*Because I Don't Have Wings* Philip Garrison, 2022-10-04 For Mexican workers the agricultural valleys of the inland Northwest are a long way from home But there they have established communities settlements recent enough that it feels like these newly arrived immigrant mexicanos are pioneers still getting used to the Anglos and to each other This book looks at the inner lives of Mexican immigrants in a northwestern U S boomtown a loose collection of families from Michoacan and surrounding states living a mere 150 miles from Canada They are more isolated than most mexicano communities closer to home and they endure severe winters that make life more difficult still Neighborhoods form dissolve and re form Family members who leave may stay in touch but friends very often simply vanish leaving only their nicknames behind Without a market or a plaza residents meet at weddings christenings and funerals or at the food bank Philip Garrison has spent most of his life in this region and shares in vivid prose tales of immigrant life both contemporary and historical revealing the dual lives of first generation Mexican immigrants who move smoothly between the Yakima Valley and their homes in Mexico And with a scholar s eye he examines figures of speech that reflect mexicano feelings about immigrant life offering glimpses of adaptation through offhand remarks family spats and town gossip Written with irony but bursting with compassion *Because I Don t Have Wings* features vivid
