Asian American Studies After Critical Mass:

Asian American Studies After Critical Mass Kent A. Ono, 2008-04-15 *Asian American Studies After Critical Mass* is a dynamic collection that showcases the most exciting scholarship in the field from a critical and cultural studies perspective. Comprised of ten original essays written by a group of scholars at the vanguard of the discipline, this collection takes on a range of topics and concerns including Asian American film and popular culture, Asian Americans at the dawn of the twenty-first century, globalization and transnational citizenship, and queer Asian America. Addressing some of the most exciting issues and ideas in Asian American studies, this book strikes a bold new path for the field. This book can be used in conjunction with the Blackwell Companion to Asian American Studies.

A Companion to Asian American Studies Kent A. Ono, 2008-04-15 *A Companion to Asian American Studies* is comprised of 20 previously published essays that have played an important historical role in the conceptualization of Asian American studies as a field. Essays are drawn from international publications from the 1970s to the present. Includes coverage of psychology, history, literature, feminism, sexuality, identity, politics, cyberspace, pop culture, queerness, hybridity, and diasporic consciousness. Features a useful introduction by the editor reviewing the selections and outlining future possibilities for the field. Can be used alongside *Asian American Studies After Critical Mass* edited by Kent A. Ono for a complete reference to Asian American Studies.

Asian Settler Colonialism Jonathan Y. Okamura, Candace Fujikane, 2008-08-31 *Asian Settler Colonialism* is a groundbreaking collection that examines the roles of Asians as settlers in Hawai'i. Contributors from various fields and disciplines investigate aspects of Asian settler colonialism to illustrate its diverse operations and impact on Native Hawaiians. Essays range from analyses of Japanese, Korean, and Filipino settlement to accounts of Asian settler practices in the legislature, the prison, industrial complex, and the U.S. military, to critiques of Asian settlers' claims to Hawai'i in literature and the visual arts.

The Cambridge Companion to Modern American Culture Christopher Bigsby, 2006-10-12 *The Cambridge Companion to Modern American Culture* offers a comprehensive, authoritative, and accessible overview of the cultural themes and intellectual issues that drive the dominant culture of the twentieth century. This companion explores the social, political, and economic forces that have made America what it is today. It shows how these contexts impact upon twentieth-century American literature, cinema, and art. An international team of contributors examines the special contribution of African Americans and of immigrant communities to the variety and vibrancy of modern America. The essays range from art to politics, popular culture to sport, immigration and race to religion and war. Varied, extensive, and challenging, this Companion is essential reading for students and teachers of American studies around the world. It is the most accessible and useful introduction available to an exciting range of topics in modern American culture.

Making the Human Corinne Mitsuye Sugino, 2024-11-15 From the debate over affirmative action to the increasingly visible racism amidst the COVID-19 pandemic, Asian Americans have emerged as key figures in a number of contemporary social controversies. In *Making the Human: Race Allegory and Asian Americans*, Corinne Mitsuye

Sugino offers the lens of racial allegory to consider how media institutional and cultural narratives mobilize difference to normalize a white Western conception of the human. Rather than focusing on a singular arena of society, Sugino considers contemporary sources across media, law, and popular culture to understand how they interact as dynamic sites of meaning-making. Drawing on scholarship in Asian American studies, Black studies, cultural studies, communication, and gender and sexuality studies, Sugino argues that Asian American racialization and gendering plays a key role in shoring up abstract concepts such as meritocracy, family, justice, diversity, and nation in ways that naturalize hierarchy. In doing so, *Making the Human* grapples with anti-Asian racism's entanglements with colonialism, antiblackness, capitalism, and gendered violence.

Chicano Cultural Studies Forum Angie Chabram-Dernersesian, 2007-11. The Chicano Cultural Studies Forum brings together a diverse group of scholars whose work spans the interdisciplinary fields of Chicano studies and cultural studies. Editor Angie Chabram-Dernersesian provides an overview of current debates, locating Chicano cultural criticism at the intersections of these fields. She then acts as moderator of a virtual roundtable of critics including Frances Aparicio, Lisa Lowe, George Lipsitz, Wahneema Lubiano, Renato Rosaldo, Jos David Saldívar, and Sonia Saldívar-Hull. This highly collaborative and deeply interdisciplinary project addresses the questions: What is the relationship between Chicano studies and cultural studies? How do we do cultural studies from within Chicano cultural studies? How do Chicano cultural studies formations hemispheric borderland and feminist intermingle? The lively conversations documented here attest to the vitality and spirit of Chicano cultural studies today and track the movements between disciplines that share an interest in the study of culture, power, relations, identity, and representation. This book offers a unique resource for understanding not just the development of Chicano cultural studies but how new social movements and epistemologies travel and affiliate with progressive forms of social inquiry in the global era.

Asian America Cathy J. Schlund-Vials, K. Scott Wong, Jason Oliver Chang, 2017-01-10. An essential collection that brings together the core primary texts of the Asian American experience in one volume. An essential volume for the growing academic discipline of Asian American studies, this collection of core primary texts draws from a wide range of fields from law to visual culture to politics, covering key historical and cultural developments that enable students to engage directly with the Asian American experience over the past century. The primary sources are organized around keywords often concern multiple hemispheres and movements, making this compendium valuable for a number of historical, ethnic, and cultural study undergraduate programs.

Object Lessons Robyn Wiegman, 2012-01-11. A passionate advocate of identity studies and a keen reader of U.S. institutional politics, Robyn Wiegman turns her attention in *Object Lessons* to the critical practices and political ambitions of identity-based fields. In a series of case studies drawn from women's studies, queer studies, ethnic studies, and American studies, she examines the unspoken belief that better theory will produce progressive social change in order to consider the political desire that fuels current scholarly debate. Her metacritical analysis is neither a defense nor a dismissal of such political commitment but a sustained inquiry into the hope it generates, the thinking it

inspires and the conformity it inadvertently demands *Mad Men, Mad World* Lauren M. E. Goodlad, Lilya Kaganovsky, Robert A. Rushing, 2013-03-11 Since the show's debut in 2007 *Mad Men* has invited viewers to immerse themselves in the lush period settings, ruthless Madison Avenue advertising culture and arresting characters at the center of its 1960s fictional world. *Mad Men: Mad World* is a comprehensive analysis of this groundbreaking TV series. Scholars from across the humanities consider the AMC drama from a fascinating array of perspectives including fashion history, architecture, civil rights, feminism, consumerism, art, cinema, and the serial format, as well as through theoretical frames such as critical race theory, gender, queer theory, global studies, and psychoanalysis. In the introduction, the editors explore the show's popularity, its controversial representations of race, class, and gender, its powerful influence on aesthetics and style, and its unique use of period historicism and advertising as a way of speaking to our neoliberal moment. *Mad Men: Mad World* also includes an interview with Phil Abraham, an award-winning *Mad Men* director and cinematographer. Taken together, the essays demonstrate that understanding *Mad Men* means engaging the show not only as a reflection of the 1960s but also as a commentary on the present day. Contributors: Michael B. Ruby, Alexander Doty, Lauren M. E. Goodlad, Jim Hansen, Dianne Harris, Lynne Joyrich, Lilya Kaganovsky, Clarence Lang, Caroline Levine, Kent Ono, Dana Polan, Leslie Reagan, Mabel Rosenheck, Robert A. Rushing, Irene Small, Michael Szalay, Jeremy Varon.

Race, Identity, and Representation in Education Cameron McCarthy, 2005 First Published in 2005, Routledge is an imprint of Taylor & Francis, an informa company **Race, Identity, and Representation in Education** Warren Crichlow, 2013-05-13 This stunning new edition retains the book's broad aims, intended audience, and multidisciplinary approach. New chapters take into account the more current backdrop of globalization, particularly events such as 9/11 and attendant developments that make a reconsideration of race relations in education quite urgent.

Moving Islands Diana Looser, 2021-09-30 A pathbreaking exploration of the international and intercultural connections within Oceanian performance **Mixed Race Hollywood** Mary Beltrán, Camilla Fojas, 2008-09 Addresses early mixed race film characters, Blaxploitation, mixed race in television for children, and the outing of mixed race stars on the Internet, among other issues and contemporary trends in mixed race representation. From publisher description.

Contemporary Media Culture and the Remnants of a Colonial Past Kent A. Ono, 2009 *Contemporary Media Culture and the Remnants of a Colonial Past* examines contemporary representations of colonialism by developing a historically and culturally specific theory of neocolonialism in U.S. media culture. Noting how colonialism never officially ended in the United States, Kent A. Ono draws together race, gender, sexuality, and nation to examine neocolonialism in popular media narratives. The book asks: What are the lingering traces within contemporary culture that provide evidence not only of what colonialism was, but also of what it continues to be today? Offering five case studies on *Buffy the Vampire Slayer*, the sale of the Seattle Mariners, *Mighty Morphin Power Rangers*, *Pocahontas*, and *Star Trek: The Next Generation*, and providing current media examples in the introduction and conclusion, the book documents the persistence of colonialism in media culture. White

vigilantism prototypical colonial rescue plots and cloaked and not so hidden anxieties about racial and national miscegenation all contribute towards a continuation of colonialism and a neocolonial mind set The book's critical examination from a historical and cultural perspective makes it possible to alter colonialism for future generations **Beyond Yellow English** Angela Reyes, Adrienne Lo, 2008-12-31 Beyond Yellow English is the first edited volume to examine issues of language identity and culture among the rapidly growing Asian Pacific American APA population The distinguished contributors who represent a broad range of perspectives from anthropology sociolinguistics English and education focus on the analysis of spoken interaction and explore multiple facets of the APA experience Authors cover topics such as media representations of APAs codeswitching and language crossing and narratives of ethnic identity The collection examines the experiences of Asian Pacific Americans of different ethnicities generations ages and geographic locations across home school community and performance sites Unruly Immigrants Monisha Das Gupta, 2006-10-31 An analysis of how South Asian feminist queer and labor organizations in the United States have claimed rights for immigrants who do not have the privileges of citizenship *Unruly Immigrants* Gupta, 2007-09 **Multicultural Psychology** Gordon Nagayama Hall, 2015-08-26 This text introduces student to cultural and minority status issues in psychology and the role of multicultural issues in mainstream research It focuses on multiple cultural groups that co exist in the United States and the sociopolitical aspects of this co existence An emphasis on empirical research findings complements the real life relevance of multicultural psychology Keywords for American Cultural Studies, Second Edition Bruce Burgett, Glenn Hendler, 2014-12-19 The latest vocabulary of key terms in American Studies Since its initial publication scholars and students alike have turned to Keywords for American Cultural Studies as an invaluable resource for understanding key terms and debates in the fields of American studies and cultural studies As scholarship has continued to evolve this revised and expanded second edition offers indispensable meditations on new and developing concepts used in American studies cultural studies and beyond It is equally useful for college students who are trying to understand what their teachers are talking about for general readers who want to know what's new in scholarly research and for professors who just want to keep up Designed as a print digital hybrid publication Keywords collects more than 90 essays 30 of which are new to this edition from interdisciplinary scholars each on a single term such as America culture law and religion Alongside community prison queer region and many others these words are the nodal points in many of today's most dynamic and vexed discussions of political and social life both inside and outside of the academy The Keywords website which features 33 essays provides pedagogical tools that engage the entirety of the book both in print and online The publication brings together essays by scholars working in literary studies and political economy cultural anthropology and ethnic studies African American history and performance studies gender studies and political theory Some entries are explicitly argumentative others are more descriptive All are clear challenging and critically engaged As a whole Keywords for American Cultural Studies provides an accessible A to Z survey of prevailing

academic buzzwords and a flexible tool for carving out new areas of inquiry *Staking Claim* Judy Rohrer, 2016-05-28
Staking Claim analyzes Hawai i at the crossroads of competing claims for identity belonging and political status Judy Rohrer

Asian American Studies After Critical Mass Introduction

In the digital age, access to information has become easier than ever before. The ability to download Asian American Studies After Critical Mass has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Asian American Studies After Critical Mass has opened up a world of possibilities. Downloading Asian American Studies After Critical Mass provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Asian American Studies After Critical Mass has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Asian American Studies After Critical Mass. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Asian American Studies After Critical Mass. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Asian American Studies After Critical Mass, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Asian American Studies After Critical Mass has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Asian American Studies After Critical Mass Books

1. Where can I buy Asian American Studies After Critical Mass books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
