Magruder,1971 *Everything Happens for the Best* Philip R. Mitchell,2022-02-03 On a warm August evening Phil drove his 56 Chevy down Interstate 96 heading for home He had completed the last of the coursework required for his college degree and as his headlights brightened the road ahead he felt he was at a boundary separating stages of his life college and work Two emotions surfaced for him appreciation and disgust He thought about the education he was completing From kindergarten through high school and college he benefited from public education He had worked hard to learn and earn for college expenses but still felt gratitude for the majority of the costs borne by the taxpaying citizens He wanted to pay back with some form of community service The advice of President Kennedy Ask not what your country can do for you but rather what you can do for your country gave him the direction he sought He would apply to be a Peace Corps volunteer where his training as a math teacher surely would be needed Now his thoughts turned to his dissatisfaction with his dating behavior The sexually exploitive manner he had been treating girls and women since his high school days was dissonant with the image he portrayed to the public A fresh start away from his home and country could provide the setting to engineer a wholesome and just manner to behave in a relationship The phrase Get thyself to a nunnery popped into his head So the Peace Corps would be his pathway to dealing with these twin goals He was eager to talk to his parents and to set his plan into action The murder that fall of President Kennedy saddened him and the nation to the core but renewed his resolve to go forward Peace Corps training at UCLA was more rigorous than he d imagined It was like cramming a college education into four months It was made even more difficult by his falling in love with
