Kashmir A K Ganguly,2019-05-16 Kashmir has always been in the midst of geopolitical hullabaloo due to its pending UN Resolution and now the demand of Azadi Freedom which became more pronounced after the inception of insurgency in the State in 1987 88 If we look into the issue in reality it is a bilateral issue between India and Pakistan if the legality reason is applied then there is no doubt that India s stance is most legitimate The people of Kashmir have invited the Jihad into Indian Kashmir Region and declared Azadi as a war of freedom through the Pakistan sponsored militancy and radicalisation of the society on communal lines by the militant organisations and separatists In the present environment the stakeholders are at a tangent and it is mainly because the main stakeholder the

people of Kashmir are uncertain and confused the total population is not part of the Azadi freedom thus there is vagueness and the vision of Azadi freedom is very blurred The other stakeholders are either taking advantage of the people s sentiments or going by their own agenda of self interest or lack the will to take initiatives to resolve the Kashmir issue which meets their personal ends In this book the chapters are based on the stakeholders and their participation in the Kashmir embroil The basic contents are based on the issues that have made Kashmir an affair of continued existence by various stakeholders the creation of an environment of stalemate and prevailing status quo without any changes none of the stakeholders are ready to budge or lose their turf Written in a simple and lucid manner the narratives made interesting with historical facts quotations and factual as prevailing in Kashmir **Dungeon or Daylight** Anupama Goswami,2024-09-28 Alice Bugg A Journey

disputes rooted in colonial era boundaries In Japan she encounters Dr Bryan Freeman a culinary historian whose passion for preserving vanishing foodways mirrors her own burgeoning desire to reclaim her fragmented heritage As Amaya delves deeper she uncovers the truth about her father s death a truth that places her directly in the crosshairs of those who profit from division Her journey culminates in the very region where her father lost his life where she discovers a hidden community living beyond the confines of national identity a testament to the borderless world he envisioned Amaya s quest is not for a place on a map but for a place within herself It s a journey of self discovery fueled by the spices of memory and the enduring power of love a journey that culminates in a profound understanding home is not a destination but a state of being a recipe for a borderless world written in the language of shared humanity **The Kashmir Hand-book** John Ince,1876 ,
