Hudman,Richard H. Jackson,1994 A timely text that includes revised and updated information about the changes in former Soviet Union and Eastern Europe It also provides the student with an understanding of world travel patterns introduces and describes the major attractions in each area the interrelationships between geography and tourism a detailed look at a specific tourist region that concludes with an in depth itinerary so that students can use these tools to become successful travel agents     **Bibliographic Guide to Slavic, Baltic and Eurasian Studies 1994** Nypl,1995     Forthcoming Books Rose Arny,1994-02     Books in Print ,1994     *Romania* James Roberts,2000     **A History of Eastern Europe** Robert Bideleux,Ian Jeffries,2006-04-10 A History of Eastern Europe Crisis and Change is a wide ranging single volume history of the lands between the lands which have lain between Germany Italy and the Tsarist and Soviet empires Bideleux and Jeffries examine the problems that have bedevilled this troubled region during its imperial past the interwar period under fascism under communism and since 1989 While mainly focusing on the modern era and on the effects of ethnic nationalism fascism and communism the book also offers original striking and revisionist coverage of ancient and medieval times the Hussite Revolution the Renaissance the Reformation and the Counter Reformation the legacies of Byzantium the Ottoman Empire and the Hapsburg Empire the rise and decline of the Polish Lithuanian Commonwealth the impact of the region s powerful Russian and Germanic neighbours rival concepts of Central and Eastern Europe the 1920s land reforms and the 1930s Depression Providing a thematic historical survey and analysis of the formative

processes of change which have played the paramount roles in shaping the development of the region A History of Eastern Europe itself will play a paramount role in the studies of European historians      **The East European Economy in Context** David Turnock,2003-09-02 Since 1989 the former communist countries of Eastern Europe have witnessed a profound and dramatic upheaval The economic coherence of this region formerly maintained through the adoption of the Soviet system of government has fractured In *The East European Economy in Context Communism and Transition* David Turnock examines the transition from communist to free market economies both within and between the states of Eastern Europe As well as containing an informative survey of the impact of communism *The East European Economy in Context* provides Political profiles of individual countries A clear study of the contrasts between northern and balkan groups Summaries of regional variations in the transition process An exploration of the new state structures and resources Discussion of political stability inter ethnic tensions and progress in economic change      **The Economics of Soviet Breakup** Bert van Selm,2012-10-12 This book analyzes the effects of the break up of the Soviet Union into fifteen independent states Topics discussed include past and present economic relations between the republics and forecasts for the future discussion of Customs Unions Monetary Union or Payments Union as possible ways forward for these states economic integration theory how the states of the Soviet Union functioned before the dissolution      Geography of Travel & Tourism Lloyd E. Hudman,Richard H. Jackson,1999 *Geography of Travel and Tourism* 3rd Edition is an ideal resource for student professionals and anyone with an interest in world geography as it relates to tourism This book describes the physical cultural and tourism characteristics of destination countries and regions and provides an overview of cultural customs travel tips and shopping ideas important to travelers and travel counselors Key Interent addresses for countries and travel organizations provide readers with the most current information resources for travel geography Eight new full color world atlases provide quick reference to important information such as time zone differences travel patterns weather patterns and language and cultural zones      The Balkans Robert Bideleux,Ian Jeffries,2007-01-24 An excellent companion volume to the successful *A History of Eastern Europe* this is a country by country treatment of the contemporary history of each of the Balkan states Albania Bulgaria Romania Croatia Serbia Bosnia and Herzegovina Macedonia Montenegro and Kosova With a distinctive conceptual framework for explaining divergent patterns of historical change the book shifts the emphasis away from traditional cultural explanations and concentrates on the pervasive influence of strongly entrenched vertical power structures and power relations Focusing on political and economic continuities and changes since the 1980s *The Balkans* includes brief overviews of the history of each state prior to the 1980s to provide the background to enable all students of Eastern European history to make sense of the more recent developments      *Ethnic Conflict in the Post-Soviet World: Case Studies and Analysis* Leokadia Drobizheva,Rose Gottemoeller,Catherine McArdle Kelleher,Lee Walker,2015-04-08 Presents 16 case studies of ethnic conflict in the post Soviet world The book places ethnic conflict in the context of imperial collapse democratization and state building      **Queer**

**Cinema** Harry M. Benshoff, Sean Griffin, 2004 Queer Cinema the Film Reader brings together key writings that use queer theory to explore cinematic sexualities especially those historically designated as gay lesbian bisexual and or transgendered

**Democratization in Central and Eastern Europe** Mary Kaldor, Ivan Vejvoda, 2002-04-30 This book is based on a study which brought together scholars from each of the potential member countries of the European Union to develop a methodology for assessing the process of democratization as a condition of eligibility for membership **Andrei Codrescu**

**and the Myth of America** Kirby Olson, 2014-09-17 This is one of those times a time choked in the weeds of academic and civilian formalism To put it mildly most of what we see in print in North America is unbearably trivial and singularly devoid of courage Andrei Codrescu The Disappearance of the Outside Known to the general public as a radio commentator on National Public Radio Romanian born essayist and poet Andrei Codrescu has developed a variety of voices throughout his career Transylvanian humorist on NPR surrealist poet in his many volumes of poetry academic essayist in his philosophical writings and historical novelist Taking seemingly everyday events in seemingly mundane places Codrescu is able to link the random details into a larger whole leading his readers and listeners to conclusions very different from those they first imagined This work explores Codrescu s writings and how they are a part of the surrealist tradition It examines the ways in which his poetry essays and novels are influenced by his upbringing in Communist Romania and the liberal attitudes he encountered upon moving to the United States and draws comparisons between Codrescu and other surrealists An interview with the author is also included
