Family, Class, and Ideology in Early Industrial France Katherine A. Lynch, 1988 Katherine Lynch s study of the French state s response to a crisis of working class families illustrates a new sophistication in our understanding of the complex origins of social policy She looks at middle class reformers formulation of social policy affecting illegitimacy child abandonment and child labor and examines the implementation of these policies in three major factory towns Lille Mulhouse and Rouen in the quarter century before the revolution of 1848 This is a most valuable book that seeks to understand both the politics of reform and the ways in which reformist policies change in the process of implementation It presents a sophisticated exploration of important issues *Journal of Economic History* *History and Ideology in Charles Dickens's and Orhan Kemal's Selected Novels* Erol Gülüstür, 2023-08-31 History and ideology are important concepts to consider when going through a literary work Since ancient times they have been key tools for the examination of literature By means of these two concepts a given work is analyzed and evaluated more profoundly Both English and Turkish literature show traces of history and contesting ideologies Charles Dickens and Orhan Kemal are prominent authors the works of whom reveal the historical and ideological background of their respective contexts This book extensively accounts for history and Althusser s ideology in Charles Dickens s and Orhan Kemal s selected novels Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

Archaeology and Ideology in Nineteenth Century Ireland Janis M. McEwan, 2003 As McEwan argues the past is well suited to manipulation and can be used to uphold particular ideologies for example those dictated by the state This discussion of the development of archaeology in Ireland in the 19th century places it within an intellectual and historical context to determine the inherent and external factors at work in directing and influencing its progress With Foucault as the starting point McEwan assesses a range of important ideological concepts including romanticism nationalism imperialism and individualism and asks whether archaeology and those individuals within it chose to embrace or resist them Concluding that Ireland's past is both complex and contradictory she reaffirms that Irish archaeology of the 19th century was essentially contrived to serve the people rather than always upholding the power structure [Schools, Teachers and Teaching \(RLE Edu N\)](#) Len Barton, Stephen Walker, 2012-04-27 This volume considers how various sociological approaches to the exploration of the conditions of teachers might be coordinated so as to produce a more penetrating and reliable understanding of the main dimensions of teachers' work Three dimensions are selected for special attention historical institutional and interactional contexts in which teachers operate In different way the papers in this collection explore the contribution such an investigation of these contexts can make to our understanding of wider educational concerns **Aspects of History and Class Consciousness** Istvan Meszaros, 2016-03-31 The various contributions in this book originally published in 1971 discuss many aspects of the complex subject of history and class consciousness and the themes that are dealt with are all inter-related The papers range from history and sociology through political theory and philosophy to art criticism and literary criticism Georg Lukacs' classic work *History and Class Consciousness* is discussed in several of the essays and the volume is prefaced by a letter from Georg Lukacs to Istvan Meszaros **The Sources of Social Power: Volume 2, The Rise of Classes and Nation-States, 1760-1914** Michael Mann, 2012-09-24 This second volume deals with power relations between the Industrial Revolution and the First World War [The Routledge Companion to Gender and Borderlands](#) Zalfa Feghali, Deborah Toner, 2024-10-23 The Routledge Companion to Gender and Borderlands maps the relationship between gender and borderlands at a global scale and sets the agenda for developing a global composite field of gender and borderlands studies This interdisciplinary collection seeks to understand the complex nexus at which gender and the borderlands intersect modelling radical relationality at epistemological ontological and activist levels Going beyond border studies frequent site at the U S Mexico Border this book examines the power relations of borderlands as they play out in influence and reflect gender dynamics Contributors draw on case studies from around the world and their chapters span diverse fields from anthropology literature and history to political science religious studies sociology and the arts The Routledge Companion to Gender and Borderlands is an indispensable resource for scholars and students engaged in border studies gender studies and the wide range of interlocking disciplines that inform and enrich these fields Chapters 1 15 and 20 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative

Ideologies in the Age of Extremes Willie Thompson, 2010-12-24 This is a history of political ideologies during the period from the First World War to the collapse of the Soviet Union famously described by Eric Hobsbawm as The Age of Extremes By introducing the key ideologies of the twentieth century liberalism conservatism communism and fascism and considering them in relation to each other Willie Thompson shows how these philosophies often emerged from a common root or merged into a common future stealing each other's clothes and reinventing themselves as the stark opposite of a competing ideology This sophisticated yet accessible analysis will be of great interest to students of 20th century history and political theory

Class, Ideology, and the Nation David L. Adamson, 1991

Thomas Paine Elsie Begler, 2007 Thomas Paine a revolutionist in three countries helped shape the emerging liberal democratic world of the late 18th century His writings continue to merit our attention because of the depth of his political philosophical economic and religious vision This volume emerged from a conference held at San Diego State University in October 2005 Discussion focused on Paine's historical importance and his contemporary legacy on the relevance of his social analysis and on his role as a symbol for those dedicated to progressive reform Paine's American homeland has been transformed in a manner he most likely would not have endorsed In this volume scholars and biographers gather to show his voice remains resonant a reminder of what this country might have been and still has the potential to become From publisher's description

History's Beauties Lara Perry, 2006 The beauties women of note who were welcomed to the National Portrait Gallery's early collection were those whose lives and portraits were recognized as significant to the civil ecclesiastical and literary history of the nation This brief was interpreted to include figures as diverse as the devout Lady Margaret Beaufort and the entertaining Lady Emma Hamilton History's Beauties the first detailed study of this collection maps a culture of femininity that reframes the Victorian fascination with women's domestic and sentimental presence by locating it within a Parliament centred national culture

Figures of Finance Capitalism Borislav Knezevic, 2004-03 Figures of Finance Capitalism brings into focus Victorian narratives by major middle class writers in which the workings of finance capitalism are prominently featured and reads this interest in finance capitalism in the context of middle class misgivings about a class system still dominated by a patrician elite This book illustrates the centrality of finance capitalism to the mid Victorian middle class social imagination by discussing a selection of major Victorian texts by Dickens Gaskell Thackeray and Macaulay In so doing it draws on several new perspectives on British history as offered in the work of historians such as Tom Nairn David Cannadine and P J Cain and A G Hopkins Articulating the basic coordinates for a new sociology of mid Victorian literature Borislav Knezevic views texts through the prism of the mid Victorian literary field and its negotiations of the contemporary field of power

Encyclopedia of Women in American History Joyce Appleby, Eileen Chang, Joanne Goodwin, 2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present It not only covers the issues that have had an impact

on women but also traces the influence of women's achievements on society as a whole. Divided into three chronologically arranged volumes, the set includes historical surveys and thematic essays on central issues and political changes affecting women's lives during each period. These are followed by A-Z entries on significant events and social movements, laws, court cases, and more, as well as profiles of notable American women from all walks of life and all fields of endeavor. Primary sources and original documents are included throughout.

Art History for Comics Ian Horton, Maggie Gray, 2022-09-20 This book looks at comics through the lens of Art History, examining the past influence of art historical methodologies on comics scholarship to scope how they can be applied to Comics Studies in the present and future. It unearths how early comics scholars deployed art historical approaches including stylistic analysis, iconography, Cultural History, and the social history of art, and proposes how such methodologies, updated in light of disciplinary developments within Art History, could be usefully adopted in the study of comics today. Through a series of indicative case studies of British and American comics like *Eagle*, *The Mighty Thor*, *2000AD*, *Escape*, and *Heartbreak Hotel*, it argues that art historical methods better address overlooked aspects of visual and material form. Bringing Art History back into the interdisciplinary nexus of comics scholarship raises some fundamental questions about the categories, frameworks, and values underlying contemporary Comics Studies.

Politics and Ideology in Marxist Theory Ernesto Laclau, 2012-01-16 Ernesto Laclau is best known for co-authoring *Hegemony and Socialist Strategy* with Chantal Mouffe. Politically active in the social and student movements of the 1960s and a member of the PSIN Socialist Party of the National Left, Laclau's oeuvre links the working class and new social movements. Rejecting Marxist economic determinism and the notion of class struggle, Laclau instead urged for a radical democracy where antagonisms could be expressed. Frequently described as post-Marxist, Laclau's writings have focused on political movements.

Politics and Ideology in Marxist Theory was Laclau's first published work where readers can trace the early formation of ideas that shaped the twentieth century.

Prostitution Dr Paula Bartley, Paula Bartley, 2012-11-12 *Prostitution: Prevention and Reform in England 1860-1914* is the first comprehensive overview of attempts to eradicate prostitution from English society, including discussion of early attempts at reform and prevention through to the campaigns of the social purists. *Prostitution* looks in depth at the various reform institutions which were set up to house prostitutes, analysing the motives of the reformers as well as daily life within these penitentiaries. This indispensable book reveals reformers' attitudes towards prostitutes and prostitution, daily life inside reform institutions, attempts at moral education, developments in moral health theories, influence of eugenics, attempts at suppressing prostitution.

Readings for A History of Anthropological Theory Paul A. Erickson, Liam Donat Murphy, 2010-01-01 This comprehensive anthology presents 40 readings that are critical to an understanding of anthropological theory and the development of anthropology as an academic discipline. The readings have broad anthropological appeal, emphasizing social and cultural anthropology. The third edition has been completely revised throughout and organized to work more closely alongside the companion overview text *A History of*

Anthropological Theory It includes six new readings as well as two original essays written by contemporary anthropologists on Why Theory Matters These new essays help ground the more abstract readings in the collection The glossary has been significantly expanded and the discussion questions have been revised The result is a volume that offers not only a strong foundation in the history of the discipline but also a good overview of developments in twentieth and twenty first century anthropological theory including feminist anthropology postmodernity medical anthropology globalization postcolonialism and public anthropology
