Henry Newman, 1896

Historical Sketches Blessed John Henry Newman, Aeterna Press, The following sketch of Turkish

history was the substance of Lectures delivered in the Catholic Institute of Liverpool during October 1853 It may be necessary for its author to state at once in order to prevent disappointment that he only professes in the course of it to have brought together in one materials which are to be found in any ordinarily furnished library Not intending it in the first instance for publication but to answer a temporary purpose he has in drawing it up sometimes borrowed words and phrases to save himself trouble from the authorities whom he has consulted and this must be taken as his excuse if any want of keeping is discernible in the composition He has attempted nothing more than to group old facts in his own way and he trusts that his defective acquaintance with historical works and travels and the unreality of book knowledge altogether in questions of fact have not exposed him to superficial generalizations Aeterna Press
