WINNER OF THE ROYAL PHILHARMONIC SOCIETY'S MUSIC  
AWARD AND THE YORKSHIRE POST BOOK OF THE YEAR

# Berlioz Making Of An Artist

**David Cairns**

## **Berlioz Making Of An Artist:**

**Berlioz** David Cairns,2003-10 *Berlioz Volume I* previously published only in Britain is now available to American readers in a revised edition together with the eagerly awaited new *Volume II* These two volumes together comprise a monumental biographical achievement sure to stand as the definitive *Berlioz* biography

**Berlioz** David Cairns,2019-03-07 No artist's achievement connects more directly with early experience than that of *Berlioz* David Cairns draws on a wealth of family papers to recreate in authentic and intimate detail the provincial milieu of *Berlioz*'s boyhood showing how the son of a village doctor was already transforming himself into the composer of the *Fantastic Symphony* *Berlioz*'s desperate attempts to win his father's approval for his vocation his struggles to establish himself on the Parisian musical scene and his passionate pursuit of love are all brought vividly to life in this first volume of David Cairn's award winning biography

*Berlioz* David Cairns,1989

**Berlioz Studies** Peter Bloom,2006-11-02 This volume contains nine substantial essays by the world's leading *Berlioz* scholars They cover various aspects of *Berlioz*'s life and works and represent an important contribution to *Berlioz* research The book includes essays based on documents both biographical and musical that give us among other things a portrait of the artist as a young man and a revealing view of an important but little studied work of his maturity There are readings of *Romeo et Juliette* and *La Damnation de Faust* that wrestle anew with the problems of the relationships between literature and music and as *Berlioz*'s music nearly always requires with the problems of genre Two views of *Berlioz*'s *Les Nuits d'* are presented which ask when and why the work was conceived and how the work coheres The practical question of *Berlioz*'s metronome marks are here thoroughly studied for the first time The volume closes with a novel piece in dialogue form by the elder statesman of *Berlioz* scholars Jacques Barzun who treats with exceptional grace the profound issues raised by *Berlioz* the man and musician

**The Cambridge Companion to Berlioz** Peter Bloom,2000-08-24 Still chiefly known as the extravagant composer of the *Symphonie fantastique* *Berlioz* was an artist caught in the crossfire between the academic classicism of the French musical establishment and the romantic modernism of the Parisian musical scene He was a thinker in an age that invented both the religion of art and the notion of the genius who preached and practised it This *Companion* contains essays by eminent scholars on *Berlioz*'s place in nineteenth century French cultural life on his principal compositions symphonies overtures operas sacred works songs on his major writings a delightful volume of memoirs a number of short stories large quantities of music criticism an orchestration treatise on his direct and indirect encounters with other famous musicians Gluck Mozart Beethoven Wagner and on his legacy in France The volume is framed by a detailed chronology of his life and a usefully annotated bibliography

*The Music of Berlioz* Julian Rushton,2001 This text offers an overall assessment of *Berlioz*'s musical achievement as we approach the bicentary of his birth in 2003 This is a full length musical study of the composer taking into account the rediscovered *Messe solennelle*

**Berlioz and His World** Francesca Brittan,Sarah Hibberd,2024-08-05 A collection of essays and short object lessons on the composer Hector *Berlioz*

published in collaboration with the Bard Music Festival Hector Berlioz 1803-1869 has long been a difficult figure to place and interpret Famously in Richard Wagner's estimation he hovered as a transient marvelous exception a composer woefully and willfully isolated In the assessment of German composer Ferdinand Hiller he was a fleeting comet who does not belong in our musical solar system the likes of whom would never be seen again For his contemporaries as for later critics Berlioz was simply too strange and too noisy too loud too German too literary too cavalier with genre and form and too difficult to analyze He was in many ways a composer without a world Berlioz and His World takes a deep dive into the composer's complex legacy tracing lines between his musical and literary output and the scientific sociological technological and political influences that shaped him Comprising nine essays covering key facets of Berlioz's contribution and six short object lessons meant as conversation starters the book reveals Berlioz as a richly intersectional figure His very difficulty his tendency to straddle the worlds of composer conductor and critic is revealed as a strength inviting new lines of cross disciplinary inquiry and a fresh look at his European and American reception

**Form, Program, and Metaphor in the Music of Berlioz** Stephen Rodgers, 2009-03-05 Few aspects of Berlioz's style are more idiosyncratic than his handling of musical form This book the first devoted solely to the topic explores how his formal strategies are related to the poetic and dramatic sentiments that were his very reason for being Rodgers draws upon Berlioz's ideas about musical representation and on the ideas that would have influenced him arguing that the relationship between musical and extra musical narrative in Berlioz's music is best construed as metaphorical rather than literal intimate but indirect in Berlioz's words Focusing on a type of varied repetitive form that Berlioz used to evoke poetic ideas such as mania obsession and meditation the book shows how far from disregarding form when pushing the limits of musical evocation Berlioz harnessed its powers to convey these ideas even more vividly

**The Art of Music and Other Essays** Hector Berlioz, 1994-06-22 A Travers Chants is the collection of writings selected from his thirty odd years of musical journalism These essays cover a wide spectrum of intellectual inquiry Beethoven's nine symphonies and his opera Fidelio Wagner and the partisans of the Music of the Future Berlioz's idols Gluck Weber and Mozart There is an eloquent plea to stop the constant rise in concert pitch an issue still discussed today a serious piece on the place of music in church and a humorous and imaginative account of musical customs in China

[Music Drama at the Paris Odéon, 1824-1828](#) Mark Everist, 2002-12-04 By illuminating the working of one of the most prominent opera houses of the period Everist reveals how the opera scene in Paris shaped the history of opera

**The Other Worlds of Hector Berlioz** Inge van Rij, 2015-02-19 Inge van Rij's book demonstrates how Berlioz used the sights and sounds of the orchestra to explore other worlds

*An Artist's Journey* Franz Liszt, 1989-06-27 Translated and annotated by Charles Suttoni These are eloquent personal writings which were published sporadically in the Paris press during the six years Liszt spent traveling in Switzerland France and Italy They are presented in chronological order each is thoroughly annotated and prefaced with a brief introductory chronicle Annotation copyrighted by Book News Inc Portland OR

[Reader's Guide to](#)

Music Murray Steib, 2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 320 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology

**Berlioz on Music** Hector Berlioz, 2015 Hector Berlioz was not only a composer but a renowned writer and critic and his Memoirs and Evenings with the Orchestra are particularly well known and loved This book provides new translations of his criticism in English taking him from his student days as a participant in musical polemics over Rossini to his first years of mature success

**The Ninth** Harvey Sachs, 2010-06-17 A decade after the French Revolutionary and Napoleonic Wars had given way to an era of retrenchment and repression 1824 became a watershed year The premiere of the Ninth Symphony the death of Lord Byron who had been aiding the Greeks in their struggle for independence Delacroix's painting of the Turkish massacre of Greeks at Chios and Pushkin's anti tyrannical play Boris Godunov all signalled that the desire for freedom was not dead And all of these works and events were part of the flowering of the High Romantic period In The Ninth eminent music historian and biographer Harvey Sachs employs memoir anecdote and his vast knowledge of history to explain how the premiere of Beethoven's staggering last symphony was emblematic of its time a work of art unlike any other and a magisterial humanistic statement that remains a challenge down to our own day and for future generations

*Berlioz* D. Kern Holoman, 1989 A captivating and sumptuously illustrated biography Berlioz is not only a complete account of the Romantic era composer but also an acute analysis of his compositions and a description of his work as a conductor and critic 139 halftones 3 maps 160 musical examples

**Opera: The Autobiography of the Western World (Illustrated Edition)** Simon Banks, 2022-07-28 Since the first performance of the first opera in 1600 operas have been telling stories from myth and history This book beginning with the Creation and ending in the present day is a chronology of myth and history as told in opera Over 260 paintings and photographs most in colour accompany the narrative Why were particular myths and historical events important at particular times Why were the same myths and historical events told in radically different ways In seeking answers to these questions this book charts how the modern West migrated from autocracy towards liberal democracy from theocratic absolutism towards tolerant pluralism from sexism towards gender equality It traces growing scepticism about religiously inspired warfare and colonial empire building Unlike anything previously published this is a book for lovers of history and the arts and for anyone interested in how the western world of today came into being By exploring a bewitchingly beautiful art form it chronicles a sequence of extraordinary transformations the political religious and social revolutions that created the modern West

*The Eclectic Magazine of Foreign Literature, Science, and Art*, 1881

The Life of Berlioz Peter Bloom, 1998-11-19 The Life of Berlioz

situates the celebrated French musician in the vibrant and highly politicized musical culture of the periods of the Bourbon Restoration July Monarchy Second Republic and Second Empire in which he lived and worked as composer conductor concert manager and writer The author of the *Symphonie fantastique* was indeed possessed of a fertile and fantastical imagination but the common image of Berlioz as a misunderstood and mistreated genius obscures both the solidity of his work as a musical architect and the reality of his position as one sometimes favored by those in power Berlioz is the quintessential romantic composer by dint of the conspicuous intermingling of art and life that marks his musical and literary output Studying this away from the subjective sentimentality that can still mar studies of the composer in France serves only to enhance the uncommon radiance of his music and uncommon esprit of his art

From Mimetic Translation to Artistic Transduction Dinda Gorlée, 2023-10-03 Roman Jakobson gave a literary translation of the double words and concepts of poetical hyper translation Language can transmit verbal translation to explore new ways of thinking about music and other arts Thomas A Sebeok deconstructed the energy of translation into the duplicated genres of artistic transduction In semiotics transduction is a technical expression involving music theater and other arts Jakobson used Saussure's theory to give a single meaning in a different art but with other words and sounds later followed by Peirce's dynamic energy with a floating sensation of the double meaning of words and concepts For semiotician Peirce literary translation becomes the graphical vision of ellipsis parabole and hyperbole Ellipsis is illustrated by Virginia Woolf's novel *The Waves* to give a political transformation of Wagner's opera *Das Rheingold* Parabole is illustrated by the two lines of thought of Hector Berlioz He neglected his own translation of Virgil's *Aeneid* when he retranslated the vocal text to accompany the musical lyrics of his opera *The Trojans* Hyperbole is demonstrated by Bertold Brecht's auto translation of Gay's *The Beggar's Opera* In the cabaret theater of *The Three penny Opera* Brecht recreated his epic hyper translation by retranslating the language of the folk speech of the German working classes with the jargon of criminal slang

Right here, we have countless books **Berlioz Making Of An Artist** and collections to check out. We additionally provide variant types and as a consequence type of the books to browse. The good enough book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily handy here.

As this Berlioz Making Of An Artist, it ends occurring beast one of the favored books Berlioz Making Of An Artist collections that we have. This is why you remain in the best website to see the unbelievable book to have.
