Modern Asian Design D.J. Huppertz,2018-02-22 Modern Asian Design provides a comprehensive introduction to the development of Asian design in the modern period both tracing historical threads and offering a theoretical framework within which to chart the history of design in Asia Rather than a singular Asian history this book presents a series of studies centred on trade routes colonial relationships regional networks and cross cultural exchanges Modern Asian Design builds on

existing resources beyond design history in an effort to map the field focusing particularly on relations between Asia and the West and also across Asian design cultures Opening with a brief overview of trade and exchange networks in the 17th and 18th centuries the bulk of this study comprises analysis of the development of modern design in Asia during the later 19th and early 20th centuries a period of rapid modernisation The book s final two chapters bring these central ideas into a contemporary and highly relevant context International Retailing Plans and Strategies in Asia Erdener Kaynak,Jung-Hee Lee,John Dawson,2014-06-03 Learn the how when and why of entering Asian markets Retailers entering Asia are faced with not only a consumer and retail culture very different from their own but with a variety of cultures that vary greatly among countries within the continent International Retailing Plans and Strategies in Asia examines the strategies of Western retailers entering into Asian markets and provides specific case examples showing why some companies have failed in Asia as well as factors that helped others succeed Important concepts for international retailers exploring Asian markets are clearly explained and the material is particularly relevant to current WTO and UNCTAD debates about the globalization of retail markets Helpful tables charts and illustrations make complex information easy to access and understand International Retailing Plans and Strategies in Asia examines how foreign investment influences domestic retail systems how strategies for entering European markets can be adapted and applied to various Asian markets the important practice of incorporating local cultural values into trading relationships in Asian markets the investment of Japanese retailers in China and the trend toward internationalization in Asia by Asian retailers the evolution of foreign investment in Korea with a look at foreign firms specific investment strategies issues of local competition and the need for foreign firms to adapt to local consumer cultures particularly as analyzed in case studies of Metro Cash and Carry Toys R Us and Carrefour what understanding foreign markets means in terms of adaptation and success for retailers and wholesalers The material in these pages will help to inform business decisions about how to and how not to enter foreign markets and whether or not it is proper for governments to intervene The chapters in this book originally presented as papers at a workshop held at Chung Ang University in Seoul in November 2003 address issues of diversity in international retailing and distribution in Asia International Retailing Plans and Strategies in Asia is designed to be essential reading for international marketing students retail researchers business managers and policymakers and to be a useful addition to university business school library collections *Rethinking Japanese Modernism* Roy Starrs,2011-10-14 Edited by Roy Starrs this collection of essays by an international group of leading Japan scholars presents new research and thinking on Japanese modernism a topic that has been increasingly recognized in recent years to be key to an understanding of contemporary Japanese culture and society By adopting an open multidisciplinary and transnational approach to this multifaceted topic the book sheds new light both on the specific achievements and on the often unexpected interrelationships of the writers artists and thinkers who helped to define the Japanese version of modernism and modernity Specific topics addressed include the literary modernism of major writers such

as Akutagawa Kawabata Kajii Miyazawa and Murakami avant garde modernism in painting music theatre and in the performance art of Yoko Ono and the everyday modernism of popular culture and of new urban activities such as shopping and sports

Consuming Life in Post-Bubble Japan Katarzyna J. Cwiertka, Ewa Machotka, 2025-10-01 This multidisciplinary book analyses the contradictory coexistence of consumerism and environmentalism in contemporary Japan It focuses on the dilemma that the diffusion of the concepts of sustainability and recycling has posed for everyday consumption practices and on how these concepts have affected and were affected by the production and consumption of art Special attention is paid to the changes in consumption practices and environmental consciousness among the Japanese public that have occurred since the 1990s and in the aftermath of the earthquake tsunami and nuclear disasters of March 2011

The Internationalisation of Retailing G. Urban Modernities in Colonial Korea and Taiwan Jina E. Kim, 2019-05-15 Urban Modernities reconsiders Japanese colonialism in Korea and Taiwan through a relational study of modernist literature and urban aesthetics from the late colonial period By charting intra Asian and transregional circulations of writers ideas and texts it reevaluates the dominant narrative in current scholarship that presents Korea and Taiwan as having vastly different responses to and experiences of Japanese colonialism By comparing representations of various colonial spaces ranging from the nation the streets department stores and print spaces to underscore the shared experiences of the quotidian and the poetic Jina E Kim shows how the culture of urban modernity enlivened networks of connections between the colonies and destabilized the metropole colony relationship thus also contributing to the broader formation of global modernism

The Chinese in Southeast Asia and Beyond Ching-Hwang Yen, 2008 The Chinese in Southeast Asia with their growing economic clout have been attracting attention from politicians scholars and observers in recent decades The rise of China as a global economic power and its profound influence over Southeast Asia has cast a spotlight on the role of Southeast Asian Chinese in the region's economic relations with China The Southeast Asian Chinese as an economic force and their growing importance with China are to a certain extent determined by the nature and development of their communities This book uses a multifaceted approach to unravel the forces that helped to transform the communities in the past Containing 17 papers written within a span of six and a half years from 2000 to 2006 the book focuses on the social economic and political aspects of these communities with special emphasis on the Chinese in Malaysia and Singapore
