Best and Worst Travels Ramon Carver, 2007-04 Carver writes in a style not unlike Bill Bryson candidly regaling readers with tales of his worst experiences Some of the worst were worse than others as well as the best I enjoyed a great Abercrombie Kent trip to China because it was a great adventure a great itinerary a great tour group with a great tour director great hotels except for a noisy Sheraton in Guilin great weather and great tour management Seven greats out of seven ain't bad He says Great expectations when traveling are usually the source of my greatest disappointments I'm like the guy in a New Yorker cartoon studying a brochure telling his travel agent I am so looking forward to this I can't wait to be disappointed He writes How to Survive Disasters like Theft Accidents etc and at the risk of seeming disingenuously obvious he provides an exhaustive list covering every possible thing that can go wrong Getting Sick Getting Killed Getting Lost etc offering suggestions for solving dilemmas He concludes with Did I fail to mention Getting Bored to Death He describes trips with Yale Exes and travels to Italy China and Romania where he taught English with Global Volunteers

The Best and Worst Country in the World Stephen Adams, 2001 From its earliest days the Virginia landscape has elicited dramatically contradictory descriptions The sixteenth century poet Michael Drayton exalted the land as earth's only paradise while John Smith in his reports to England summarized the area around Jamestown as a miserie a ruine a death a hell Drawing upon both familiar history and lesser known material from deep geological time through the end of the seventeenth century Stephen Adams focuses on both the physical changes to the land over time and the changes in the way people viewed Virginia The Best and Worst Country in the World reaches well beyond previous accounts of early American views of the land with the inclusion of fascinating and important pre 1700 sources Native American perceptions and prehuman geography and geology A blend of history literature geology geography and natural history enriched by illustrations ranging from a dinosaur footprint to John Smith's famous Map of Virginia Adams's work offers an ecocritical exploration of the varied preconceptions that have shaped and colored the human relationship with the best and worst country in the world the early Virginia landscape

Being at Your Best When Your Kids Are at Their Worst Kim John Payne, 2020-09-29 A practical meditative approach that can be used in the moment to help you stay calm and balanced when your child's behavior is pushing you to your limit by the popular author of Simplicity Parenting When children are at their most difficult and challenging situations arise how can we react in a way that reflects our family values and expectations Often when children push our buttons we find ourselves reacting in ways that are far from our principles often further inflaming a situation When our children are at their worst they need us to be at our best or as close to it as we can be Educator and family counselor Kim John Payne author of Simplicity Parenting offers techniques that

simply and directly shift these damaging patterns in communication and parental behavior These grounded and practical strategies will help you Slow down the interaction Be more in control of your reactions Open up a much wider range of helpful responses Sense what your child s deeper needs are even though they are misbehaving Respond in a way that gives your child a feeling of being heard and still puts a boundary in place Payne s meditative approach can be done anywhere anytime it lifts you out of old unwanted patterns of action reaction and prepares you so that the voice you speak with is closer to the parent you want to be His concrete and simple techniques can help you and your children be at your best even in the most challenging of times

Good Humor, Bad Taste Giseline Kuipers, 2011-12-22 Good Humor Bad Taste is the first extensive sociological study of the relationship between humor and social background Using a combination of interview materials survey data and historical materials the book explores the relationship between humor and gender age regional background and especially humor and social class in the Netherlands The final chapter focuses on national differences exploring the differences between the American and the Dutch sense of humor again using a combination of interview and survey materials The starting point for this exploration of differences in sense of humor is one specific humorous genre the joke The joke is not a very prestigious genre in the Netherlands even less so than in the US It is precisely this lack of status that made it a good starting point for asking questions about humor and taste Interviewees generally had very pronounced opinions about the genre calling jokes their favorite kind humor but also completely devoid of humor and a form of intellectual poverty Good Humor Bad Taste attempts to explain why jokes are good humor to some bad taste to others The focus on this one genre enables Good Humor Bad Taste to have a very wide scope The book not only covers the appreciation and evaluation of jokes by different social groups and in different cultures and its relationship with wider humor styles It also describes the genre itself the history of the genre its decline in status from the sixteenth century onward and the way the topics and the tone of jokes have changed over the last fifty years of the twentieth century

In Good Times and Bad M. Gary Neuman, Melisa Neuman, 2009-09-17 How to maintain a strong marriage no matter what comes your way Now more than ever couples are facing tough times that can impact on even the strongest of marriages In *In Good Times and Bad* family counselor and relationships expert M Gary Neuman and his wife Melisa take a look at one of the biggest issues couples face money management and give you the tools you need to deal with whatever financial challenges come your way The Neumans explain why it s so important to talk about money in your marriage and offer strategies on how to discuss this often avoided topic No matter what your age or how long you ve been together *In Good Times and Bad* will teach you how to come together when it matters most Learn what money means to you and how to strengthen your marriage even during challenging times Includes strategies for dealing with other tough times such as grieving or serious illness From the author of the New York Times bestseller *The Truth about Cheating* *In Good Times and Bad* is the tool you need to ensure your relationship remains strong through all of life s ups and downs Federal Probation ,1966 Russell Howard: The Good News, Bad News - The Biography Abi Smith, 2017-10-26 Good news Russell Howard fans It s time to take a butcher s into the mad rib tickling insane yet lovable world of the one of the UK s favourite comedians Abi Smith heads deep into the West Country to discover how people from as far as Midsomer Norton Somerset to Minneapolis USA fell in love with this energetic mesmerising boyishly blond Bristolian How exactly has Russell the kid who used to sleep with his underpants on his head in an effort to cure his acne become the geezer who is now headlining shows at the O2 Arena Wembley and the Royal Albert Hall How has the timid boy who wouldn t speak at family gatherings because he was too shy become a TV panel show heavyweight How has the teen who wore his jeans back to front because he thought he looked like a cool rapper become an award winning stand up with a string of worldwide sell out tours to his name He might describe himself as the munter of all his friends with his wonky teeth and lazy eye but there is something rather special about this good natured good fun dude whose favourite topics of stand up quite often include his mother s hilarious antics One things for sure he might have been bullied at school had haircuts from hell and missed out on a career as a footballer but he is certainly having the last laugh now and we are in the front row laughing out loud with him **So Much Bad in the Best of Us** Greta Fisher, 2022-09-06 From supreme president to forgotten enemy John W Talbot lived a remarkable life Charismatic energetic and powerful he founded a national fraternal organization the Order of Owls and counted senators congressmen and business leaders among his friends He wielded his influence to help causes close to his heart but also to bring down those who stood against him In *So Much Bad in the Best of Us* Greta Fisher s careful research reveals that Talbot was capable of great evil

causing one woman to describe him as the Devil Incarnate His string of very public affairs revealed his strange sexual preferences and violent tendencies and charges leveled against him included perjury blackmail jury tampering slander libel misuse of the mail assault with intent to kill and White slavery Ultimately convicted on the slavery charge he spent several years in Leavenworth penitentiary and eventually lost everything including control of the Order of Owls His descent into alcoholism and death by fire was a fitting end to a tumultuous and dramatic life After 50 years of newspaper headlines and court battles Talbot's death made national news but with more enemies than friends and estranged from his family he was ultimately forgotten A gripping true crime story So Much Bad in the Best of Us offers a mesmerizing account of the life of John W Talbot the Order of Owls and how quickly the powerful can fall The Good, the Bad, and the Ugly Ray Hartley, Greg Mills, Mills Soko, 2023-08-15 South Africa is facing an extraordinary polycrisis The dimensions of this crisis include an energy collapse a failing rail network weak education outcomes an interrupted water supply and the effects of decades of endemic corruption that have brought much of government to a halt But the country also has incredible assets a wealth of sought after minerals an enviable Constitution that protects rights and advocates social inclusion an advanced financial and services sector thriving agricultural and auto industries that compete with the best in the world a prosecution service that is rapidly rebuilding and most of all strong willed people determined to make life better through hard work entrepreneurship and hustling The choice is stark we either build on the positives and take the country forward or we will be overwhelmed by the negatives and end up as another Zimbabwe or Venezuela We have the people the policies and the resources What is missing is the political will to make the difficult choices that will save South Africa from disaster This book takes you on a journey that ends with one of three possible future scenarios the Good the Bad or the Ugly Compiled by The Brenthurst Foundation and In Transformation Initiative and workshopped with high powered leaders in business and politics the scenarios have stimulated intense public interest as the country grapples with its mounting problems The good news is that there is a clear road towards a positive future It will take courageous leadership and smart thinking to get there but the Good scenario is tantalisingly within grasp **The Good, the Bad, & the Ugly: New York Rangers** Steve Zipay, 2008-10-01 The Good the Bad the Ugly includes the best and worst teams and players of all time the most clutch performances and performers the biggest choke jobs and chokers great comebacks and blown leads plus overrated and underrated players and coaches What Is a Rangers game like Steve Zipay knows **The Political Power of Bad Ideas** Mark Lawrence Schrad, 2010-03-24 In The Political Power of Bad Ideas Mark Schrad uses one of the greatest oddities of modern history the broad diffusion throughout the Western world of alcohol control legislation in the early twentieth century to make a powerful argument about how bad policy ideas achieve international success His could an idea that was widely recognized by experts as bad before adoption and which ultimately failed everywhere come to be adopted throughout the world To answer the question Schrad utilizes an institutionalist approach and focuses in particular on the United States Sweden and Russia the USSR Conventional wisdom

based largely on the U S experience blames evangelical zealots for the success of the temperance movement Yet as Schrad shows ten countries along with numerous colonial possessions enacted prohibition laws In virtually every case the consequences were disastrous and in every country the law was ultimately repealed Schrad concentrates on the dynamic interaction of ideas and political institutions tracing the process through which concepts of dubious merit gain momentum and achieve credibility as they wend their way through institutional structures He also shows that national policy and institutional environments count the policy may have been broadly adopted but countries dealt with the issue in different ways While The Political Power of Bad Ideas focuses on one legendary episode its argument about how and why bad policies achieve legitimacy applies far more broadly It also extends beyond the simplistic notion that ideas matter to show how they influence institutional contexts and interact with a nation s political actors institutions and policy dynamics

Multi-criteria Decision Making Methods Evangelos Triantaphyllou, 2013-03-09 Multi Criteria Decision Making MCDM has been one of the fastest growing problem areas in many disciplines The central problem is how to evaluate a set of alternatives in terms of a number of criteria Although this problem is very relevant in practice there are few methods available and their quality is hard to determine Thus the question Which is the best method for a given problem has become one of the most important and challenging ones This is exactly what this book has as its focus and why it is important The author extensively compares both theoretically and empirically real life MCDM issues and makes the reader aware of quite a number of surprising abnormalities with some of these methods What makes this book so valuable and different is that even though the analyses are rigorous the results can be understood even by the non specialist Audience Researchers practitioners and students it can be used as a textbook for senior undergraduate or graduate courses in business and engineering
