Classical Guitarists:

Classical Guitarists Jim Tosone, 2015-11-18 *Classical Guitarists* fills a void in the special world of the classical guitar. Although this realm is inhabited by world class musicians much of what they think and feel has never been captured in print. Each has made important contributions from establishing significant academic programs to broadening the audience for the classical guitar. The author shares his reviews of their most important recordings and New York City concerts during the 1990s as well as discographies of their recordings. There are also interviews with Harold Shaw, the most prominent artist manager in the history of the classical guitar and several of today's most important composers for the guitar including Pulitzer Prize winners George Crumb and Aaron Jay Kernis.
