Moody** James F. Findlay,2007-09-01 No one can claim to understand the American social and religious mind of the last half of the nineteenth century who does not understand sympathetically what evangelist Dwight L Moody and his career represented Moody was an entrepreneur a self made man a living expression of much that was hearty and some of what was crass about religion in his day This is the first biography to place him fully within the context of the broad social theological and cultural developments of his time Most of the existing biographical literature about Moody is either simplistically eulogistic or sarcastically hostile These polar views reflect the split that occurred within the Protestant church between fundamentalists and modernists during and after Moody s career It is with an objective overview of these divergencies that the author has prepared his biography Mr Findlay demonstrates how Moody s outlook evolved from the small town framework of early nineteenth century New England and developed into the mainstream of American evangelicalism In the rising cities of Boston and Chicago he concentrated his efforts to urbanize revivalism as part of a general struggle to adapt a traditional faith to a rapidly changing external environment After his triumphant revival crusades of the 1870s the impact of his style and message faded before the progressive liberal approach to religion that was to shape twentieth century Protestantism The present biography of this great evangelist is far superior to any other both for its scholarly approach in determining the place of evangelicalism in American social and religious history and for its portrayal of the overpowering impact of Moody s personality It will be particularly fascinating to those interested in American social history and the history of evangelism the man and the movement      The Life and Works of the World's Greatest Evangelist, Dwight L. Moody Dwight Lyman Moody, 1989     *The Life of Dwight L. Moody* William Revell Moody, 2001-06 Moody lived solely for the glory of God

and for the spread of the Gospel of Jesus Christ It is the earnest prayer of his family that in this record of his career his life s purpose may be conserved Mr Moody was a born teacher He was also a great learner His capacity for drawing out information from people with whom he came in contact was marvelous Early in his public speaking he would gather around him Bible teachers evangelists and pastors secure their best thoughts on some subject upon which he was to speak and then go directly from such a conference to a meeting to deliver a heart searching sermon the actual material for which he had secured from his friends absorbed and made his own In answer to an inquiry how far a young man was at liberty to use other mens thoughts he replied Always give due credit if you can and if you cant or if you dont want to mention the mans name say Some one has said Dont be afraid of using other mens thoughts The chances are that the man you get it from read it in some other form There is practically very little that is original and its better to give the best of others thoughts than what is poor even if it is original As a preacher D L Moody was much criticized from the standpoint of academic homiletics Nor would any think of defending his preaching method on that ground But the fact that for thirty five continuous years in the centers of culture and of active practical thought in the English speaking world this self taught preacher drew the greatest audiences which have faced any modern speaker on any theme this fact should suggest to teachers of homiletics that possibly they might learn something from him Dwight Lyman Moody 1837 1899 was an American evangelist who toured major American and British cities and founded several educational institutions **The Best of D.L. **Crusade in the City** Marion L. Bell,1977 This book addresses the religious life of Philadelphia watches as revivalists come and go from 1828 to 1876 and examines the impact of revivals in the city Mass revivalism was touted as the solution to cities social problems so the account of the close relationship between the YMCA movement and revivalism is appreciated Meanwhile America s middle class evangelical majority caught in the web of an individualistic ideology persisted in ignoring the destruction of community as the cities grew in complexity anonymity and ethnic and class divisiveness While depending rather too heavily on a great man approach to revivalism in Philadelphia in confirming in a very specific well documented manner the inconsistencies in revivalistic preaching and the gap between goals means and ends in urban mass evangelism this work is a significant contribution to the study of American religious history **The Minister's Life of Obedience** Phillip Gary Richards,2005-04 Written from the heart and in easy to understand language The Minister s Life of Obedience will inspire you and challenge you to greater obedience in your daily walk with God **The Heart of the Gospel** Bernie Van De Walle,2009-01-01 The Fourfold Gospel most often associated with Albert B Simpson founder of The Christian and Missionary Alliance which focuses on the doctrines of Christ as Savior Sanctifier Healer and Coming King has been identified as a key contributing factor to the birth and development of the modern Pentecostal movement Through a close observation of the doctrinal themes of select and renowned Evangelical leaders in America A J Gordon of Boston D L Moody of Chicago A T Pierson of Philadelphia Detroit and A B Simpson of New York this work shows that the Fourfold Gospel and therefore the

theological source for modern Pentecostalism rather than being a marginal movement within late nineteenth century Evangelicalism was instead its very heart

Moody, 2018-08-21 The preparation of my Father s biography has been undertaken as a sacred trust Early in the spring of 1894 he was asked by an old friend for permission to issue a biography with his approval This my Father declined to do and on that occasion expressed the wish that I should assume the task when his life work was ended In reply to my objection that such an undertaking demanded a literary experience that I did not possess he said I don t care anything about that What I want is that you should correct inaccuracies and misstatements that it would be difficult to straighten out during my life You are the one to do this All my friends will unite on you and give you their assistance There are many who think they know me better than any one else and would feel themselves best able to interpret my life IF you do not do this work there will be many inaccurate and conflicting Lives From the Introduction
