Artistic Creativity In A Brahmin Painter Community:

Artistic Creativity in a Brahmin Painter Community Renaldo Maduro, 1983-08-01 *Artistic Creativity in a Brahmin Painter Community, Rajasthan, India* Renaldo Maduro, 1971 **Indian Art Worlds in Contention** Helle Bundgaard, 2013-11-05 This beautifully illustrated book explores the opinions of artists critics and others involved with arts or crafts arguing for a theory that considers the different discursive formations and related strategic practices of an art world Focusing on Orissan patta paintings in India the author examines the local regional and national discourses involved In so doing the text demonstrates that while painters local discourses are characterised by pragmatism the discourses of regional and especially national elites are concerned with the exegesis of local paintings and their association with the great Sanskrit tradition A central theme of the study focuses on the awards given for skill in craft making and their changing significance as they pass from national and regional elites to local painters It is shown how certain key actions by local painters result from a clash between local discourses on the one hand and regional and national discourses on the other *The International Handbook of Creativity* James C. Kaufman, Robert J. Sternberg, 2006-04-03 What constitutes a creative person Is it someone who can perform many tasks innovatively Is it someone who exhibits creative genius in one area Is it someone who utilizes her creativity for good and moral causes Is it someone who uses his creativity to help his company or country succeed Different cultures have different perspectives on what it means to be creative yet it is nearly always the American or Western perspective that is represented in the psychological literature The goal of The International Handbook of Creativity is to present a truly international and diverse set of perspectives on the psychology of human creativity Distinguished scholars from around the world have written chapters for this book about the history and current state of creativity research and theory in their respective parts of the world The 2006 book presents a wide array of international perspectives and research

Mughal and Rajput Painting Milo Cleveland Beach,1992-09-24 The Mughals descendants of Timur and Genghiz Khan with strong cultural ties to the Persian world seized political power in north India in 1526 and became the most important artistically active Muslim dynasty on the subcontinent In this richly illustrated book Dr Milo Beach shows how between 1555 and 1630 in particular Mughal patronage of the arts was incessant and radically innovative for the Indian context

Creativity Sing Lau,Anna H. H. Hui,Grace Y. C. Ng,2004 What actually is creativity And what contributes to its conceptualization and development For decades these and other questions have fascinated researchers educators parents and laypeople alike and equally so in the East and West This interesting collection of articles is an attempt at exploring and answering the above questions from both the Eastern and Western perspectives Readers may find some answers stimulating and others bewildering This is in fact the reality and fascination of

Explaining Creativity R. Keith Sawyer,2006-01-19 Today's science of creativity is interdisciplinary in addition to psychological studies of creativity Explaining Creativity includes research by anthropologists on creativity in non Western cultures and research by sociologists about the situations contexts and networks of creative activity Explaining Creativity brings these approaches together within the sociocultural approach to creativity pioneered by

Howard Becker Mihaly Csikszentmihalyi and Howard Gardner The sociocultural approach moves beyond the individual to consider the social and cultural contexts of creativity emphasizing the role of collaboration and context in the creative process

Media and the Transformation of Religion in South Asia Lawrence A. Babb, Susan S. Wadley, 2016-11-11 This volume explores the effects of the religious transformation taking place in India as sacred symbols assume the shapes of media images Lifted from their traditional forms and contexts many religious symbols beliefs and practices are increasingly refracted through such media as god posters comic books audio recordings and video programs The ten original essays here examine the impact on India's traditional social and cultural structures of printed images audio recordings film and video Contributors Lawrence A Babb Steve Dern John Stratton Hawley Stephen R Inglis John T Little Philip Lutgendorf Scott L Marcus Frances W Pritchett Regula Burckhardt Qureshi H Daniel Smith and Susan S Wadley

Wisdom, Intelligence, and Creativity Synthesized Robert J. Sternberg, 2003-10-06 In *Wisdom Intelligence and Creativity Synthesized* Sternberg reviews and summarizes the best research available on human intelligence He argues that any serious understanding of intelligence must go beyond the standard paper and pencil tests currently in use In addition to analytical and quantitative abilities a theory of intelligence must take account of people's creative abilities their ability to go beyond given information and imagine new and exciting ways of reformulating old problems It must also take into account people's ability to weigh options carefully and act prudently Understanding one's own intellectual shortcomings and learning how to overcome is as important as developing one's strengths Sternberg develops a vision of human intelligence that is far more nuanced and accurate than anything previously offered *Wisdom Intelligence and Creativity Synthesized* will be essential reading for psychologists cognitive scientists educators and organizational researchers
