Field, Leslie A. Field, 1970 *Material Culture and Jewish Thought in America* Ken Koltun-Fromm, 2010-04-21 How Jews think about and work with objects is the subject of this fascinating study of the interplay between material culture and Jewish thought Ken Koltun Fromm draws from philosophy cultural studies literature psychology film and photography to portray the vibrancy and richness of Jewish practice in America His analyses of Mordecai Kaplan s obsession with journal writing Joseph Soloveitchik s urban religion Abraham Joshua Heschel s fascination with objects in The Sabbath and material identity in the works of Anzia Yezierska Cynthia Ozick Bernard Malamud and Philip Roth as well as Jewish images on the covers of Lilith magazine and in the Jazz Singer films offer a groundbreaking approach to an understanding of modern Jewish

thought and its relation to American culture **The Jewish American Novel** Philippe Codde,2007 Philippe Codde provides a comparative cultural analysis of the unprecedented success of the Jewish novel in the postwar United States by situating the process and event in the context of three closely related American cultural movements the popularity in the US of French philosophical and literary existentialism the increasing visibility of the Holocaust in US American life and the advent of radical theology Codde argues that the literary repertoire of the postwar Jewish novel consists of an amalgam of these cultural elements that were making their mark in the political religious and philosophical systems of the United States at the time and that this explains in part the Jewish novel's sweeping success in the American literary system Conversations with Bernard Malamud Bernard Malamud,1991 During his teaching career Bernard Malamud taught both creative writing and literature courses and indicated that he almost never taught his own works since an author cannot dictate the total meaning of his work to a classroom He was consistently reluctant in interviews as well to explain his fiction He valued imaginative interpretations whether I agree with them or not He rejected the notion that there was a correct interpretation of his work **A New Life** Bernard Malamud,1961 *Accidents of Influence* Norma Rosen,1992-01-01 For Norma Rosen the Holocaust is the central event of the twentieth century In this book she examines the relationship of post Holocaust writers to their work in terms of subject language imagery and facing up to the task of writing in a post Holocaust era She considers the work of such major influences on our time as T S Eliot Simone Weil Anne Frank E L Doctorow Norman Mailer Eugenio Montale Philip Roth and Saul Bellow *Accidents of Influence* combines critical analysis with personal response and autobiographical moments It includes quotidian encounters in friendship sex society art politics response to violence and religious observance which struggle for moral ground in this post Holocaust era **Indian Doctoral Dissertations in English Studies** K. Naseem,2000 Indian Research In English Studies Has A Long And Rich Tradition But Unfortunately It Has Failed To Make Any Notable Impact On The Academic World This Is Largely Due To The Fact That Most Of The Indian Doctoral Dissertations In English Studies Lie Buried In University Libraries And Are Inaccessible To Aspiring Researchers No Attempt Has Been Made So Far To Establish Any Link Or Co Ordination Between Research Activities Of Different Universities Institutes This Has Resulted In A Total Neglect Of Earlier Research And Unnecessary Duplication The Present Volume Is Designed To End This Unhappy Situation By Providing A Complete And Authentic Account Of Research Carried Out In Indian Universities Not Only In British American Commonwealth And Indian English Literature But Also In Comparative Studies Translation Studies Language Linguistics And Elt Entries On The Above Mentioned Are Arranged Subject Wise In Chronological Sequence And Are Followed By A Separate Section On Individual Authors In Alphabetical Order Thus It Provides A Consolidated View Of Indian Research In English And Serves As An Invaluable Reference Manual It Is A Step Towards Orientation And Systematisation Of Indian Research In English Studies And Will Help To Make Research A Well Informed Well Planned And Meaningful Exercise **Witness Through the Imagination** S. Lillian Kremer,Lilian

Kremer, 2018-02-05 *Witness through the Imagination* presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust Criticism of Holocaust literature is an emerging field of inquiry and as might be expected the most innovative work has been concentrated on the vanguard of European and Israeli Holocaust literature Now that American fiction has amassed an impressive and provocative Holocaust canon the time is propitious for its evaluation *Witness Through the Imagination* presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust The unifying critical approach is the textual explication of themes and literary method occasional comparative references to international Holocaust literature and a discussion of extra literary Holocaust sources that have influenced the creative writers treatment of the Holocaust universe **Retelling Dostoyevsky** Gary Adelman, 2001 It identifies motives particular to each novelist for his creative reuse of Dostoyevsky and explores theoretic approaches to the problem of influence through Mikhail Bakhtin and Harold Bloom Jacket
