

Articulating Europe During the Great War: Friedrich Naumann's Idea of *Mitteleuropa* and Its Public Reception in Germany, England and the USA

Florian Greiner

doi: 10.7358/lcm-2015-002-grei

ABSTRACT

The article briefly outlines the major aspects of Friedrich Naumann's concept of *Mitteleuropa* and shows how his idea derived from the experience of the First World War. Although the plan is often viewed as an expression of annexionist war goals, Naumann actually argued for a rather informal German economic hegemony in Central Europe. The public reception of *Mitteleuropa* in Germany as well as in Allied countries is traced in detail by conducting a discourse analysis of newspaper coverage. Especially in Great Britain the Central European scheme was seen as a great menace and triggered discussions about alternative pan-European concepts. Although *Mitteleuropa* can be considered well-researched, this aspect has been surprisingly neglected by previous studies. The aim of the article is to link intellectual and cultural history by carving out the strong transnational interweavements that existed within the public debates on Europe during World War I: at a crucial moment in history Naumann's idea promoted the articulation of European thinking in wider circles.

Keywords: Central Europe, European idea, First World War, Friedrich Naumann, *Mitteleuropa*.

Articulating Europe

Cristian Nitoiu, Nikola Tomic

Articulating Europe:

Articulating Europe Jonas Frykman, Péter Niedermüller, 2003 This reprint of a collection of articles addresses the challenges that European ethnology is facing Representing a variety of localities they give new insights and perspectives to the importance of doing empirical fieldwork and of seeing the emergence of new patterns as well as the remaking of old ones

Integrating and Articulating Environments: A Challenge for Northern and Southern Europe F. Adaman, F. Goksen, J. Grolin, M. O'Brien, O. Seippel, E.U. Zenginobuz, 2015-03-14 A critical comparative exploration of the framing of environmental problems in Northern and Southern Europe The book addresses theoretical and empirical questions about environmental attitudes and behaviours politics and protest cultures and contexts **Europe after Derrida** Agnes

Czajka, 2016-06-01 Is Europe's crisis merely a financial one Tackling issues ranging from Europe's legal institutional and cultural identity to its border citizenship and integration policies and looking forward to its legacy for the future the contributors to this volume interrogate the various dimensions and contours of the European crisis By revisiting Derrida's diagnosis of the crisis of European identity they simultaneously propose a new direction for Europe and an alternative response to today's crisis Creating Europe from the Margins Kristín Loftsdóttir, Brigitte Hipfl, Sandra

Ponzanesi, 2023-08-10 This edited volume explores the idea of Europe through a focus on its margins The chapters in the volume inquire critically into the relations and tensions inherent in divisions between the Global North and the Global South as well as internal regional differentiation within Europe itself In doing so the volume stresses the need to consider Europe from critical interdisciplinary perspectives highlighting historical and contemporary issues of racism and colonialism While recent discussions of migration into Fortress Europe seem to assume that Europe has clearly demarcated geographic political and cultural boundaries this book argues that the reality is more complex The book explores margins conceptually and positions margins and centres as open to negotiation and contestation and characterized by ambiguity As such margins can be contextualized in relation to hierarchies within Europe with different processes involved in creating boundaries and borders between different kinds of Europes and Europeans Deploying case studies from different places such as Iceland Italy Poland Spain Turkey the UK Romania Cyprus Greece Sicily European colonies in the Caribbean and the former Yugoslavia the contributors analyse how different geopolitical hierarchies intersect with racialized subject positions of diverse people living in Europe while also exploring issues of gender class sexuality religion and nationality Some chapters draw attention to the fortification of Europe's borderland while others focus on internal hierarchies within Europe critiquing the meaning of spatial boundaries in an increasingly digitalized Europe In doing so the chapters interrogate the hierarchies at play in the processes of being and becoming European and the ongoing impacts of race and colonialism This timely and thought provoking collection will be of considerable significance to those in the humanities and social sciences with an interest in Europe Chapters 11 and 12 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com>

com under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Europe, Discourse, and Institutions Cristian Nitoiu, Nikola Tomic, 2014-07-25 This book focuses on how discourse and various narratives contribute to the construction of the European Union as a political actor thus seeking to challenge the more established approaches to the study of the Union It sheds light on the way discourses about the European Union are created perpetuated and then translated into policy outcomes Most of the contributions attempt to account for the differences that usually arise between discourse and policy practices The methods employed range from more traditional variants of discourse analysis to other more radical versions that emphasize power or to critical or differential reading of policy narratives and ethnography Policy areas such as trade enlargement foreign policy and the European Neighbourhood Policy ENP are discussed while a particular interest is awarded to the European Parliament and the Commission In doing so the contributions shed light on the role discourse plays in relation to policies institutional practices and value representations at the European level Moreover the authors analyse the different actors and structures that create and perpetuate discourses within the EU highlighting new insights that a focus on discourse can bring to the field of European Union studies This book was published as a special issue of Perspectives on European Politics and Society **A Companion to the Anthropology of Europe** Ullrich Kockel, Máiréad Nic Craith, Jonas Frykman, 2015-12-14 A Companion to the Anthropology of Europe BLACKWELL COMPANIONS TO ANTHROPOLOGY A Companion to the Anthropology of Europe The volume also deserves a place on the shelves of academic libraries as well as the larger public library Reference Reviews Summing Up Highly recommended All academic levels libraries Choice This important collection challenges all anthropologists to re examine the importance of European perspectives on the most provocative debates of our time It transcends regional interests to highlight the complex intellectual landscape of our field Tracey Heatherington University of Wisconsin Milwaukee This significant volume critically interrogates assumptions about Europe as an idea and a place for research It provides fresh perspectives on the past and future of anthropological studies of Europe Deborah Reed Danahay SUNY at Buffalo President of the Society for the Anthropology of Europe A Companion to the Anthropology of Europe offers a survey of contemporary Europeanist anthropology and European ethnology and a guide to emerging trends in this geographical field of research Utilizing diverse approaches to the anthropological study of Europe Kockel Nic Craith and Frykman provide a synthesis of the different traditions and contemporary practices Investigating the subject both geographically and thematically the companion covers key topics such as location heritage experience and cultural practices Written by leading international scholars in the field the volume constitutes the first authoritative guide for researchers instructors and students of anthropology and European studies **Europe's greatest tramway network** F. van der Gragt, 2024-05-06 Articulating Hidden Histories Jane Schneider, Rayna Rapp, 1995-01-09 Explores the full range of Eric R Wolf's methods and concepts and pays tribute to his work in anthropology and history **Transforming Heritage in the Former Yugoslavia** Gruia

Bădescu, Britt Baillie, Francesco Mazzucchelli, 2021-08-11 Heritage became a target during the Yugoslav Wars as part of ethnic cleansing and urbicide Out of the ashes of war pasts were remodelled places took on new layers of meaning and a wave of new memorialization took hold Three decades since the fall of Vukovar and the end of the siege of Sarajevo and more than a decade since Kosovo's Declaration of Independence conflict has shifted from armed confrontations to battles about the past The former Yugoslavia has been described on the one hand as a bastion of plurality and multiculturalism and on the other as a territory of antagonism and radical nationalisms echoing imaginaries and narratives relevant to Europe as a whole With Croatia having entered the EU in 2013 and the continuous political contestation in the region wounds in the memory fabric of the former Yugoslavia have once more come to the world's attention Thus there is the question what will happen when the former republics are reunited once more under the EU umbrella itself beset by increasing populisms nationalisms and the looming prospects of territorial fragmentation This collection scrutinizes the role of heritage in conflict time inquires what role the past might have in creating new identities at the local regional national and supra national levels and investigates the dynamics of heritage as a process Global Networks, Linked Cities Saskia Sassen, 2016-04-15 First published in 2002 Routledge is an imprint of Taylor Francis an informa company

Globalization Eleonore Kofman, Gillian Youngs, 2003-03-20 2nd ed **Forensic Psychiatry, Race and Culture** Dr Suman Fernando, Suman Fernando, David Ndegwa, Melba Wilson, 2005-08-08 Forensic psychiatry is the discipline which distinguishes the mad from the bad but are its values inherently racist Why are individuals from non Western backgrounds over represented statistically in those diagnosed with schizophrenia and other serious illnesses The authors argue that the values on which psychiatry is based are firmly rooted in ethnocentric Western culture with profound implications for individual diagnosis and systems of care Through detailed exploration of the history of psychiatry current clinical issues and present public policy this powerful book traces the growth of a system in which non conformity to the prevailing cultural norms risks alienation and diagnosis of mental disorder

Aerial Life Peter Adey, 2010-09-29 NOMINATED AND SHORT LISTED FOR THE SURVEILLANCE STUDIES BOOK PRIZE 2011 This theoretically informed research explores what the development and transformation of air travel has meant for societies and individuals Brings together a number of interdisciplinary approaches towards the aeroplane and its relation to society Presents an original theory that our societies are aerial societies or aerealities and shows how we are both enabled and threatened by aerial mobility Features a series of detailed international case studies which map the history of aviation over the past century from the promises of early flight to World War II bombing campaigns and to the rise of international terrorism today Demonstrates the transformational capacity of air transport to shape societies bodies and individual identities Offers startling historical evidence and bold new ideas about how the social and material spaces of the aeroplane are considered in the modern era **Gender Politics and Democracy in post-socialist Europe** Yvonne Galligan, Sara Clavero, Marina Calloni, 2008-02-20 This book explores the politics of gender and democracy in post communist Europe

Utilising the concept of political representation the book scrutinises women's legislative presence and highlights the opportunities and obstacles to parity democracy in this region of Europe. The book examines the link between women's membership of national parliaments and the substantive representation of gender interests. It investigates the role of civil society, the state and the European Union in representing women's interests and in promoting gender politics. The book provides an important and timely contribution to the classical political questions of who represents what is represented and how representation takes place. In adopting an integrated approach to political representation the book extends current understanding of this fundamental concept. Using new research it provides the first comprehensive comparative analysis of the interplay between emerging democracies and gender politics in post-communist Europe. *A Complete Identity* Rachel E. Johnson, 2014-05-28

This book offers an examination of the hero figure in the work of G. A. Henty (1832-1902) and George MacDonald (1824-1905) and a reassessment of oppositional critiques of their writing. It demonstrates the complementary characteristics of the hero figure which construct a complete identity commensurate with the Victorian ideal hero. The relationship between the expansion of the British Empire and youthful heroism is established through investigation of the Victorian political, social and religious milieu, the construct of the child and the construct of the hero. A connection between the exotic geographical space of empire and the unknown psychological space is drawn through examination of representation of the other in the work of Henty and MacDonald. This book demonstrates that Henty's work is more complex than the stereotypically linear masculine imperialistic critique of his stories as historical realism allows, and that MacDonald's work displays more evidence of historical embedding and ideological interpellation than the critical focus on his work as fantasy and fairy tale considers. Greater understanding of the effect of this heroic ideal on nineteenth-century society leads to a greater understanding of the implications for subsequent children's literature and Western cultures, including that of the twenty-first century.

Antisemitism and the Constitution of Sociology Marcel Stoetzler, 2014-07-01

Modern antisemitism and the modern discipline of sociology not only emerged in the same period but antagonism and hostility between the two discourses notwithstanding also overlapped and complemented each other. Sociology emerged in a society where modernization was often perceived as destroying unity and social cohesion. Antisemitism was likewise a response to the modern age, offering in its vilifications of the Jew an explanation of society's deficiencies and crises. *Antisemitism and the Constitution of Sociology* is a collection of essays providing a comparative analysis of modern antisemitism and the rise of sociology. This volume addresses three key areas: the strong influence of writers of Jewish background and the rising tide of antisemitism on the formation of sociology; the role of antisemitism in the historical development of sociology through its treatment by leading figures in the field such as Emile Durkheim, Talcott Parsons and Theodor W. Adorno; and the discipline's development in the aftermath of the Nazi Holocaust. Together the essays provide a fresh perspective on the history of sociology and the role that antisemitism, Jews, fascism and the Holocaust played in shaping modern social theory. Contributors

Y Michal Bodemann Werner Bonefeld Detlev Claussen Robert Fine Chad Alan Goldberg Irmela Gorges Jonathan Judaken Richard H King Daniel Lvovich Amos Morris Reich Roland Robertson Marcel Stoetzler and Eva Maria Ziege *Debating the End of Yugoslavia* Florian Bieber, Armina Galijaš, 2016-05-13 Countries rarely disappear off the map In the 20th century only a few countries shared this fate with Yugoslavia The dissolution of Yugoslavia led to the largest war in Europe since 1945 massive human rights violations and over 100 000 victims *Debating the End of Yugoslavia* is less an attempt to re write the dissolution of Yugoslavia or to provide a different narrative than to take stock and reflect on the scholarship to date New sources and data offer fresh avenues of research avoiding the passion of the moment that often characterized research published during the wars and provide contemporary perspectives on the dissolution The book outlines the state of the debate rather than focusing on controversies alone and maps how different scholarly communities have reflected on the dissolution of the country what arguments remain open in scholarly discourse and highlights new innovative paths to study the period **Tough Fronts** L Dance, 2012-11-12 *Tough Fronts* takes the difficult issues in urban education head on by putting street savvy students at the forefront of the discussion on how to best make successful changes for inner city schools Individual chapters discuss scholarly depictions of black America the social complexity of the teacher student relationship individual success stories of at risk programs popular images of urban students and implications for education policy With close attention to the voices of individual students this engaging book gives vitality and legitimacy to arguments for school changes that have been lacking in previous discussions *Modernist Literature and Postcolonial Studies* Rajeev S Patke, 2013-05-20 This book provides a fresh account of modernist writing in a perspective based on the reading strategies developed by postcolonial studies **Benchmarking Working Europe 2015** Institut syndical européen pour la recherche, la formation et la santé et sécurité, 2015-04-01 Published every year the report analyses the state of working Europe explaining with the aid of statistics and graphs the main trends in terms of Europe s macro economic situation its labour market development the situation of wages and collective bargaining and worker participation The focus of this year s Benchmarking report is on the lessons learned or not learned from eight years of economic crisis and austerity policy The findings point to policy failures and to the need to redefine alternatives in order to get Europe back on a sustainable growth path The deterioration of the labour market and social situation in the EU along with the appointment of a new Commission last autumn have led to some renewed policy initiatives that seek to restore growth as a means of addressing the situation The most notable of these initiatives is the Annual Growth Survey with its three pillars the Investment Plan fiscal responsibility and structural reforms

Articulating Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Articulating Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Articulating Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Articulating Europe free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Articulating Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Articulating Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Articulating Europe Books

1. Where can I buy Articulating Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Articulating Europe book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Articulating Europe books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Articulating Europe audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Articulating Europe books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
