

CLASSIFICATION MADE SIMPLE

*An Introduction to
Knowledge Organisation
and Information Retrieval*

THIRD EDITION

ERIC J. HUNTER

Classification Made Simple

Lonneke Dikmans

Classification Made Simple:

Classification Made Simple Eric J. Hunter, 2009 This established textbook introduces the essentials of classification as used for information processing The third edition takes account of developments that have taken place since the second edition was published in 2002 Classification Made Simple provides a useful gateway to more advanced works and the study of specific schemes As an introductory text it will be invaluable to students of information work and to anyone inside or outside the information profession who needs to understand the manner in which classification can be utilized to facilitate and enhance organisation and retrieval

Classification Made Simple Eric J. Hunter, 2017-03-02 This established textbook introduces the essentials of classification as used for information processing The third edition takes account of developments that have taken place since the second edition was published in 2002 Classification Made Simple provides a useful gateway to more advanced works and the study of specific schemes As an introductory text it will be invaluable to students of information work and to anyone inside or outside the information profession who needs to understand the manner in which classification can be utilized to facilitate and enhance organisation and retrieval

Classification Made Simple Eric J. Hunter, 2002 An ability to classify is a fundamental requisite of everyday life Classification is also a vital element in information management This established textbook introduces the essentials of classification as used for information storage and retrieval By adopting a gradual progression from very basic principles and by providing practical examples it enables the reader to gain a firm grasp of one idea before proceeding to the next In information work classification may be used in various ways for coding in computerized systems for the organization of manual and machine readable files and catalogues and for shelf arrangement in libraries and information services It can constitute a basis for the production of alphabetical authority lists of subject terms or thesauri and can be applied to other subject indexing and search techniques The approach adopted here is a wide one and is not limited to classification for one specific purpose This revision takes account of developments that have taken place since the first edition was published Perhaps the most significant event has been the phenomenal growth of the Internet and the World Wide Web and this new edition outlines the significant role that classification can play in the accessing of Internet resources Classification Made Simple provides a useful gateway to more advanced works and the study of specific schemes As an introductory text it will be invaluable to students of information work and to anyone inside or outside the information profession who needs to understand the manner in which classification can be utilized to facilitate and enhance the retrieval process

the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Classification Made Simple eBooks, including some popular titles.

FAQs About Classification Made Simple Books

What is a Classification Made Simple PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Classification Made Simple PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Classification Made Simple PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Classification Made Simple PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Classification Made Simple PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
