Berthe Morisot's Images Of Women:

Berthe Morisot's Images of Women Anne Higonnet, 1992 Impressionist paintings Higonnet presents a clear picture of visual traditions that though very much a part of Morisot's world and work figure only marginally in art history Amateur picture making for instance was enormously popular among nineteenth century women Higonnet locates Morisot's origins in this private practice then traces her reactions to an industrialized feminine imagery characterized by consumption and dominated by the fashion plate This [Women Artists in Interwar France](#) Paula J. Birnbaum, 2017-07-05 Women Artists in Interwar France Framing Femininities illuminates the importance of the Soci   des Femmes Artistes Modernes more commonly known as FAM and returns this group to its proper place in the history of modern art In particular this volume explores how FAM and its most famous members Suzanne Valadon Marie Laurencin and Tamara de Lempicka brought a new approach to the most prominent themes of female embodiment the self portrait motherhood and the female nude These women reimagined art's conventions and changed the direction of both art history and the politics of their contemporary art world FAM has been excluded from histories of modern art despite its prominence during the interwar years Paula Birnbaum's study redresses this omission contextualizing the group's legacy in light of the conservative politics of 1930s France The group's artistic response to the reactionary views and images of women at the time is shown to be a key element in the narrative of modernist formalism Although many FAM works are missing one reason for the lack of attention paid to their efforts Birnbaum's extensive research through archives press clippings and first hand interviews with artists families reclaims FAM as an important chapter in the history of art from the interwar years *Morisot's Modernism and Impressionist Art* Claire Moran, 2025-09-29 This volume seeks to reframe French Impressionist painter Berthe Morisot 1841-95 in the history of art via a focus on the spaces and people that informed her work and thereby offers a new interpretation of Impressionism and of modernist aesthetics Claire Moran utilizes close visual analyses of artworks in particular those of family friends domestic servants and acquaintances textual analysis of Morisot's journals and letters investigation of late nineteenth century advice manuals magazines and advertisements in relation to Morisot's life and work examination of housing floor plans and gardens and the study of specific household objects that recur in her work and their history This multi pronged method of analysis grounded in Morisot's lived experience will allow a new understanding of Morisot's art to emerge one with the potential to not only highlight the modernity of her aesthetics but also question both public and critical assumptions about Impressionism The book will be of interest to scholars working in art history gender studies French studies and history of design *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion

of research and effort to present the experiences and contributions of women not only in the Western world but across the globe. Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region. They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected. The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes. The Encyclopedia contains over 1,250 signed articles arranged in an A-Z format for ease of use. The entries cover six main areas: biographies, geography and history, comparative culture and society, including adoption, abortion, performing arts, organizations and movements such as the Egyptian Uprising and the Paris Commune, women's and gender studies, and topics in world history that include slave trade, globalization and disease. With its rich and insightful entries by leading scholars and experts, this reference work is sure to be a valued go-to resource for scholars, college and high school students, and general readers alike.

The Visual Culture of Women's Activism in London, Paris and Beyond Colleen Denney, 2018-07-06. Women's bodies and their portrayals in the media remain at the center of every debate on women's rights worldwide. This study examines the domains of public and private space and the interstices between them with a focus on how women advance in the public arena, drawing on the domestic politics of the private realm in their drive for social justice and equality. The author examines the visual culture of first-wave feminists in Edwardian England and feminist developments in France. Late 20th century and 21st century women's movements are discussed in the context of how they continue to honor first-wave suffrage history.

Concise Dictionary of Women Artists Delia Gaze, 2013-04-03. This book includes some 200 complete entries from the award-winning Dictionary of Women Artists as well as a selection of introductory essays from the main volume. **Eve's Daughter/Modern Woman** Sally Webster, 2004. Often regarded as merely the creator of sentimental images of mothers and children or an expatriate heavily influenced by Impressionism, Mary Cassatt is not typically regarded as an artist of radical convictions. This text re-evaluates these dismissals and presents a complete overview of her mural. **Berthe Morisot** Anne Higonnet, 1993. Of the six Impressionist painters whose first exhibition scandalized and fascinated Paris in 1874, Berthe Morisot was the only woman. She reached a pinnacle of artistic achievement despite the restraints society placed on her, sex adroitly combining her artistic ambitions with a rewarding family life. Anne Higonnet brings fully to life an accomplished artist and her world. **Women Readers in French Painting 1870-1890** Kathryn J. Brown, 2012. The first monograph to examine the depiction of reading women in French art of the early Third Republic, *Women Readers in French Painting 1870-1890* evaluates the pictorial significance of this imagery, its critical reception, and its impact on nineteenth-century notions of femininity and social relations. Artists discussed in the volume range from Manet, Cassatt, and Degas to less familiar figures such as Lavieille, Carrière, Toulmouche, and Tissot. *The Women Impressionists* Russell T. Clement, Christiane

Doppelgangers, Alter Egos and Mirror Images in Western Art, 1840-2010 Mary D. Edwards, 2020-06-15 The notion of a person or even an object having a double has been explored in the visual arts for ages and in myriad ways portraying the body and its soul a woman gazing at her reflection in a pool or a man overwhelmed by his own shadow In this edited collection focusing on nineteenth and twentieth century western art scholars analyze doppelgangers alter egos mirror images double portraits and other pairings human and otherwise appearing in a large variety of artistic media Artists whose works are discussed at length include Richard Dadd Salvador Dali Egon Schiele Frida Kahlo the creators of Superman and Nicola Costantino among many others **Victorian Vulgarities** Susan David Bernstein, Elsie Browning Michie, 2009 In Victorian England vulgarity first used to define language use and class position became implicated in behavior material possessions sexuality and race Victorian Vulgarities explores vulgarity s troubled history through dictionaries and grammars essays journalism and visual art and fiction by Dickens Eliot Gissing and Trollope Neither dismissing nor reveling in vulgarity s myriad temptations the contributors invite readers to consider the concept s implications for today s writers and artists

Women, Femininity and Public Space in European Visual Culture, 1789-1914 Dr Temma Balducci, Asst Prof Heather Belnap Jensen, 2014-11-28 Focusing on images of or produced by nineteenth century European women this volume explores genteel femininity as resistant to easy codification vis vis the public Attending to various iterations of the public as space sphere and discourse sixteen essays challenge the false binary construct that has held the public as the sole preserve of prosperous men By considering works in a range of media by an array of canonical and understudied women artists they demonstrate that definitions of both femininity and the public were mutually defining and constantly shifting The Smith College Museum of Art Smith College. Museum of Art, John Davis, Jaroslaw Leshko, 2000 Smith College art professors Davis and Leshko showcase 100 paintings and sculptures from their institution s vaunted collection encompassing Americans from

Gilbert Stuart to Louise Nevelson and Europeans from Corot to Henry Moore In the introduction how and why Smith became steward of such a fine body of work is ascribed to the school's high minded mission and its generous alumni donors The rest of the book is divided into two sections one American and the other European Each individual full color reproduction is accompanied by an informative one page essay and a brief reading list During several years of renovations at Smith the items featured in this book are traveling to diverse sites which should increase the book's appeal 118 colour 1 b w illustrations

Women Building History Wanda Corn,2023-09-01 This handsomely illustrated book is a welcome addition to the history of women during America's Gilded Age Wanda M Corn takes as her topic the grand neo classical Woman's Building at the 1893 Columbian Exposition in Chicago a structure celebrating modern woman's progress in education arts and sciences Looking closely at the paintings and sculptures women artists made to decorate the structure including the murals by Mary Cassatt and Mary MacMonnies Corn uncovers an unspoken but consensual program to visualize a history of the female sex and promote an expansion of modern woman's opportunities Beautifully written with informative sidebars by Annelise K Madsen and artist biographies by Charlene G Garfinkle this volume illuminates the originality of the public images female artists created in 1893 and inserts them into the complex discourse of fin de siècle woman's politics The Woman's Building offered female artists an unprecedented opportunity to create public art and imagine an historical narrative that put women rather than men at its center

AngloModern Janet Wolff,2018-05-31 Early twentieth century art and art practice in Britain and the United States were Janet Wolff asserts marginalized by critics and historians in very similar ways after the rise of post Cubist modern art In a masterly book on the sociology of modernism Wolff explores work that was primarily realist and figurative and investigates the social institutional political and aesthetic processes by which that art fell by the wayside in the postwar period Throughout she shows that questions of gender and ethnicity play an important role in critical curatorial and historical evaluations For example Wolff finds that the work of the artists central to the development of the Whitney Museum was relegated to a secondary status in the postwar period when realism was labeled feminine in contrast to the aggressive masculinity of abstract expressionism The three key periods considered in AngloModern are the early twentieth century when modernist art and existing and new realist traditions coexisted in a certain tension the postwar period in which modernism claimed superiority over realism and the late twentieth century when a retrieval of the realist and figurative traditions seemed to occur Wolff concludes by considering this re emergence as well as the limitations of earlier discussions of the struggles of realist and figurative art to endure the currents of modernism

The Practice of Her Profession Susan Butlin,2009-03 Florence Carlyle 1864 1923 born in Galt Ontario emerged as one of the most successful Canadian artists of her time Trained in Paris she lived and worked in New York City and in Canada cultivating a career as a popular portrait and genre painter Known for her masterful use of colour Carlyle's paintings are nuanced and perceptive portrayals of feminine spaces the female figure and women's domestic work

Between Women Sharon Marcus,2009-07-10 Women in Victorian

England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship. They pored over magazines that described the dangerous pleasures of corporal punishment. A few had sexual relationships with each other, exchanged rings and vows, willed each other property and lived together in long-term partnerships described as marriages. But as Sharon Marcus shows, these women were not seen as gender outlaws. Their desires were fanned by consumer culture, and their friendships and unions were accepted and even encouraged by family, society and church. Far from being sexless angels defined only by male desires, Victorian women openly enjoyed looking at and even dominating other women. Their friendships helped realize the ideal of companionate love between men and women celebrated by novels, and their unions influenced politicians and social thinkers to reform marriage law. Through a close examination of literature, memoirs, letters, domestic magazines and political debates, Marcus reveals how relationships between women were a crucial component of femininity. Deeply researched, powerfully argued and filled with original readings of familiar and surprising sources, *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life. It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own. **Choice**, 2000

Manet Manette Carol M. Armstrong, Edouard Manet, 2002-01-01. Manet, a founding father of modernism, is one of the towering figures of 19th-century art. In this volume, Carol Armstrong looks closely at Manet's works to uncover a view not only of the artist but also of modernity itself. As she places his art within frameworks of colour, the feminine, other, the Manette in Manet and consumerism, Armstrong seeks to expand and revise our understanding of this artist as a painter of modern life.
