

The Reasons to Be Proud Canadian

Canadian and Proud

Canada is a country to be proud of. We have contributed to the world got the better on an international and social level, while evolving on an international and social level. With many inspirational Canadian leaders and hero's such as Pierre Trudeau, Lester B. Person and Terry Fox, Canada should be proud of not only what we've accomplished as a whole but the people we've molded as well. While we have made some mistakes throughout history, Canada has proven itself time and time again and every Canadian should be proud of the land we call home.

International action has been taken by Canada on many occasions. During World War 1, Canadian soldiers fought in the 2nd Battle of Ypres. While the French fled and left Canada stranded, Canadian soldiers and commanders held their ground, through mustard gas attacks, heavy artillery, and many loses. The bravery Canada had demonstrated is something we should look up today. Vimy Ridge was a so legendary. The first time in history all four Canadian corps fought together under Canadian command, Arthur Currie. Not only was it a full Canadian invasion, but we won opposed to other countries who were unsuccessful. Canada took a huge step and risk, and we should be proud of what we accomplished.

Canadians have impacted the world socially and should be proud of our achievements. Canada gained its independence in 1931, after a long battle. We remained allies with Britain and no tensions were created, while finding allies of our own such as the United States. We demonstrated our ability to stand up for our values and our country.
