Bernard M Baruch:

Bernard M. Baruch Papers Bernard Mannes Baruch, 1919 Essays and speeches written by Baruch reflect his experience in business and politics conferring with world leaders on matters of economics atomic energy preparation for and recovery from war and other topics consisting of 5 volumes documenting Baruch's speeches publications and other writings recorded on 241 typescripts carbons memos and printed pamphlets collected by Baruch and given in 1956 to his daughter Belle Wilcox Baruch d 1964 **Bernard M. Baruch** Bernard Mannes Baruch, 1958 Bernard M. Baruch James L. Grant, 1997-02-05 This biography of Bernard Baruch considered to be renowned as the definitive story about the notorious financial wizard and presidential advisor Baruch's political policies are discussed briefly and James Grant includes a detailed account of Baruch's trading and investment gains and losses **Bernard M. Baruch** Bernard Mannes Baruch, 1958 Baruch: The Public Years Bernard M. Baruch, 2023-01-27 During his public years approximately half of the nine decades of his active life Bernard Baruch has served or advised many of the men who in that time have ruled the Western world Baruch approves of his own ideas and achievements but neither is it rancid for the author at ninety cares less for self vindication than for a rational and decent order among men The spirit of that admirable objective informs his often anecdotal narrative of men and events among them the administration of the War Industries Board the Paris Conference of 1919 the adventures of the prosperous and the trials of the poor in the decade of the 1920's and some aspects of the New Deal economic mobilization in World War II and the abortive efforts since then for international control of atomic energy Here there are contented recollections of Wilson Churchill Clemenceau and Roosevelt and less contented but still appreciative of Harry Truman Baruch's work is significant for what it reveals about him The American Historical Review That Baruch has unusual talents no one denies Had he been ambitious he might have become the first Jewish President of the United States But not loving power not yearning for the spotlight of publicity and not wishing to assume responsibilities that would be extremely controversial he has chosen to be an unofficial adviser for Presidents And what a good one he has made The Public Years should be a required book for all students of the United States in the twentieth century The Journal of Southern History Looking back at his experiences Baruch interweaves his philosophy of government service and values and his autobiography stands as a personal creed of individualism patriotism and communal responsibility American Jewish Historical Quarterly Mr Baruch relates his association with great and near great persons and his involvement in national and international affairs His comments on past events while profiting from the vantage of hindsight are penetrating and sound This account portrays the keen insight and wisdom of Bernard Baruch in surveying the momentous years between Presidents Wilson and Truman and reveals the sage advice which he provided to those in positions of authority relative to the social economic and military affairs of this nation Naval War College Review It can be said with complete accuracy I think that no living person surpasses Bernard M Baruch in experience study and leadership in all phases of industrial preparedness Ordnance **The Public Papers of Bernard M.**
