The Reception of Jonathan Swift in Europe Hermann J. Real, 2005-10-20 Jonathan Swift has had a profound impact on almost all the national literatures of Continental Europe The celebrated author of acknowledged masterpieces like *A Tale of a Tub* 1704 *Gulliver s Travels* 1726 and *A Modest Proposal* 1729 the Dean of St Patrick s Dublin was courted by innumerable translators adaptors and retellers admired and challenged by shoals of critics and creatively imitated by both novelists and playwrights not only in Central Europe Germany and Switzerland but also in its northern Denmark and Sweden and southern Italy Spain and Portugal outposts as well as its eastern Poland and Russia Hungary Romania and Bulgaria and Western parts from the beginning of the eighteenth century to the present day *Assertiveness in the Context of Human Rights, Ethics, and Classical Virtues* Susana Castaños-Cervantes, Connie Atristain-Suárez, 2024-09-11 Whether in everyday disagreements bargaining episodes or high stakes disputes people typically see a spectrum of possible responses to dealing with differences with others ranging from avoidance and accommodation to competition and aggression When coming across such circumstances it is crucial to advocate for oneself our positions to achieve personal goals overcome difficulties and be determined but control aggressive impulses without harming the rights and interests of others This book addresses assertiveness from a human rights perspective using a mixed methods approach It explores how assertiveness as a human right promotes human dignity and helps build more just equitable peaceful and inclusive societies With interdisciplinary contributors working in diverse fields the collection brings together theoretical and applied research evidence on assertive rights The collection examines assertive rights as critical factors for developing assertive behavior and as a virtue for personal development empowerment and thriving *The Great Power Competition Volume 6* Adib Farhadi, Mark Grzegorzewski, Anthony J. Masys, 2025-01-13 China s Belt and Road Initiative BRI represents a monumental shift in the global power landscape Through ambitious infrastructure projects and strategic economic investments China has emerged as a formidable challenger to U S dominance in the modern Great Power Competition GPC leveraging a unique blend of soft power and non interference policy This distinctive strategy has allowed China to rapidly gain footholds in resource rich regions such as Central Asia South Asia CASA and the Middle East compelling the U S to rethink its foreign policy approach in response Given China s adept leveraging of soft power in these geostrategic regions the critical question arises how can the U S meet the nuanced challenges of the modern GPC *The Great Power Competition Volume 6 The Rise of China* delves into China s calculated rise exploring how the BRI has captivated nations spanning pivotal regions entrenching Chinese influence across critical sectors This edited volume brings together distinguished global experts and thought leaders to provide comprehensive analyses of China s expanding influence across economic political technological and security domains The collection of essays offers critical insights and recommendations for navigating the modern day great power competition in an era defined by China s ascent The book highlights China s BRI brand diplomacy and its strategic use of soft power and

non interference policy to reshape the geopolitical landscape The authors final analyses underscore that in the modern era of the GPC strategic competition and soft power are deeply intertwined Europe of Rights: A Compendium on the European Convention of Human Rights Javier García Roca,Pablo Santolaya,2012-03-20 This book is a systematic commentary on half a century of case law on the Convention system made by a group of legal experts from various universities and legal disciplines It provides a guide of the rights protected under ECHR as well as a better understanding open to supranational scenarios of fundamental rights in the respective Constitutions Our intention is not only to make available a mere case law commentary This work indeed offers succinct information on the most consolidated lines of case law and this is probably where it is most useful Nevertheless there is also academic reflection which we believe is nowadays essential as Europe is becoming more than a continent it is above all a civilisation with a common language of rights a developing ius commune Romantic Approach to Don Quixote J.
