**Fiction for K-6 Readers** Rebecca L. Thomas, Catherine Barr, 2004. Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order. Yet traditional information sources on children's and YA literature include very little about series fiction so librarians often have difficulty managing this literature. This guide will be a rich resource and time saver for librarians who work with children. It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers. Annotations also indicate series and titles accepted by some of the popular electronic reading programs e.g. Accelerated Reading, Reading First. A numbered list of titles in the series follows.

*The Bear Essentials* Stan Berenstain, Jan Berenstain, 2005. Incorporating humor with practical advice and commonsense wisdom the creators of the Berenstain Bears series offer parents a helpful guide to bringing up healthy happy and responsible children in today's complex world covering everything from self esteem and foul language to obesity and good eating habits. *A to Zoo* Rebecca L. Thomas, 2018-06-21. Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles.
