Harper,2017-07-01 One man s struggle to accept his wife s death and the cost of bringing her back to life While in the process of bringing his wife Sandra back to the living Arthur journals about moments from his past that changed him During the journal writing he rediscovers how as an orphan his ability to animate objects and people to life may have ultimately destroyed the lives of the few who grew close to him The old stuffed teddy bear that helped him assemble puzzles when he was a child might have been too much of a secret for his adoptive mother to keep His friend Quincy who had abilities similar to his might have been scared away by Arthur s

abilities And his grade school teacher is still harboring a secret about his biological father that she can only hope to be true Once Sandra is alive again things become more complicated She claims Arthur is not who or what he thinks he is Her ire shines a spotlight on the insidious but most likely true unspoken nature of their relationship In the meantime a mysterious smell envelopes the community a stench so heinous it can be fatal As the number of deaths from the stench mounts Arthur must decide who to animate back to life and who remains dead

The Hour of Our Death Nick Cascione,2017-10-23 The Hour of Our Death is a story of what happens to a young man when life has been taken away from him in which the act of that intense incident is directly connected with a past bad judgment He may find out that dying is the easy part of life and that living life with all its imperfections is indeed the hardest part This young man will soon find out that a judgment in another realm has its own rules and is completely different from an earthly point of view He will eventually find out through death what it takes to try and move onward to a better place and what the word redemption truly means It is a costly lesson that can only be learned when your heart is at its purest and your soul has been cleansed Only time will tell once the clock starts ticking
