Arthur Meighen:

Arthur Meighen John English, 1977 **Arthur Meighen** Roger Graham, 1965 **Statecraft** Stephen Azzi, Patrice Dutil, 2025-09-09 Statecraft delves into the intricate relationships between Canadian prime ministers and their cabinets since Confederation Through twenty critical essays leading scholars systematically analyse the challenges and decisions faced by individual prime ministers from Sir John A Macdonald to Justin Trudeau The essays explore essential questions What influenced cabinet appointments How and why were ministers shuffled or dismissed How did the drive for re election shape the leadership styles employed by prime ministers At its core the book examines statecraft the art of decisive leadership in the face of shifting social economic and cultural realities Statecraft involves the balancing act of maintaining government cohesion prioritizing urgent issues and navigating the relentless pursuit of political survival Even the most seasoned leaders can master statecraft one day and falter the next Drawing on extensive research Statecraft bridges history and political science offering fresh perspectives on the strategies decisions and leadership techniques that have defined twenty prime ministers This comprehensive volume sheds light on the evolving art of governance and its enduring challenges **The People's Mandate** J. Patrick Boyer, 1992 A mood of anger with the political system has been stirring across Canada yet rather than turning away from the system many Canadians are actually seeking a greater say in matters that affect them they want to become more effective participants in the political process In this timely book Patrick Boyer examines the important role that direct democracy through the occasional use of referendums plebiscites and initiatives can play in concert with our existing institutions of representative democracy This concept is not alien to our country says Boyer pointing to the two national plebiscites on prohibition of alcohol in 1898 and conscription for overseas military service in 1942 some sixty provincial plebiscites on everything from sovereignty association to abortion medicare to women's suffrage prohibition to ownership of power companies and several thousand at the municipal level Direct voting is an important instrument in a truly democratic society Boyer argues and it has a more important role in the current reformation of Canada than some in the comfortable governing classes want to admit In addition to clarifying an issue it is an educational tool as the plebiscite campaign becomes a national teach in Canadians can become participants rather than mere spectators in the major changes and transcending issues that affect the future of our country The People's Mandate is a helpful guide to understanding the distinctions between plebiscites and referendums in a purely Canadian context It addresses some of the concerns about this unparliamentary practice and makes a powerful and logical statement about democracy In sum Boyer believes it is essential to govern with the trust of the people **Canada's Prime Ministers, Governors General and Fathers of Confederation** Irma Coucill, 2005 A fascinating showcase of Canada's leadership heritage told in a series of vivid portraits drawn by one of our most renowned interpreters of historical personalities This essential reference offers a unique look at 21 Prime Ministers 26 Governors General and 36 Fathers of Confederation **The Rotarian** , 1923-08 Established in

1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **Arthur Meighen. A Biography. [With Portraits.]** Roger Graham (Author of Arthur Meighen.),1963 **J.W. McConnell** William Fong,2008-10-24 J W McConnell 1877 1963 born to a poor farming family in Ontario became one of the wealthiest and most powerful businessmen of his generation in Canada and internationally Early in his career McConnell established the Montreal office of the Standard Chemical Company and began selling bonds and shares in both North America and Europe establishing relationships that would lead to his enormous financial success He was involved in numerous businesses from tramways to ladies fashion to mining and served on the boards of several corporations For nearly fifty years he was president of St Laurence Sugar and late in life he became the owner and publisher of the Montreal Star McConnell was an indefatigable and formidable fundraiser for the YMCA the war effort of 1914 18 hospitals and McGill University where he served as governor for almost three decades In 1937 he established what would become The J W McConnell Family Foundation the first major foundation in Canada and still one of the best endowed J W McConnell was a principled and brilliant visionary with a strong work ethic and a deep commitment to the public good a Rockefellerian figure in both big business and high society who quietly became one of the greatest philanthropists of his time His life story told in uncompromising detail by William Fong is a study of raising spending and giving away money on the grandest scale *Death So Noble* Jonathan Franklin William Vance,1997 Examines the ways in which Canadians remembered and celebrated their participation in WWI viewing the war as a cultural and philosophical force as opposed to a political and military event Looks at the country s mythical reconstruction of the war and recounts how the myth s proponents responded to conflicting visions of the war Touches on the symbolism of the soldier Canadian nationalism and the idea of a just war drawing on memoirs newspaper reports and popular culture Includes bandw photos Annotation copyrighted by Book News Inc Portland OR **The Maritime Rights Movement, 1919-1927** Ernest R. Forbes,1979 This book provides the first full account of a major social and political movement of the interwar years in Canada the campaign for Maritime Rights which erupted in the Atlantic provinces after World War I Ernest R Forbes traces the history of the movement from its origins in the decline in relative status and influence of the Maritimes that accompanied the rise of the West and the growing dominance of the Central Canadian metropolises *A Passion for Justice* J. Patrick Boyer,2008-07-29 This richly detailed biography illustrates how a determined Canadian seeking justice created an enduring legacy Through vigorous battles Jim McRuer s passion for justice was translated into laws that daily touch and protect the lives of millions today James Chalmers McRuer was not easy to get along with or even much liked by many lawyers who dubbed him Vinegar Jim Yet countless others saw him as heroic inspirational a man above and apart from his times His resolute focus on justice changed the lives of married women with no property rights children without legal protection

aboriginals caught in the whipsaw of traditional hunting practices and imposed game laws and prisoners locked away and forgotten Environmental degradation and those causing it murderers stock fraud artists and Cold War spies all came within the ambit of J C McRuer's sharp legal mind and passion for justice Upon turning 75 McRuer embarked on his most important work of all becoming Canada's greatest law reformer and remaining active into his 90s *Scrum Wars* Allan

Levine,1996-08-08 The image of the scrum a beleaguered politician surrounded by jockeying reporters is central to our perception of Ottawa The modern scrum began with the arrival of television but even in Sir John A Macdonald's day a century earlier reporters in the parliamentary press gallery had waited outside the prime minister's office pen in hand hoping for a quote for the next edition The scrum represents the test of wills the contest of wits and the battle for control that have characterized the relationship between Canadian prime ministers and journalists for more than 125 years *Scrum Wars* chronicles this relationship It is an anecdotal as well as analytical account showing how earlier prime ministers like Sir John A Macdonald and Sir Wilfrid Laurier were able to exercise control over what was written about their administrators while more recent leaders like John Diefenbaker Joe Clark John Turner and Brian Mulroney often found themselves at the mercy of intense media scrutiny and comment **The Veiled Sceptre** Anne Twomey,2018-04-12 The extension to other Realms of

the reserve power to refuse a dissolution Politics of Development H.V. Nelles,2005-07-20 The Carleton Library Series returns this classic in political economy and Canadian historical writing to print with a new introduction by Robert Young The *Politics of Development* reveals the full extent of state involvement in the exploitation of natural resources in the province of Ontario and the reciprocal impact resource development has had in shaping politics in the province H V Nelles offers a revised staples interpretation exposing the resource politics at the heart of central Canadian economic development He explains the business history of the forestry and mining industries from the mid nineteenth through the mid twentieth century stressing the importance of public policy in their development He offers a definitive interpretation of the emergence development and political dynamics of public ownership within the hydro electric sector Considered one of the seminal works on Canadian political economy The *Politics of Development* still has important things to say about public policy and will be of interest to historians political scientists economists and those interested in environmental history **Irish Canadian**

Conflict and the Struggle for Irish Independence, 1912-1925 Robert McLaughlin,2013-01-11 Between 1912 and 1925 Ireland convulsed with political and revolutionary upheaval in pursuit of self government Canadians of Irish descent both Catholic and Protestant diligently followed these conflicts and many became actively involved in the dramatic events overseas Irish Canadian *Conflict and the Struggle for Irish Independence* tells the unique story of how Irish Canadians identified with their ancestral homeland during this revolutionary era Drawing on ethnic weekly newspapers and fraternal society records Robert McLaughlin finds new interpretations of how Orange Canadian unionists and Irish Canadian nationalists viewed their heritage their membership in the British Empire and even Canadian citizenship itself McLaughlin

also provides strong evidence that neither time nor distance diminished Irish Canadians attachment to their familial homeland or their identification with their respective ethnic communities in Ireland Irish Canadian Conflict and the Struggle for Irish Independence reconsiders existing contextual frameworks and confronts the challenging questions inherent in understanding this period

Winnipeg 1919 The Winnipeg Defence Committee, 2019-05-07 On May 15 1919 workers from across Winnipeg ranging from metal workers to telephone operators united to spark the largest worker revolt in Canadian history Even the Winnipeg police voted to join the strike although they remained on duty at the request of the strike committee in order to prevent martial law Approximately 30 000 workers walked off the job over the next six weeks and the city was overtaken by lively demonstrations and marches in what the media the city's leaders and the federal government called a Bolshevik uprising The clash ended violently when RCMP on horseback charged and shot into a crowd of striking workers resulting in deaths beatings and arrests The strike was called off and workers returned to their jobs without having earned the rights to higher wages and collective bargaining Following the strike union leaders published this account of the events leading up to and during the strike Their volume is the most significant primary source describing the workers experience of the strike This book offers the full document in its original format along with an introduction to the 1974 edition by labour historian and activist Norman Penner His essay has had a major impact on later research This volume also includes a new introduction by historian Christo Aivalis discussing how the lessons learned in 1919 remain relevant today Also included in this book are the key documentary photographs of strike events including a minute by minute sequence showing the final RCMP fatal assault on the strikers

King Allan Gerald Levine, 2011 Advance Praise for King Here we have Allan Levine one of the aces of Canadian historical chronicles channelling Mackenzie King And what a story they have to tell our longest serving prime minister getting advice from his dog and having two way conversations with his long dead mother If Canadian history was ever dull it isn't now Get this book Book jacket

Dominion of Capital Don Nerbas, 2013-12-06 In the critical decades following the First World War the Canadian political landscape was shifting in ways that significantly recast the relationship between big business and government As public pressures changed the priorities of Canada's political parties many of Canada's most powerful businessmen struggled to come to terms with a changing world that was less sympathetic to their ideas and interests than before Dominion of Capital offers a new account of relations between government and business in Canada during a period of transition between the established expectations of the National Policy and the uncertain future of the twentieth century Don Nerbas tells this fascinating story through close portraits of influential business and political figures of this period including Howard P Robinson Charles Dunning Sir Edward Beatty R S McLaughlin and C D Howe that provide insight into how events in different sectors of the economy and regions of the country shaped the political outlook and strategies of the country's business elite Drawing on business political social and cultural history Nerbas revises standard accounts of government business relations in this period and sheds new light on the

challenges facing big business in early twentieth century Canada Strange Visitors Keith D. Smith, 2014-01-01 Covering topics such as the Indian Act the High Arctic relocation of 1953 and the conflict at Ipperwash Keith D Smith draws on a diverse selection of documents including letters testimonies speeches transcripts newspaper articles and government records In his thoughtful introduction Smith provides guidance on the unique challenges of dealing with Indigenous primary sources by highlighting the critical skill of reading against the grain Each chapter includes an introduction and a list of discussion questions and helpful background information is provided for each of the readings Organized thematically into fifteen chapters the reader also contains a list of key figures along with maps and images *Naming Canada* Alan Rayburn, 2001-01-01 Discover how some of Canada's most unusual place names came to be Seventy six essays including fifteen new to this edition updated to include changes corrections and new names to the year 2000
