Balance - The New Religion: A chance to Mine the Diamond within You... Aayushi Mehta, 2022-11-01

On a late night in November, I saw my whole life flash before me. Everything that I worked towards was taken away in a split second. I lost my first year at university, my friends, and most importantly, myself. The cause for this was Psychosis. You must be thinking, what exactly is that? That is one of the reasons for the existence of this book. Sure, you can Google the illness and learn the symptoms, but the true experience of a young girl who underwent these symptoms is what this book beholds. Dealing with mental health and eventually suffering from Psychosis is broken down into experiences and life lessons. This book destigmatises mental health by depicting the journey of rediscovering myself and the search for the soul beneath my flesh. When an individual soul is silently trying to fit into the normalcy of the external world's realities, they can encounter hurdles in many different forms, but for those in loss of hope, self-love, and ambition, this book is the cure.

Daughter Mine, Herbert Gold, 2025-06-25

Dan Shaper, a bachelor translator for the San Francisco courts, is a man who has worn the same raincoat for fifteen years, eats the same breakfast in the same coffeeshop every morning, occasionally sees a few long-time men friends, and vaguely regrets a handful of former women lovers. In the sixties and seventies, Shaper was where the action was in San Francisco, where else? He joined in the festivities if moderately. But that was a long time ago. There are those who have drug flashbacks even years after they've been using. Shaper has escaped those thanks to his moderation. But into his relatively Spartan life now comes a flashback of another kind: a nineteen-year-old daughter whose existence he never suspected. Her mother was an overnight acquaintance whom, with some effort, he manages barely to recall. The daughter's name is Amanda, and her phone call sends Shaper's drab, gray existence into dazzling Technicolor. Amanda arrives trailing a motley band of associates: a con man who explains his activities on his gypsy heritage, except that he may not have one; his blatantly seductive daughter; Amanda's boyfriend, D Wayne, a street-smart and usually genial black giant. The con man owns what he has named The Yerba Buena Foundation, dedicated to helping businessmen relieve stress; his daughter, well, she runs the place. D Wayne is the house's security man. Others turn up segueing from various areas of Shaper's life. Amanda, part typical teenager, part young receptacle of ancient wisdom, is currently employed as a therapist at the Foundation. Shaper plunges into this personal mosh pit like a repentant sinner at a river baptism, the shock of his plunge awakening him to the realization that there's more in life than was dreamed of in his philosophy. Gold has been blessing readers with his contemplation of the human condition for many years. In this novel, his lovely humor and deep understanding illuminate how a man walking a barren highway may react when fate
