## **Best Ghost Stories Ever:**

The Best Ghost Stories Ever, 1995      *The Best Ghost Stories Ever Told* Stephen Brennan, 2011-09-07 When gut feelings have been replaced by a thirst for proof and hard evidence it's good to know that you can still be spooked by a collection like this one. *Best Ghost Stories* is a creepy group of over forty tales by some of the most impressive names in the writing world. Terrifying, bone-chillingly eerie and good fun, these haunting narratives give vivid descriptions of creepy characters and happenings that will make you hesitate before turning out the light. More than just a niche product, ghost stories hold a bewitching appeal for all kinds of writers and readers. Some of the truly great authors of the nineteenth and twentieth centuries have lent their horror stories to this collection, including Arthur Conan Doyle, Louisa May Alcott, Joseph Conrad, Robert Louis Stevenson, H. G. Wells, and many more. Count on our *Best Stories* series for entertaining tales that you won't soon forget.

The Best Ghost Stories Ever Christopher Krovatin, 2004-08 Watch your step. Be careful what you do. Ghosts are everywhere. In houses new and old. In lonely walks and grim gatherings. Underneath the wallpaper. Riding through the night. These are some of the spookiest ghost stories ever written from authors including Edgar Allan Poe, Robert Louis Stevenson, Bram Stoker, and Henry James. Prepare to be haunted.

Best Ghost and Horror Stories Bram Stoker, 2012-08-03 While best known for literature's greatest, most popular, and most famous vampire novel, *Dracula*, Bram Stoker also wrote superlative short stories. Indeed, he was a genius at creating horror within the confines of a short tale. Now readers can sample Stoker's mastery in this treasury of fourteen spine-tingling stories. Not all the selections deal with the ghostly and supernatural, but they are always bizarre, and some like *The Squaw* and *The Burial of the Rats* are equal to Poe at his best. In addition to these two masterly tales, the collection includes *The Crystal Cup*, *The Chain of Destiny*, *The Castle of the King*, *The Dualists* (probably Stoker's most horrifying story), *The Judge's House*, *The Secret of the Growing Gold*, *A Dream of Red Hands*, *Crooken Sands*, *Dracula's Guest*, and three more. Lovers of occult and supernatural fiction will delight in this inexpensive collection of ghost and horror stories called by Stephen King absolutely champion short stories.

**FAMOUS MODERN GHOST STORIES** ed. Dorothy Scarborough,2009-02-15 Fifteen ghost stories from writers like Edgar Allan Poe Guy de Maupassant Ambrose Bierce Algernon Blackwood and many others **Famous Modern Ghost Stories** Various,2015-10-15 Ghosts are the true immortals and the dead grow more alive all the time Wraiths have a greater vitality to day than ever before They are far more numerous than at any time in the past and people are more interested in them There are persons that claim to be acquainted with specific spirits to speak with them to carry on correspondence with them and even some who insist that they are private secretaries to the dead Others of us mortals more reserved are content to keep such distance as we may from even the shadow of a shade But there s no getting away from ghosts nowadays for even if you shut your eyes to them in actual life you stumble over them in the books you read you see them on the stage and on the screen and you hear them on the lecture platform Even a Lodge in any vast wilderness would have the company of spirits Man s love for the supernatural which is one of the most natural things about him was never more marked than at present You may go a ghosting in any company to day and all aspects of literature novels short stories poetry and drama alike reflect the shadeless spirit The latest census of the haunting world shows a vast increase in population which might be explained on various grounds Life is so inconveniently complex nowadays what with income taxes and other visitations of government that it is hard for us to have the added risk of wraiths but there s no escaping Many persons of to day are in the same mental state as one Mr Boggs told of in a magazine story a rural gentleman who was agitated over spectral visitants He had once talked at a s ance with a speaker who claimed to be the spirit of his brother Wesley Boggs but who conversed only on blue suspenders a subject not of vital interest to Wesley in the flesh Still Mr Boggs reflected I m not so darn sure In answer to a suggestion regarding subliminal consciousness and dual personality as explanation of the strange things that come bolting into life he said It s crawly any way you look at it Ghosts inside you are as bad as ghosts outside you There are others to day who are not so darn sure **Famous Modern Ghost Stories** Anonymous,2020-09-28 After leaving Vienna and long before you come to Buda Pesth the Danube enters a region of singular loneliness and desolation where its waters spread away on all sides regardless of a main channel and the country becomes a swamp for miles upon miles covered by a vast sea of low willow bushes On the big maps this deserted area is painted in a fluffy blue growing fainter in color as it leaves the banks and across it may be seen in large straggling letters the word S mpfe meaning marshes In high flood this great acreage of sand shingle beds and willow grown islands is almost topped by the water but in normal seasons the bushes bend and rustle in the free winds showing their silver leaves to the sunshine in an ever moving plain of bewildering beauty These willows never attain to the dignity of trees they have no rigid trunks they remain humble bushes with rounded tops and soft outline swaying on slender stems that answer to the least pressure of the wind supple as grasses and so continually

shifting that they somehow give the impression that the entire plain is moving and alive For the wind sends waves rising and falling over the whole surface waves of leaves instead of waves of water green swells like the sea too until the branches turn and lift and then silvery white as their under side turns to the sun Happy to slip beyond the control of stern banks the Danube here wanders about at will among the intricate network of channels intersecting the islands everywhere with broad avenues down which the waters pour with a shouting sound making whirlpools eddies and foaming rapids tearing at the sandy banks carrying away masses of shore and willow clumps and forming new islands innumerable which shift daily in size and shape and possess at best an impermanent life since the flood time obliterates their very existence Properly speaking this fascinating part of the river s life begins soon after leaving Pressburg and we in our Canadian canoe with gipsy tent and frying pan on board reached it on the crest of a rising flood about mid July That very same morning when the sky was reddening before sunrise we had slipped swiftly through still sleeping Vienna leaving it a couple of hours later a mere patch of smoke against the blue hills of the Wienerwald on the horizon we had breakfasted below Fischeramend under a grove of birch trees roaring in the wind and had then swept on the tearing current past Orth Hainburg Petronell the old Roman Carnuntum of Marcus Aurelius and so under the frowning heights of Theben on a spur of the Carpathians where the March steals in quietly from the left and the frontier is crossed between Austria and Hungary
