Clancys Tree:

Clancys Tree Donna Carufel,2002-05-01 Clancy loved the big pine tree outside her grandmother s home but big changes occur when some men become interested in the tree The Mother of the Hoboes A-No. 1 The Famous Tramp,2011-10-31 Self published in 1918 The Mother of the Hoboes is an extremely rare book about the life of train vagabonds culled from the personal experiences of A No 1 the famous tramp This is a dazzling and wild window into an underground culture that has largely vanished although some of the adventures may feel familiar to contemporary train hoppers squatters and zinesters Includes many illustrations Warning to Those Who Read this Book the Author who Has Led for Over a Quarter of a Century the Pitiful and Dangerous Life of a Tramp gives this Well Meant Advice DO NOT Jump on Moving Trains or Street Cars even if only to ride to the next street crossing because this might arouse the Wanderlust besides endangering needlessly your life and limbs Wandering once it becomes a habit is almost incurable so NEVER RUN AWAY but STAY AT HOME as a roving lad usually ends in becoming a confirmed tramp The Death Shot Mayne Reid,2019-12-12 In The Death Shot Mayne Reid masterfully weaves a tale of adventure and intrigue set against the backdrop of the American wilderness The narrative revolves around a gripping quest to uncover the identity of a mysterious assassin who has left a trail of death in his wake Reid s distinct literary style characterized by vivid descriptions and an engaging pace invites readers into a world where danger lurks at every turn This novel exemplifies the popular adventure genre of the 19th century rich in action and psychological depth reflecting both the moral dilemmas of the era and the thrill of exploration Mayne Reid an Irish American author known for his captivating adventure narratives was deeply influenced by his own experiences as a hunter and explorer Having traveled extensively across the Americas Reid s keen understanding of the region s landscapes and cultural nuances infuses his works with authenticity His background not only informed his storytelling but also his fascination with the complexities of human nature which is evident in the characters that populate The Death Shot I wholeheartedly recommend The Death Shot to fans of adventure literature and those intrigued by tales of moral complexity and suspense Reid s ability to create a compelling narrative combined with his rich knowledge of the settings he depicts offers readers an immersive experience that remains relevant and exciting today **The Games Machines** , The Deserter, and From the Ranks Charles King,1887 **The Deserter** Charles King,1887 The Death-shot: a Tale Retold Mayne Reid,1888 **Chaucer's Afterlife** Kathleen Forni,2013-03-13 This study explores Chaucer s present day cultural reputation by way of popular culture In just the past two decades his texts have been adapted to a wide variety of popular genres including television stage comic book hip hop science fiction horror romance and crime fiction This cultural recycling involves a variety of functions but Chaucer s primary association is with the idea of pilgrimage and the prevailing tenor is populist satire The target is not only cultural elitism but also the dominant discourse of professional Chaucerians Academics in turn may have doubts about the value of popular Chaucer popular culture theory however would maintain that such skepticism has less to do with critical

discrimination than the assertion of social distinction Nonetheless the fact that Chaucer has a popular afterlife and remains an ideological product over which competing groups lay claim attests to his current cultural vitality **The Liberty Tree**

Suzanne Harrington,2013-07-04 Suzanne Harrington did all the things that adults do long before she d grown up met Leo married had babies She also partied was homeless for a while and drank and drank She headed towards disintegration with Leo at her side locked deep in himself Then waking to the wreckage of yet another lost weekend she stopped drinking and Leo her companion and enabler became a stranger They separated Newly sober and freed from her demons Suzanne embraced life Leo chose escape Early one morning the police arrived A body had been found hanging from a tree When it was all over and Suzanne had buried Leo and helped her children to grieve she sat down and wrote the story of their father s life This is for them It is for the memory of Leo It is also for anyone who has partied too hard found life unbearable avoided the truth It is like nothing you have read before or will read again It is touching hilarious brutally honest and utterly compelling

Brothers Andrew Blauner,2010-04-19 The next best thing to not having a brother as I do not is to have Brothers Gay Talese Here is a tapestry of stories about the complex and unique relationship that exists between brothers In this book some of our finest authors take an unvarnished look at how brothers admire and admonish revere and revile connect and compete love and war with each other With hearts and minds wide open and in some cases with laugh out loud humor the writers tackle a topic that is as old as the Bible and yet has been heretofore overlooked Contributors range in age from twenty four to eighty four and their stories from comic to tragic Brothers examines and explores the experiences of love and loyalty and loss of altruism and anger of competition and compassion the confluence of things that conspire to form the unique nature of what it is to be and to have a brother Brother One of our eternal and quintessential terms of endearment Tobias Wolff writes The good luck of having a brother is partly the luck of having stories to tell David Kaczynski brother of The Unabomber I ll start with the premise that a brother shows you who you are and also who you are not He s an image of the self at one remove You are a we with your brother before you are a we with any other Mikal Gilmore refers to brotherhood as a fidelity born of blood We ve heard that the apple doesn t fall far from the tree But where do the apples fall in relation to each other And are we in fact our brothers keepers after all These stories address those questions and more and are like the relationships full of intimacy and pain joy and rage burdens and blessings humor and humanity Ernest
