Developmental Contexts W. Andrew Collins, Brett Laursen, 1999-03-01 The volume's topic was chosen in part because of the rapidly growing salience of dyadic research perspectives in developmental psychology but also in social psychology and in fields such as communication and family studies. It provides the most complete representation now available on current theory and research on the significance of personal relationships in child and adolescent development. This volume addresses the ways in which the study of social development has been altered by an emphasis on research questions and techniques for studying children and adolescents in the context of their significant dyadic relationships. Leading scholars, many of them pioneers in the concepts and methods of dyadic research, have contributed chapters in which they both report findings from recent research and reflect on the implications for developmental psychology. Their work encompasses studies of relationships with parents, siblings, friends, and romantic partners. Opening chapters set the stage by describing the key characteristics of social development research from a dyadic perspective and outlining key themes and contemporary issues in the field. It concludes with commentaries from distinguished senior scholars identifying important directions for future research.

Whiskey Tribute: A Steamy Small-Town Best Friend's Widow Romance Samantha Cole, A promise between best friends. Curt never thought he'd be forced to keep a pledge to watch over Eric's family, but an assassin made that vow a harsh reality. Eighteen months later, he's still keeping an eye on them, but somewhere along the line, his feelings for the pretty widow have shifted. Dana had been both a mother and a father to her children during her husband's multiple deployments, but once he retired, she'd thought those days were over. She was wrong. While his SEAL teammates have been there for her, one of them stands above all the rest: the man who is slowly invading her dreams. They started as friends, but now both want more. Can they move past the feeling that they're betraying a dead man by wanting each other? Or is Eric always going to stand between them?

Rising Stars in Child Mental Health and Interventions Yael Dvir, Ujjwal Ramtekkar, 2024-11-11 We are delighted to announce a call for submissions to the forthcoming *Rising Stars in Child Mental Health and Interventions* Research Topic. This article collection will showcase the work of internationally recognized researchers in the early stages of their independent careers. We aim to highlight research by leading researchers and clinicians of the future across the entire breadth of the child mental health field and present advances to compelling problems. Please note: contributions to the collection are by invitation only. Please inform the Editorial Office at childandadolescentpsychiatry.submissions@frontiersin.org once you are prepared to submit. We are happy to receive a range of manuscript types, such as original research, reviews, mini reviews, opinions, and hypotheses on various topics related to child mental health and interventions.
