Westmorland - Yorkshire Thomas Cox, 1738 Sperm, Wonderful Sperm! Alan Smithie, 2009-07-01 I remember a report some time ago extolling the health benefits of the vitamins found in sperm with the advice that in preparation for having a healthy and intelligent baby for some months before becoming pregnant a woman should swallow her partner's

sperm You can rest assured this report was compiled by a team of men This has nothing whatsoever to do with the fact I set out to write a book entitled 49 a humorously light hearted fly on the wall look at my life from the day before my forty ninth birthday to the day I hit fifty A story of how I was coping with being too old for a mid life crisis counting the days tick down until the inevitable half century Should I be wearing socks with sandals when would I start to enjoy pastimes that involved either binoculars a fishing rod making boats out of used matchsticks a tandem bicycle or Morris dancing Was I developing man breasts and more importantly would the next woman I meet have bingo wings What pre fifty pastimes would I be consigning to the dusty bin of life wearing Ramones T shirts and ogling young girls my T shirt definitely had to go Maybe I wouldn't even make it to the end of the book instead I'd meet my end running the Snowdonia Marathon As it was I did make it to the end Having spent a year writing 49 and many months trying to get a publishing deal without success I started to write a blog I pretty soon realised the missing ingredient sex sex sells Post a good title and you have a success mention anal sex and you have a best seller Without a second thought I changed the book title to Sperm Wonderful Sperm and quickly contacted an online print on demand publisher This is the result

Long Road from Jarrow Stuart Maconie, 2017-07-20 The Sunday Times Bestseller A tribute and a rallying call Guardian Three and half weeks Three hundred miles I saw roaring arterial highway and silent lanes candlelit cathedrals and angry men in bad pubs The Britain of 1936 was a land of beef paste sandwiches and drill halls Now we are nation of vaping and nail salons pulled pork and salted caramel In the autumn of 1936 some 200 men from the Tyneside town of Jarrow marched 300 miles to London in protest against the destruction of their towns and industries Precisely 80 years on Stuart Maconie walks from north to south retracing the route of the emblematic Jarrow Crusade Travelling down the country's spine

Maconie moves through a land that is in some ways very much the same as the England of the 30s with its political turbulence austerity north south divide food banks and of course football mania Yet in other ways it is completely unrecognisable Maconie visits the great cities as well as the sleepy hamlets quiet lanes and roaring motorways He meets those with stories to tell and whose voices build a funny complex and entertaining tale of Britain then and now *The Literary Half-yearly* H.
