of the creation of The Saint Johns Bible the first commissioned handwritten Bible in five hundred years and the first Bible of this magnitude written in English using a contemporary translation has been told elsewhere In Word and Image Fr Michael Patella focuses not on how it was made but on how now that it is finished it can be read viewed and interpreted Patella considers the centuries long tradition of illuminated Bibles and also the fascinating ways this Bible reflects third millennium concerns He seeks to rekindle interest in sacred art by allowing The Saint John s Bible to teach its readers and viewers how to work with text and image As an accomplished Scripture scholar a monk of the abbey that commissioned the Bible and the chair of the Committee on Illumination and Text that provided the vision to the artists who created it Patella may be the only one who could write this book with such insight expertise and love Whitaker's Books in Print ,1998 *The Saint's Life and the Senses of Scripture* Ann W. Astell,2024-07-15 Through close examination of ancient medieval and modern Lives of the saints Ann W Astell demonstrates how the historical transformation of hagiography as a genre correlates with similar changes in biblical studies Christian hagiography flourished from the fourth to the fifteenth centuries illuminating the gospel through the overlapping forms of exempla and vita Originally the Lives of the saints were understood as hermeneutical extensions of the Bible God authors the saint just as God authors the divinely inspired scriptures During the medieval period a sense of dual authorship between God and the cooperating saint developed paralleling the Scholastic impulse to assign greater agency to the human writers of scripture Then in the sixteenth century powerful new anxieties about historical truth pushed hagiography aside for biography its successor Drawing on her expertise in the history of Christianity and biblical exegesis Astell convincingly shows how this radical shift in hagiography s status the loss of the literal allegorical tropological and anagogical senses of the Lives serves as a bellwether for modern biblical reception **Saints Alive** David Eliot Williams,2010 How do we know what we know about saints **Encyclopedia of World Biography** ,1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed **The Quotable Saint** Rosemary Guiley,2002 An alphabetically arranged compendium offering the wisdom of more than one hundred saints St. Bernard Thomas R.
