Bessies Bed:

Bessie's Bed Terry Webb Harshman, 2003 On a stormy night one animal after another knocks at Bessie's door asking for a place to sleep and she always finds room for one more despite their bad manners *The Bessie Series - Books 1-3* Jody Overend, 2023-07-19 Books 1-3 in *The Bessie Series* by Jody Overend now available in one volume Missing Bessie Ravenspond Canada 1972 Fifteen year old Bessie has just broken up with her boyfriend Jason Hitchhiking to Vancouver she plans to catch her hero Chris Lisacker in concert Instead of ending up on the West Coast Bessie and Ash find themselves in Heaven with no idea how they got there As her memories begin to recover and her fate is about to be revealed does she really want to know the truth Surviving Bessie After a tragic loss Bessie feels responsible How is she supposed to go on living with all this grief and guilt Somehow with the help of Angel Mel her loving family and unexpected new friendships she is able to find her inner strength and discover that even after all the rain there will be sunshine Forgiving Bessie Bessie is on the verge of womanhood with one more year of home schooling to go It's time to choose a path into the future but Bessie feels lost and alone unable to trust herself When the alluring stranger Arturo Rodrigues arrives in Ravenspond Bessie is drawn to her What is it about him that feels so familiar The truth is something she could have never imagined even in a million lifetimes

Bessie's Revenge Kareem Howell, 2022-01-20 It's an explosive story of a broken trusted love placed in a man who truly didn't deserve it and couldn't appreciate the just values of a strong woman's worth Bessie's history with her husband Jack soon becomes a part of her past that she finds to be hard to place behind her She goes against her own rules as a woman and becomes disloyal to her heart when it comes to standing by her man Jack In the midst of Jack's distrust and cheating ways Bessie soon finds herself at a crossroad where she's forced to make a life changing decision that ends in heartbreak and divorce but pays off in revenge in bittersweet ways that only a woman of hurt and brokenness could relate to In the workplace and throughout the walls of the courthouse she's as well grounded as could be expected However in her own personal life outside the workplace she's stuck between her unfaithful cheating husband and her heart In the end Bessie finds herself leading by example Jack on the other hand finds himself caught up in ways that he never could have imagined living a double life charged with the murder of a woman that he barely knew and in desperate need of the woman help who he set out to break only to realize in the end sometimes the cover up is worse than telling the lie and that the grass was actually greener at home the whole time with the woman that he grown out of love with If one tells the truth it becomes a part of one's past If you lie it becomes a part of your future For Jack he had to learn this lesson the hard way through a physical beating that very well could have cost him everything including his life The question is how much revenge is satisfying to a woman who has been scarred by her man How much revenge is satisfying to a woman such as Bessie
