H. Allen Curran, Brian White, 1995-01-01 A description of the Bermuda islands, as appeared in Harper's magazine , 1874

A State of the Claim of His Majesty's Bermuda Subjects to the right of gathering Salt at Turks Islands, referred to by the Governor, Council, and Assembly of Bermuda, in their Memorial of the 7th day of May, 1790, etc , 1790 **Islands and the British Empire in the Age of Sail** Douglas Hamilton, John McAleer, 2021 Islands are not just geographical units or physical facts their importance and significance arise from the human activities associated with them The maritime routes of sailing ships the victualling requirements of their sailors and the strategic demands of seaborne empires in the age of sail as well as their intrinsic value as sources of rare commodities meant that islands across the globe played prominent parts in imperial consolidation and expansion This volume examines the various ways in which islands and groups of islands contributed to the establishment extension and maintenance of the British Empire in the age of sail Thematically related chapters explore the geographical topographical economic and social diversity of the islands that comprised a large component of the British Empire in an era of rapid and significant expansion Although many of these islands were isolated rocky outcrops they acted as crucial nodal points providing critical assistance for ships and men embarked on the long distance voyages that characterised British overseas activities in the period Intercontinental maritime trade colonial settlement and scientific exploration and experimentation would have been impossible without these oceanic islands They also acted as sites of strategic competition contestation and conflict for rival European powers keen to outstrip each other in developing and maintaining overseas markets plantations and settlements The importance of islands outstripped their physical size the populations they sustained or their individual economic contribution to the imperial balance sheet Standing at the centre of maritime routes of global connectivity islands offer historians of the British Empire fresh perspectives on the intercontinental communication commercial connections and territorial expansion that characterised that empire **Slaves and**

Slaveholders in Bermuda, 1616-1782 Virginia Bernhard, 1999 *Slaves Slaveholders in Bermuda 1616 1782* offers a fresh perspective on the complex relationship between racism slavery in the often overlooked second oldest English colony in the New World As the first blacks were brought onto the islands not specifically for slave labor but for their expertise as pearl divers cultivators of West Indies plants Bermuda s racial history began to unfold much differently from that of the Caribbean islands or of the North American mainland Bermuda s history records the arrival of the first blacks the first English law passed to control the behavior of the Negroes the creation of ninety nine year indentures for black Indian servants Slavery may have dictated strained the relationships between whites blacks but in this smallest of English colonies it differed from slavery elsewhere because of the uniquely close master slave relations created by Bermuda s size maritime economy At only twenty one square miles in size Bermuda saw slaves slave holders working living closer together than in other societies Additionally the emphasis on maritime pursuits offered slaves a degree of autonomy a sense of identity unequalled in other English colonies This groundbreaking history of Bermuda s slavery reveals fewer runaways less violent rebellions relatively milder punishments for offending slaves One anecdote recounts that in 1782 seventy black seamen offered freedom in Boston voluntarily returned to their Bermuda homes Bernhard delves into the origins of Bermuda s slavery its peculiar nature its effects on blacks whites She bases her study on archival research drawn from wills inventories laws court cases governors reports council minutes Intended as an introduction to both the history of the islands the rich sources for further study this book will prove invaluable to scholars of slavery as well as those interested in historical archaeology anthropology maritime history colonial history *Bermuda* Rachael Morlock, 2021-12-15 Bermuda is a popular tourism destination but what is life like for the people who live on the islands that make up this British territory Readers discover the answer to this question with the help of comprehensive main text that closely examines Bermuda s history government natural world and culture Sidebars provide additional information and colorful photographs and maps give readers a more detailed look at the land and its people Readers are even encouraged to get hands on in their cultural exploration through simple recipes that highlight some of Bermuda s most beloved dishes

No Wood, No Kingdom Keith Pluymers, 2021-05-21 In early modern England wood scarcity was a widespread concern Royal officials artisans and common people expressed their fears in laws petitions and pamphlets in which they debated the severity of the problem speculated on its origins and proposed solutions to it No Wood No Kingdom explores these conflicting attempts to understand the problem of scarcity and demonstrates how these ideas shaped land use forestry and the economic vision of England s earliest colonies Popular accounts have often suggested that deforestation served as a push for English colonial expansion Keith Pluymers shows that wood scarcity in England rather than a problem of absolute supply and demand resulted from social conflict over the right to define and regulate resources difficulties obtaining accurate information and competing visions for trade forestry and the English landscape Domestic scarcity claims did encourage schemes to develop wood dependent enterprises in the colonies but in practice colonies

competed with domestic enterprises rather than supplanting them Moreover close studies of colonial governments and the actions of individual landholders in Ireland Virginia Bermuda and Barbados demonstrate that colonists experimented with different often competing approaches to colonial woods and trees including efforts to manage them as long term resources albeit ones that nonetheless brought significant transformations to the land No Wood No Kingdom explores the efforts to knot together woods around the Atlantic basin as resources for an English empire and the deep underlying conflicts and confusion that largely frustrated those plans It speaks to historians of early modern Europe early America and the Atlantic World but also offers key insights on early modern resource politics forest management and political ecology of interest to readers in the environmental humanities and social sciences as well as those interested in colonialism or economic history

British Postal Guide Great Britain. Post Office,1902 **Roraima and British Guiana, With a Glance at Bermuda, the West Indies, and the Spanish Main** J. W. Boddam-Whetham,2022-06-13 In Roraima and British Guiana With a Glance at Bermuda the West Indies and the Spanish Main J W Boddam Whetham offers a vivid and detailed account of his travels through an underexplored colonial landscape Blending personal narrative with rich descriptive passages the book captures the colorful entourage of flora fauna and indigenous cultures while reflecting on the socio political context of British Guiana during the late 19th century His literary style characterized by meticulous observation and an engaging prose transports the reader to a time of burgeoning imperial curiosity and ecological wonder making it a significant contribution to the genre of travel literature J W Boddam Whetham an English civil servant and a fervent naturalist was deeply influenced by the imperial ethos of his time His experiences in the tropics and an abiding fascination with natural history compelled him to document not only the beauty of the landscapes he visited but also the prevailing attitudes toward colonization and cultural interactions Boddam Whetham s work embodies a synthesis of adventure observation and social commentary that mirrors the complexities of imperial perspectives This book is a must read for anyone interested in Victorian era exploration colonial history and the rich tapestry of the Caribbean and South American landscapes Boddam Whetham s intriguing insights and evocative prose will captivate both scholars and casual readers alike inviting them to ponder the intricate dynamics of nature and civilization The Foreign Commerce and Navigation of the United States United States. Bureau of the Census,1894

Bermuda, Post Report, 1991 ,1991 **The Foreign Commerce and Navigation of the United States for the Year Ending ...** ,1894 **Minerals Yearbook** ,1996 *Congressional Record* United States. Congress,1940 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Federal Register** ,2003 *House documents* ,1895 *Letters from Bermuda* Jane Anthony Eames,1875 *The Encyclopedia of Tourism and Recreation in Marine Environments* Michael

Lück,2008 Marine tourism has become one of the fastest growing areas within the tourism industry With the increased use of marine environments comes the need for informed planning and sustainable management as well as for the education and training of planners managers and operators Combining the disciplines of marine scientists and tourism researchers this encyclopedia will bring together the terms concepts and theories related to recreational and tourism activities in marine settings Entries range from short definitions to medium and long articles
