Arthur J Stone 1847-1938 Designer And Silversmith:

Arthur J. Stone, 1847-1938 Elenita C. Chickering, Sarah Morgan Ross, 1994 *American Silver in the Art Institute of Chicago* Art Institute of Chicago, 2016-01-01 The history of American silver offers invaluable insights into the economic and cultural history of the nation itself Published here for the first time the Art Institute of Chicago's superb collection embodies innovation and beauty from the colonial era to the present In the 17th century silversmiths brought the fashions of their homelands to the colonies and in the early 18th new forms arose as technology diversified production Demand increased in the 19th century as the Industrial Revolution took hold In the 20th modernism changed the shape of silver inside and outside the home This beautifully illustrated volume presents highlights from the collection with stunning photography and entries from leading specialists In depth essays relate a fascinating story about eating drinking and entertaining that spans the history of the Republic and trace the development of the Art Institute's holdings of American silver over nearly a century

The Grove Encyclopedia of Decorative Arts Gordon Campbell, 2006-11-09 The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Werkstatte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms

The Oxford Handbook of History and Material Culture Ivan Gaskell, Sarah Anne Carter, 2020 Most historians rely principally on written sources Yet there are other traces of the past available to historians the material things that people have chosen made and used This book examines how material culture can enhance historians understanding of the past both worldwide and across time Deploying material culture to discover the pasts of constituencies who have left few traces in written record the authors present familiar historical problems in new ways This volume offers case studies arranged thematically in six sections that address the relationship of history and material culture to cognition technology the symbolic social distinction and memory

American Craft, 1995 **The Grove Encyclopedia of Decorative Arts: Labhardt to Zwischengoldglas; Index** Gordon Campbell, 2006 Contains information drawn from Grove Art Online and new material written by G Campbell Cf Preface The Design Encyclopedia Mel Byars, 2004 Design has an increasingly high profile figures like Philippe Starck are as venerated and well known as more traditional artists But where the literature on fine art is vast design is still comparatively ill served This encyclopedia provides an account of the still largely unknown story of design **American National Biography**, 1999 **Miller's Encyclopedia of World Silver Marks** Judith Miller, Duncan Campbell, 2018-03-20

Designed as the essential reference tool for appraisers collectors and dealers of silverware the Encyclopedia is an indispensable guide for anyone researching silver hallmarks offering clear and wide ranging reproductions of thousands of hallmarks from more than 60 countries and regions past and present on every continent It is also clearly and logically organized into two volumes for ease of reference in the first volume are hallmarks listed by visual type and category fully cross referenced to information in the second volume on country of origin in order of importance centre of assaying or making date and silver standard marks special marks such as import export marks and selected maker s marks Vetted by an international team of experts the Encyclopedia thus helps you to identify silver hallmarks quickly easily and reliably It also includes brief historical overviews of hallmarking in each country a description of the hallmarking process and a guide to identifying fake and forged marks Practical comprehensive and up to date Miller s Encyclopedia of World Silver Marks is an invaluable aid to identifying silverware from around the world

The Craftsman and the Critic Beverly Kay Brandt,2009 When English craftsman poet and socialist William Morris advised consumers in the 1880s to have nothing in your houses that you do not know to be useful or believe to be beautiful he prompted a movement for design reform in Britain Europe and America Championing Morris s views the Society of Arts and Crafts in Boston led the quest for usefulness and beauty in the United States As the oldest arts and crafts organization in the country it exerted considerable influence Among the Boston reformers were design critics whose profession became increasingly important in the nineteenth century Many of them including a number of prominent women were also architects designers craft workers educators and theorists Their views on design reform were substantive and often controversial This richly illustrated book explores the interaction of craft workers and critics as they collaborated to improve the quality of the living and working environment in Boston and across the United States Beverly K Brandt examines multiple overlapping topics the evolution of the profession of design criticism in the nineteenth century Boston in the Gilded Age as a center for reform epitomized by the Aesthetic and the Arts and Crafts movements the formative years of the Society of Arts and Crafts 1897 1917 key personalities associated with that organization the theoretical underpinnings of the Arts and Crafts movement and a diaspora of Boston reformers who left the city to promote usefulness and beauty across the country and abroad In an epilogue she discusses the Arts and Crafts revival which has flourished since the 1970s and contemplates why the search for usefulness and beauty continues to resonate today
