panic Lord Thistlebottom's Book of Pitfalls and How to Survive Them has taught Roxie Warbler how to handle all sorts of situations. If Roxie's ever lost in the desert or buried in an avalanche or caught in a dust storm she knows just what to do. But Lord Thistlebottom has no advice to help Roxie deal with Helvetia's Hooligans, the meanest band of bullies in school. Then Roxie finds herself stranded on a deserted island with not only the Hooligans but also a pair of crooks on the lam and her survival skills may just save the day and turn the Hooligans into surprising allies. *Reluctantly Alice* Phyllis Reynolds Naylor, 2012-05-15 Alice McKinley comes home on the first day of junior high with a list of seven things about seventh grade that stink. Just about the only good thing she can think of is that she's friends with everyone. Maybe that's how to survive seventh grade: make it through the entire year with everyone liking her. That turns out to be easier said than done when Alice gets on the wrong side of the school bully Denise Mack Truck Whitlock. But Alice's problems with Denise pale in comparison with the romantic entanglements of both her father and her older brother Lester. And when Alice decides to help them out, life gets even more complicated. **Alice in Lace** Phyllis Reynolds Naylor, 2012-05-22 Alice and Patrick are getting married. Well sort of. It's all part for her eighth grade health class. But this is a piece of wedding cake compared to some of her friends' assignments where they have to role play being pregnant or being caught shoplifting. The biggest challenge of all though is just growing up and this health unit is showing that it doesn't get any easier. Who decided that life was a never-ending obstacle course anyway? Shiloh Season Phyllis Reynolds Naylor, 2013-04-02 Marty gets to keep Shiloh. He wasn't able to rescue all the dogs that Judd Travers mistreated but at least Shiloh is safe, right? Not necessarily. It turns out. With hunting season approaching, Judd has started drinking again and hunting on the outskirts of Marty's family property. What if Judd tries to take back Shiloh? What if one of Marty's sisters gets in the way of Judd's shotgun? It seems only a matter of time before something goes very wrong. The thing is, Marty knows a secret about Judd that no one else does and if anything terrible happens, he will never be able to forgive himself for keeping quiet. Is it time for Marty to speak up? And can he find the courage to do so before someone he loves gets hurt? *Incredibly Alice* Phyllis Reynolds Naylor, 2012-05-01 With graduation, a wedding, a pregnancy, and a college decision in store, the end of high school is harder and more emotional than Alice ever imagined. Get ready to start your own incredible, amazing life, right? Alice McKinley is standing on the edge of something new and half-afraid she might fall off. Graduation is a big deal, that gauntlet of growing up that requires everyone she's known since forever to make huge decisions that will fling them here and there and far from home. But what if Alice wants to be that little dandelion seed that doesn't scatter? What if she doesn't have the heart to fly off into the horizon on the next big breeze? And what if that starts to make her feel like staying close to home means she's a little less incredible than her friends and her boyfriend Patrick? Sometimes the bravest thing you can do is be honest with yourself and sometimes the most incredible thing you can do is sneak a little fun into all this soul-searching. **The Agony of Alice** Phyllis Reynolds Naylor, 2012-05-15 Life Alice McKinley feels is just one big embarrassment. Here she is about to be a teenager and she doesn't know how. It's worse.

for her than for anyone else she believes because she has no role model Her mother has been dead for years Help and advice can only come from her father manager of a music store and her nineteen year old brother who is a slob What do they know about being a teen age girl What she needs Alice decides is a gorgeous woman who does everything right as a roadmap so to speak If only she finds herself when school begins in the classroom of the beautiful sixth grade teacher Miss Cole her troubles will be over Unfortunately she draws the homely pear shaped Mrs Plotkin One of Mrs Plotkin s first assignments is for each member of the class to keep a journal of their thoughts and feelings Alice calls hers The Agony of Alice and in it she records all the embarrassing things that happen to her Through the school year Alice has lots to record She also comes to know the lovely Miss Cole as well as Mrs Plotkin And she meets an aunt and a female cousin whom she has not really known before Out of all this to her amazement comes a role model one that she would never have accepted before she made a few very important discoveries on her own things no roadmap could have shown her Alice moves on ready to be a wise teenager
