In Praise of Disobedience Dacia Maraini,2023-01-13 An author receives a mysterious e mail begging her to tell the story of Clare of Assisi the thirteenth century Italian saint At first annoyed by the request the author begins to research Saint Clare and becomes captivated by her life We too are transported into the strange and beautiful world of medieval Italy witnessing the daily rituals of convent life At the center of that life is Saint Clare a subversive and compelling figure full of contradictions a physically disabled woman who travels widely in her imagination someone unforgivingly harsh to herself yet

infinitely generous to the women she supervises a practitioner of self abnegation who nevertheless knows her own worth A visionary who liberated herself from the chains of materialism and patriarchy Saint Clare here becomes an inspirational figure for a new generation of readers

Healing Childhood Ear Infections Michael A. Schmidt, 1996 Ear infections are still the leading reason parents take their child to a doctor To combat infections parents and doctors employ arsenals of antihistamines and antibiotics and too quickly resort to ear tubes and surgery In this updated and revised second edition of his bestselling *Childhood Ear Infections* Dr Michael Schmidt describes the current controversy in medical journals questioning existing treatments for chronic earaches The causes of otitis media Dr Schmidt argues are a series of events which flourish when poor nutrition occurs the immune system is lowered excess mucus is produced and vitamin and mineral absorption is inadequate Careful attention to diet and nutrition to prevent food allergies and the use of acupuncture homeopathic medicine and herbal medicine are effective in healing earaches and preventing their recurrence *Healing Childhood Ear Infections* offers the most compelling critique to date of existing treatments and the effectiveness of alternative therapies

Thick and Thin Sarah Harte, 2013-01-10 *Thick and Thin* is the follow up to Sarah Harte s hit debut *The Better Half* and it is a gripping story of what happens between life long friends when their world is hit by a bombshell It combines the compulsive what would you do appeal of a Jodi Picoult novel with wonderfully sharp social observation and real heart As students Marianne Dillon and Clare McMahon become instant and unlikely friends Marianne s generosity and Clare s steadfastness are the glue of a friendship that sees them through twenty five years of love and loss successes and disappointments marriage and motherhood The secret of their friendship they believe is that they are complete opposites But when a life altering crisis hits their relationship a crisis that involves their husbands children and indeed the lives they have

created the crack that was there all along tears them apart Each must face catastrophe without the support of the best friend she would always turn to Is it possible that a relationship that was so central to their lives was built on sand And can they rescue something from the wreckage Sarah Harte s debut *The Better Half* had critics raving about her ability to get under the skin of women who appear to have it all but underneath are barely coping in their gilded cages *Thick and Thin* is an even more thought provoking and ambitious story set in the same shiny world
