J. Choi, 2010-12 East and West Understanding the Rise of China by Y J Choi Innumerable articles and books have been written about East Asia and China since this part of the world has been catapulted into the center of the global economic scene Unfortunately most if not all of them are wide of the mark in terms of understanding the geographic and philosophical fundamentals of Eastern civilizations undergirding the rise of the East The relative decline of the West appears to be inevitable as the ascendance of the East prompts a shift of the center of gravity from the Atlantic to the Pacific Accordingly we need to understand the East and the West for that matter by freeing ourselves

from the centuries old habit of West centrism Neither in the West nor in the East do we find a paper written with a balanced approach regarding the two civilizations Because of this and thanks to his vast experience in both East and West Ambassador Y J Choi was prompted to explain this epochal change by comparing the two civilizations on equal footing His text constitutes the very first book attempting an objective neutral and balanced comparison of ancient Eastern and European Mediterranean civilizations including their influence on and implications for contemporary events **Prejudice, Stigma, Privilege, and**

Lessons from Political Leadership in Africa Chris Jones, Pregala Pillay, Purshottama Reddy, Sakhile Zondi, 2022-02-17

The central message of this book is that leadership serves as a blueprint to transform Africa into a global powerhouse. There is an urgent need to refocus our efforts on the African Continent and her people while at the same time forging ahead with democratic, accountable, people-centred, ethical and transparent governance and leadership. Corruption has undoubtedly become a hostile enemy in robbing the poor, violating the trust of the people and eroding the moral fibre of society. Abuse of power, position or office compounded by greed, self-enrichment and acts of dishonesty has dire consequences for mankind and as such each contribution in this book promotes Africa's vision to sustain humanity and its people away from social ills such as extreme poverty, distinct inequalities and large-scale unemployment. What is needed is a new generation of bold, passionate, confident, inspiring leaders to make a difference and leave an edible mark in the global arena. This is the fundamental spirit of leadership for the Africa that this book wants and wishes to nurture. We cannot go back and change the past but we can learn lessons both good and bad and change the future towards a bigger, better and brighter tomorrow. *The Gothic Imagination* John C. Tibbetts, 2011-10-10. This book brings together the author's interviews with many prominent figures in fantasy, horror and science fiction to examine the traditions and extensions of the gothic mode of storytelling over the last 200 years and its contemporary influence on film and media. *The Future Horizon for a Prophetic Tradition* David L. Everett, 2017-03-20. In this book David Everett examines how Church has changed throughout a modern/postmodern context. Everett explores how social gospel dimensions and prophetic radicalism have diminished in a way that it might reestablish itself as a pillar in the community through a retrieval of its prophetic voice and social gospel roots so that it might be missional-minded and civically engage. Everett anticipates that this perspective will assist the Black Church in the reclamation of its heritage by confirming its purpose and affirming its position within the missional context that God has placed it. *Becoming an Ethical Helping Professional*, with Video Resource Center Rita Sommers-Flanagan, John Sommers-Flanagan, 2015-06-22.
