Hisclass Marco H. D. van Leeuwen, Ineke Maas, 2011 For the sake of comparability it is advisable not to develop new class schemes but to use old ones Yet presenting a new class scheme HISCLASS is exactly what this book does Unlike existing historical schemes HISCLASS is international created for the purpose of making comparisons across different periods countries and languages Furthermore it is linked to an international standard classification scheme for occupations HISCO The chapters in the book show how

historical occupational titles classified in HISCO can form the building blocks of a social class scheme for past populations The dimensions underlying classes are discussed How for instance can manual work be distinguished from non manual work Skilled from non skilled And what did supervision really mean **Comparing European Workers** David Brady,2011-04-07 This first of two companion volumes places the labor markets workplaces jobs and workers of Europe in comparative perspective and focuses on the politics economics sociology and history of work and workers in Europe It compares contemporary patterns and the recent history of European workers with other models of work worldwide **Chinese Ethnic Business** Eric Fong,Chiu Luk,2006-11-22 Analyzing the unprecedented changes in Chinese ethnic business due to globalization this book provides a crucial understanding of Chinese participation in the key receiving countries of the USA Australia and Canada *White-Collar Blues* Mustafa Yavaş,2025-06-24 Consider the lucky few They studied hard and aced high stakes tests survived demanding schooling and extracurriculars graduated from top colleges and immediately landed high pay high status corporate positions in tall buildings What happens after this middle class dream of fast track careers comes true White Collar Blues follows the Turkish members of the global elite workforce as they are selected into survive within and opt out of coveted employment at transnational corporations State employed doctors lawyers and engineers were long seen as role models until Turkey followed the global tide of neoliberalism and began to embrace freer circulation of capital As world renowned corporations transformed Istanbul into a global city Turkey's best and brightest have increasingly sought employment at brand name firms Despite achieving upward mobility within and beyond Turkey however many Turkish professionals end up feeling disappointed burned out and trapped in their corporate careers Drawing from more than one hundred interviews in Istanbul and New York City Mustafa Yava develops a theory of middle class alienation explaining how so called good jobs fail elite workers Yava shows how educational investments in an increasingly competitive landscape lead to high hopes which then clash with poor work life balance low intrinsic satisfaction and a felt lack of meaning from labor in corporate workplaces Highlighting the trade off between freedom and financial security White Collar Blues reveals the hidden costs of conflating the quest for socioeconomic status with the pursuit of happiness *Analytical Marxism* John Roemer,1986-03-13 A collection of essays by leading practitioners of analytical Marxism *Social Stratification in Chinese Societies* Kwok B. Chan,Chan Kwok-Bun,Agnes S. M. Ku,Chu Yin-Wah,2009 The annual is a venue of publication for sociological studies of Chinese societies and the Chinese all over the world The main focus is on social transformations in Hong Kong Taiwan the mainland Singapore and Chinese overseas **Handbook of Population** Dudley L. Poston,Michael Micklin,2006-04-26 This comprehensive handbook provides an overview and update of the issues theories processes and applications of the social science of population studies The volume's 30 chapters cover the full range of conceptual empirical disciplinary and applied approaches to the study of demographic phenomena This book is the first effort to assess the entire field since Hauser and Duncan's 1959 classic *The Study of Population* The chapter authors are among the leading

contributors to demographic scholarship over the past four decades They represent a variety of disciplines and theoretical perspectives as well as interests in both basic and applied research **Schooling in Western Europe** Mary Jo

Maynes,1985-01-01 Mary Jo Maynes looks to school reform in early modern Europe to show the relevance of early ideas about schooling for understanding contemporary society She presents the competing perspectives on issues such as the identity and motivations of school reformers the broad societal changes that made educational reform seem imperative toward the end of the eighteenth century all over the West the connections between educational change and economic development the role of schools in the evolution of class relations the impact of reform on family strategies in the context of early industrialization The work concludes by assessing historical data on the social impact of school reform and addressing the social meaning of schooling in the past and in the present *Hope and Independence* Patricia Gurin, Shirley Hatchett, James S. Jackson,1990-01-18 Over the past fifteen years a New Black Politics has swept black candidates into office and registered black voters in numbers unimaginable since the days of Reconstruction Based on interviews with a representative sample of nearly 1 000 voting age black Americans Hope and Independence explores blacks attitudes toward electoral and party politics and toward Jesse Jackson s first presidential bid Viewed in the light of black political history the survey reveals enduring themes of hope for eventual inclusion in traditional politics despite repeated disappointments and independence a strategy of operating outside conventional political institutions in order to achieve incorporation The authors describe a black electorate that is less alienated than many have suggested Blacks are more politically engaged than whites with comparable levels of education And despite growing economic inequality in the black community the authors find no serious class based political cleavage Underlying the widespread support for Jackson among blacks a distinction emerges between common fate solidarity which is pro black committed to internal criticism of the Democratic party and conscious of commonality with other disadvantaged groups and exclusivist solidarity which is pro black but also hostile to whites and less empathetic to other minorities This second more divisive type of solidarity expresses itself in the desire for a separate black party or a vote black strategy but its proponents constitute a small minority of the black electorate and show surprisingly hopeful attitudes toward the Democratic party Hope and Independence will be welcomed by readers concerned with opinion research the sociology of race and the psychology of group consciousness By probing the attitudes of individual blacks in the context of a watershed campaign this book also makes a vital contribution to our grasp of current electoral politics
