophy visual arts and the humanities generally The City That Never Sleeps Shawkat M. Toorawa, 2014-12-09 An eclectic collection of poems about New York City New York the city that never sleeps contains more light than all the myriad heavens conceived of by its denizens of every possible race religion culture color and creed combined All poets are besotted with light it is the most transformative of all phenomena and we are permanently drunk on it moon mad sun blind star struck from the Foreword by Anne Pierson Wiese As Shawkat M Toorawa writes in his preface Not every poet loves New York but each and every one is mesmerized by it Indeed with its protean mix of cultures languages natives transplants and exiles New York City seems to exert a special hold over the poetic imagination The sixty one poems extracts of poems and song lyrics collected here reflect a wide range of responses to New York both positive and negative insider and outsider Arranged in four sections Morning Day Evening and Night the collection not only gives the reader the opportunity to experience twenty four hours in New York through poetry but also puts poems and poets in conversation debate and even occasionally in conflict with one another Rather than attempting to be exhaustive or definitive is volume juxtaposes well known poets and lyricists such as Maya Angelou Bob Dylan Denise Levertov and Walt Whitman with important and emerging voices such as Valzhyna Mort Purvi Shah and Melanie Rehak as well as poets less frequently included in such anthologies such as Mahmoud Darwish Anna Margolin and Nicanor Parra The result is a collection of poems that vary in their aesthetics tone mood and subject and thereby reflect the vexed and manifold nature of their subject New York the city that never sleeps Shawkat Toorawa has selected a thrilling chorus of voices familiar and new formal and slangy immigrant and native A perfect companion for your day or night on the town Robyn Creswell poetry editor of The Paris Review A strength of this collection is its rich mix of female and male poets and its wide range of demographic racial linguistic aesthetic and other multicultural perspectives across a period of time ranging from the late nineteenth century to our own decade The poems are as various and full of lan as the city itself Lisa Russ Spaar editor of All That Mighty Heart London Poems There are almost as many anthologies of New York poems as there are skyscrapers but in terms of sheer reading pleasure The City That Never Sleeps towers over them all Don Share Editor Poetry magazine **Where Have You Been?** Michael Hofmann, 2025-09-23 An adventure with a roving genius of literary criticism Michael Hofmann poet translator and intellectual vagabond has established himself as one of the keenest critics of contemporary literature Safely nestled between the covers of Where Have You Been he offers a hand to guide us and an encouraging whisper in our ear leading us on a trip through what to read how to think and why to like And while these essays bear sharp insights that will help us revisit writers with a fresh eye they are also a story of love between a reader and his treasured books In the thirty essays collected here Hofmann brings his signature wit and sustained critical mastery to a poetic penetrating and candid

discussion of the writers and artists of the last hundred years Here are the indispensable poets without which contemporary poetry would be unimaginable Elizabeth Bishop the poets poets poet the ghostly skill of Robert Lowell and the man he calls the greatest English poet since Shakespeare Ted Hughes But he also illumines the despair of John Berryman and the antics of poetry's bogeyman Frederick Seidel In essays on art that are themselves works of art Hofmann's agile and brilliant mind explores a panoply of subjects from the mastery of translation to the best day job for a poet What these diverse gems share are the critic's insatiable curiosity and great charm Where Have You Been is an unmissable journey with literature's most irresistible flaneur

Poetry & Translation Peter Robinson, 2010-01-01 The conviction pleasures and gratitude of committed reading are evident in his affirmation of the poetic contract between readers and writers Andrea Brady Poetry Review

One Lark, One Horse Michael Hofmann, 2018-09-04 Michael Hofmann is renowned as one of our most brilliant critics and translators that he is also regarded as among our most respected poets one of the definitive bodies of work of the last half century TLS is all the more impressive for his relatively concentrated output One Lark One Horse will be his fifth collection of poems since his debut in 1983 and his first since Approximately Nowhere in 1999 But it is also one of the most anticipated gatherings of new work in years In style it is as unmistakable as ever sometimes funny sometimes caustic world facing and yet intimate and shows a bright mind burning fiercely over the European imagination Approaching his sixtieth birthday the poet explores where he finds himself geographically and in life treating with wit and compassion such universal themes as ageing and memory place and the difficulty for the individual to exist at all in an ever bigger and more bestial world One Lark One Horse is a remarkable assembly of work that will delight loyal readers and enchant new ones with its approachable companionable voice

The Poetry of Translation Matthew Reynolds, 2011-09-29 A very wide ranging book which launches a new theory of poetry translation and pursues it through readings of poem translations from across the history of English literature It engages with the key debates in translation studies and offers new interpretations of major works such as Pope's Iliad Pound's Cathay and Dryden's Aeneis

Nights in the Iron Hotel Michael Hofmann, 2017-01-10 Michael Hofmann a much praised contributor to Poetry Introduction 5 was born in Germany in 1957 but brought up in Britain Nights in the Iron Hotel which won the author a Cholmondeley Award in 1984 is his first full length volume Hofmann's poems are marked by a classical authority a formidable ironic intelligence wide ranging subject matter and a unique tone of voice You move the fifty seven muscles it takes to smile Hofmann writes in a poem whose subject is sexual tension and immediately the reader recognises a world in which emotions are not the usual poetic counters but something truer more complex and more painful This quality of disenchantment is served by a deceptively laconic style of measured brio

Likenesses Matthew Reynolds, 2017-07-05 Translation illustration and interpretation have at least two things in common They all begin when sense is made in the act of reading that is where illustrative images and explanatory words begin to form And they all ask to be understood in relation to the works from which they have arisen reading them is a matter of reading

readings Likenesses explores this palimpsestic realm with examples from Dante to the contemporary sculptor Rachel Whiteread The complexities that emerge are different from Empsonian ambiguity or de Man's unknowable infinity of signification here meaning dawns and fades as the hologrammic text is filled out and flattened by successive encounters Since all literature and art is palimpsestic to some degree Reynolds proposes this style of interpretation can become a tactic for criticism in general Critics need both to indulge and to distrust the metamorphic power of their interpreting imaginations Likenesses follows on from the argument of Reynolds's *The Poetry of Translation* 2011 extending it through other translations and beyond them into a wide range of layered texts Browning emerges as a key figure because his poems laminate languages places times and modes of utterance with such compelling energy There are also substantial innovative accounts of Dryden Stubbs Goya Turner Tennyson Ungaretti and many more

A Little Tour Through European Poetry John Taylor, 2017-09-08 This book is both a sequel to author John Taylor's earlier volume *Into the Heart of European Poetry* and something different It is a sequel because this volume expands upon the base of the previous book to include many more European poets It is different in that it is framed by stories in which the author juxtaposes his personal experiences involving European poetry or European poets as he travels through different countries where the poets have lived or worked Taylor explores poetry from the Czech Republic Denmark Lithuania Albania Romania Turkey and Portugal all of which were missing in the previous gathering analyzes heady verse written in Galician and presents an important poet born in the Chuvash Republic His tour through European poetry also adds discoveries from countries whose languages he reads fluently Italy Germany and German speaking Switzerland Greece and France Taylor's model is Valery Larbaud to whom his criticism with its liveliness and analytical clarity is often compared Readers will enjoy a renewed dialogue with European poetry especially in an age when translations are rarely reviewed present in literary journals or studied in schools This book along with *Into the Heart of European Poetry* motivates a dialogue by bringing foreign poetry out of the specialized confines of foreign language departments

Selected Poems and Translations William Matthews, 1992 Critics to write that William Matthews may be the wisest poet of his generation In writing about W H Auden Matthews could be describing himself The language has used him well and passed him through We get what he has collected This book which includes some previously uncollected poems and translations also draws on nine previous volumes *Ruining the New Road* *Sleek for the Long Flight* *Sticks Stones Rising and Falling* *Selected Translations from Jean*
