The Revelation of Jesus Christ Ray F. Robbins, 2005-01-13 What New Testament book bewilders most Christians Of course the book of Revelation Many people ignore it because it seems unreal and unrelated to Christian living Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference While fully aware of the various theories of interpretation Dr Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers He provides a practical exposition with little attention given to critical problems He feels that the basic message is timeless full of hope and promise in every age Here is fresh clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters

Intellectual Property and the New Global Japanese Economy Ruth Taplin, 2009-04-02 This book examines how intellectual property IP is used in Japan and how

in recent years it has developed a new approach to IP borrowed from the US and Europe stressing the importance of innovation to revitalise the Japanese economy from the stagnation and deflation that characterised the 1990s **The New Testament in Both Authorized and Revised Versions** ,1884 Back to the Future Ralph E. Jr. Bass,Ralph Bass,2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest **Revelation** John Walvoord,Philip E. Rawley,2011-04-01 The book of Revelation has long fascinated and even confused readers and students of the Bible Yet the Bible is written to be understood and Revelation is no exception Who better to help you understand the seals trumpets vials woes and plagues than John F Walvoord one of evangelicalism s most prominent leaders and Mark Hitchcock today s leading Bible prophecy expert In this first in a renewed series of commentaries from Dr Walvoord he points out that much of the book s symbolism can be interpreted literally At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history

A Commentary on Revelation, Form #17.055 Brooky Stockton,2020-02-06 Explanation of the main theme of Revelation which is government corruption and the obligation of Christians to prevent it Sovereignty Education and Defense Ministry SEDM is expressly authorized to be republish this document on Google Book and Google Play and elsewhere by the author at the following location on the author s website DMCA Copyright Section 10 <https://nikeinsights.famguardian.org/footer/dmccopyright> For reasons why NONE of our materials may legally be censored and violate NO Google policies see <https://sedm.org> why our materials cannot legally be censored The Testimony of Jesus: 1907 Biblical Study Notes on the Book of Revelation George N.H. Peters,2015-10-15 This book contains the author s George N H Peters never before published 1907 study notes on the biblical book of Revelation Mr Peters unique approach to interpretation faithfully adheres to the the plain grammatical sense of scripture By doing so He successfully combines biblical prophecy with oath bound covenants Abrahamic and Davidic to unlock this book s predominant symbolic language Peters correctly identifies Jesus not

St John as the real source of this prophecy He clarifies the main subject of the book as being not a Revelation of future events but rather an Apocalypse a personal appearing He further demonstrates through the symbols used that the Day of the Lord or 2nd Advent like the 1st Advent will unfold in distinct stages and over a discernible period of time Therefore although this study is today over 100 years old the reader is instantly confronted through this Testimony by Jesus the predicted Son of Man righteously administering the judgements of God and proclaiming His physical return to establish His Kingdom on earth The prophetic future series of events laid out strikes the reader as eerily similar to today s dangerous and chaotic world
