Spence Catherine Helen Spence, Susan Magarey, 2005 Catherine Helen Spence an unparalleled advocate of women's rights in Australia and the world is now recognized as an important predecessor to the Feminist movement Her autobiography composed while on her deathbed and enhanced with scholarly annotation from two Spence scholars reveals a woman both in and ahead of her time

Big Men and Great Men Maurice Godelier, Marilyn Strathern, 1991 4e de couverture The societies of Melanesia have been a constant stimulus to anthropological theory In this collection of essays anthropologists who have worked in all parts of the Melanesian region of the Pacific bring their expertise to bear on a single theoretical issue This is a hypothesis formulated by Maurice Godelier concerning the relationship between power kinship and wealth Although tightly focused on Godelier's work the book opens up a major enquiry into the constitution of society in a part of the world where men of prominence come to personify the nature of power Big men entrepreneurs of exchanges and great men who flourish in societies characterised by restricted exchanges and ritual complexity appear to belong to quite different systems This book considers how substantial the difference between them really is There are many accounts of political systems in Melanesia but nothing quite like the comparative synthesis offered here This exercise also raises more general issues concerning the unity of Melanesia and about the potential of the comparative method in anthropology

Best Man's Duties Chris Akerman, 2014-03-20 Being asked to be a best man is a great honour but there's the terrifying prospect of giving the speech There's the stag party to organise but where do you start Then there are all those other duties not to mention the general support you'll need to give the groom Pretty soon you may be feeling a bit overwhelmed and start to wonder how you can get out of it Well I'm afraid that's generally not an option as in this case the groom is like Don Corleone in the Godfather he has made you an offer you can't refuse This book will help you rise to the challenge Written in an informal and lively style it guides you through all your duties from comprehensively exploring the options for the stag party to ensuring you are fully prepared to deliver a great speech on the day to help with this the book includes 10 original entertaining and inventive sample speeches Its detailed guidance should ensure that anyone chosen to be best man will be able to fulfil the role with confidence and in doing so really enjoy the experience
