Clare Of Assisi A Biographical Study:

Clare of Assisi Ingrid J. Peterson, 1993 Although it is frequently said that Clare followed Francis the story of Clare begins with a call from God and her response which came from an inward gaze The starting point of Clare's life was the God she found dwelling within her flesh a God whose traces later in time she came to recognize in Francis Clare's vision greatness and sanctity need to be considered in the context of the large cultural and religious movement of holy women of the Middle Ages who were leading saintly lives in diverse places many in their domestic settings Clare was one of these holy women in an era known for the feminization of sanctity Clare's sainthood is valid in her own right without a Francis of Assisi from the author's Introduction *Clare of Assisi* Ingrid Peterson, 1998 **The Cult of St Clare of Assisi in Early Modern Italy** Nirit Ben-Aryeh Debby, 2017-07-05 Notwithstanding the wealth of material published about St Clare of Assisi 1193-1253 in the context of medieval scholarship and the wealth of visual material regarding her there is a dearth of published scholarship concerning her cult in the early modern period This work examines the representations of St Clare in the Italian visual tradition from the thirteenth century on but especially between the fifteenth and the mid-seventeenth centuries in the context of mendicant activity Through an examination of such diverse visual images as prints drawings panels sculptures minor arts and frescoes in relation to sermons of Franciscan preachers starting in the thirteenth century but focusing primarily on the later tradition of early modernity the book highlights the cult of women saints and its role in the reform movements of the Osservanza and the Catholic Reformation and in the face of Muslim-Christian encounter of the early modern era Debby's analyses of the preaching of the times and iconographic examination of neglected artistic sources makes the book a significant contribution to research in art history sermon studies gender studies and theology *Clare of Assisi and the Thirteenth-Century Church* Catherine M. Mooney, 2016-08-10 In a work based on a meticulous analysis of sources many of them previously unexplored Catherine M. Mooney upends the received account of Clare of Assisi's founding of the Order of San Damiano or Poor Clares Mooney offers instead a stark counternarrative Clare her sisters of San Damiano and their allies struggled against a papal program bent on regimenting enriching and enclosing religious women in the thirteenth century a program that proved largely successful Mooney demonstrates that Clare 1194-1253 established a single community that was soon cajoled perhaps even coerced into joining an order previously founded by the papacy Artfully renaming it after Clare's San Damiano with Clare as its putative mother Pope Gregory IX enhanced his order's cachet by associating it also with Clare's famous friend Francis of Assisi Mooney traces how Clare and her allies in other houses attempted to follow Francis's directives rather than the pope's divested themselves of property against the pope's orders and organized in an attempt to change papal rule and she shows how after Francis's death the women's relationships with the Franciscans themselves grew similarly fraught Clare's pursuit of her vision proved relentless at the time of her death she newly identified her community as the Order of Poor Sisters and allied it unambiguously with Francis and his friars Overturning another myth Mooney

reveals how only in the late nineteenth century did Clare come to be known as the sole author of a rule she had written collaboratively with others Throughout the story of Clare and her sisters emerges as a chapter in the long history of women who tried to define their religious identities within a Church more committed to unity and conformity than to diversity and difference

The Cambridge Companion to Francis of Assisi Michael J. P. Robson, 2012 Looks at the life of Francis of Assisi and explores how his heritage influenced the apostolic activities of his followers Studying the Life of Saint Clare of Assisi William Hugo, OFM Cap., Joanne Schatzlein, OSF, 2019-07-15 This one of a kind resource helps readers discover St Clare through a series of crisp chapters that first teach them about the sources for St Clare's life and writings and then apply that knowledge to manageable topics from her life The book provides also an important introduction to feminine spirituality and religious life options for Medieval women This workbook has been successful with high school graduates and Ph.D.s It works for anyone who wants to do a guided study of the life of St Clare of Assisi using primary sources Those benefiting from this unique approach include Franciscans of all kinds especially those in formation programs students of medieval or female spirituality historians of religious life women and men working in Franciscan ministries former pilgrims who have visited Assisi and anyone wanting to learn how different people in the history of the church responded to its changing circumstances Studying the Life of St Clare helps readers understand the Franciscan intuition in ways that move beyond St Francis of Assisi This workbook is most profitably used in conjunction with Clare of Assisi Early Documents

15 days of Prayer with Saint Clare of Assisi Jean Abiven, 2010-12-30 As spiritual guide and director Teresa of Avila placed prayer at the center of the relationship between the human person and God She is best known for her mysticism but this volume presents the many other kinds of prayer that sustain us over the course of our lives She places steadfast trust in God as the cornerstone of a holy life but insists upon intellectual engagement and good judgment objectives this 15 day journey will help readers achieve Teresa of Avila is a faithful mentor for anyone seeking a spiritual education Saint Teresa of Avila a 16th century Carmelite nun and Doctor of the Church withstood tremendous opposition to revive the primitive monastic rule and conditions of poverty hardship and solitude for religious life With Saint John of the Cross Teresa became an influential spiritual director leaving a legacy of classic writings that include The Way of Perfection and The Interior Castle her most complete statement on prayer and contemplation

Great Catholic Reformers, The C. Colt Anderson, 2007 The

Second Vatican Council stated that the church is always in need of purification and renewal but it did not attempt to describe how this process takes place This highly readable book presents lessons on church renewal for today from ten of the most significant reformers in church history By looking at historical models from a variety of historical and cultural contexts this book describes how reform takes place what it looks and sounds like and how it can be effective The Great Catholic Reformers covers the careers of Pope Gregory the Great Peter Damian Bernard of Clairvaux Clare of Assisi Catherine of Siena Jean Gerson Jan Hus Gasparo Contarini John Henry Newman and Dorothy Day This diversity of reformers in our tradition suggests that legitimate reform within the Catholic Church can operate from different spiritualities employ either gentle or harsh critiques use secular or canon law to enforce discipline and begin with lay men and lay women as well as with members of the religious or of the clergy By offering these diverse models The Great Catholic Reformers seeks to encourage every Catholic to take up the difficult task of reform and to provide them with examples that suit their own temperaments It also aims at broadening tolerance for people who follow different approaches to reform Book jacket

The Objectification Spectrum John M. Rector, 2014-06-30 What lies at the heart of humanity's capacity for evil Any tenable answer to this age old question must include an explanation of our penchant for objectifying and dehumanizing our fellow human beings The Objectification Spectrum Understanding and Transcending Our Diminishment and Dehumanization of Others draws upon timeless wisdom to propose a new model of objectification Rather than offering a narrow definition of the term the author explores objectification as a spectrum of misapprehension running from its mildest form casual indifference to its most extreme manifestation dehumanization Using vivid examples to clearly demarcate three primary levels of objectification the author engages in a thoughtful exploration of various dispositional and situational factors contributing to this uniquely human phenomenon These include narcissism the ego death denial toxic situations and our perceived boundaries of self among others Rector then gives us reason to hope by orienting his model of objectification into a broader continuum of human capability one that includes a countervailing enlightenment spectrum Gleaning insights from classic philosophy the world's five most prominent religious traditions and current social science research he examines the best antidotes humankind has devised thus far to move us from casual concern for our fellow human beings toward interconnectedness and ultimately unity consciousness Broad in scope and deeply penetrating The Objectification Spectrum advances the conversation about the nature of human evil into personally relevant potentially transformative territory
