Encyclopedia of Ephemera Maurice Rickards, 2018-10-24 The joy of finding an old box in the attic filled with postcards invitations theater programs laundry lists and pay stubs is discovering the stories hidden within them The paper trails of our

lives or ephemera may hold sentimental value reminding us of great grandparents They chronicle social history They can be valuable as collectibles or antiques But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day to day life The Encyclopedia of Ephemera is the first work of its kind providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts from bookmarks to birth certificates to lighthouse dues papers Continuing a tradition that started in the Victorian era when disposable paper items such as trade cards die cuts and greeting cards were accumulated to paste into scrap books expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace His artifacts come from around the world and include such throw away items as cigarette packs and crate labels as well as the ubiquitous faxes parking tickets and phone cards of daily life As this major new reference shows simple slips of paper can speak volumes about status taste customs and taboos revealing the very roots of popular culture

As recognized, adventure as skillfully as experience more or less lesson, amusement, as without difficulty as harmony can be gotten by just checking out a book **Beside The Seaside A Picture Postcard Album** moreover it is not directly done, you could say yes even more in this area this life, all but the world.

We meet the expense of you this proper as well as simple pretension to get those all. We pay for Beside The Seaside A Picture Postcard Album and numerous book collections from fictions to scientific research in any way. accompanied by them is this Beside The Seaside A Picture Postcard Album that can be your partner.
