Policy Strategy and Innovation Primer Charles Chao Rong

Phua,2023-02-10 Phua focuses on applying the best of corporate strategy and innovation tools and praxis into the policy process with the aim of devising a coherent policy strategy innovation framework and process Government and business strategies differ in their operating assumptions and variables but the strategy process is more similar than is often perceived Phua debunks the government versus business dichotomy and demonstrates the potential for cross learning between both domains Readers will benefit the most by reading this book in tandem with Phua s other works on strategy also featured in this series This book is an essential primer for academics practitioners and learners of public policy strategy innovation and applied problem solving *Creating Public Value* Mark H. Moore,1997-03-25 Moore presents his summation of 15 years of research observation and teaching about what public sector executives should do to improve the performance of public enterprises This book explicates some of the richest cases used at Harvard s Kennedy School of Government and illuminates their broader lessons for government managers *Using the "Narcotrafico" Threat to Build Public Administration Capacity between the US and Mexico* Donald E. Klingner,Roberto Moreno Espinosa,2014-02-25 The current drug trafficking crisis between the US and Mexico is a perfect storm that has caused deaths disappearances and widespread fear of violence and insecurity in the border area between these two countries Current US drug control policies with Mexico are based on a militarized system of border control and characterized by domestic gridlock over drug control and immigration reform However because drug trafficking and other underlying issues have both domestic and international consequences they cannot be resolved unless both countries work together Using the Narcotrafico Threat to Build Public Administration Capacity between the US and Mexico explores how they can do exactly that Co edited by two public administration scholars from Mexico and the US and comprising chapters by 18 other experts from Mexico Canada and the US the book demonstrates how the current situation of drug trafficking and violence on top of the other existing perceptions and conditions creates a real opportunity for the US to build relationships with its Mexican counterparts at state local national and NGO levels With chapters written by leading experts working in a broad spectrum of international and domestic US Mexico policy issues the book covers immigration drug flow and conflict gun running money laundering education and economic and community development in both countries Only by supporting bi national drug policies based on mutual understanding of the border as something that both separates and unites the US and Mexico will it be possible to develop cooperative policies that can lead from militarization to regularization of the US Mexico border Twenty years after the signing of NAFTA North American Free Trade Agreement in 1994 it is time to recognize the link between effective drug control policies and the emergence of North America as a regional economic social and political powerhouse capable of successfully competing with the European Union China and other emerging regions in our increasingly globalized world this book offers concrete long term solutions for building cooperative and shared public administrative capacity on both sides of the border *Encyclopedia of Public Administration and Public Policy: K-Z* Jack Rabin,2003 From the Nuremberg trials to

the Civil Service Reform Act of 1978 to recent budget reconciliation bills the Encyclopedia of Public Administration and Public Policy provides detailed coverage of watershed policies and decisions from such fields as privatization biomedical ethics education and diversity This second edition features a wide range of new topics including military administration government procurement social theory and justice administration in developed democracies It also addresses current issues such as the creation of the Department of Homeland Security and covers public administration in the Middle East Africa Southeast Asia the Pacific and Latin America

Personnel Literature ,1978 *The Ethics Challenge in Public Service*
Carol W. Lewis, Stuart C. Gilman, 2012-04-18 This thoroughly revised and updated third edition of The Ethics Challenge in Public Service is the classic ethics text used in public management programs nationwide It also serves as a valuable tool for public managers who work in a world that presents more ethical challenges every day It contains a wealth of practical tools and strategies that public managers can use when making ethical choices in the ambiguous pressured world of public service The book contains new material on topics including social networking the use of apology ethics as applied to public policy working with elected officials and more
