Memoir of the Life of Ary Scheffer (Classic Reprint) Harriet Grote, 2015-07-06 Excerpt from Memoir of the Life of Ary Scheffer Many notices and some of them by confessedly accomplished pens have been given to the world on the subject of the late Ary Scheffer s works Some few particulars have likewise been published regarding the personal history of the painter yet it has not seemed to me superfluous to add one more tribute to the memory of a man whose mind and character were as remarkable as his works are celebrated Impelled by a tender and respectful regret for his loss I propose to throw together in a connected form such incidents and particulars as I have been enabled to collect relating to the life of Ary Scheffer in the persuasion that they will offer to his friends and admirers a welcome addition to the Sketches which have already appeared sketches which taking them in a biographical point of view certainly leave something to be desired It would be impossible in retracing the career of this eminent man to disconnect his personal life from his artistic progress About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works , **The Christian Examiner** , 1861 **Blackwood's Edinburgh Magazine** , 1860 London

Quarterly and Holborn Review , 1860 **Ballou's Pictorial** , 1858 Joan of Arc and Spirituality Bonnie Wheeler, A. Astell, 2016-09-27 Joan of Arc is an unusual saint Canonized in 1920 as a virgin she died in 1431 as a condemned heretic Uneducated militant and youthful she obeyed Voices that counselled her to pursue an unprecedented vocation The various trial records provide a wealth of evidence about how Joan and others understood her spiritual life This collection explores multiple facets of Joan s prayerful life Two thirds of the essays focus on Joan in her own time the later chapters study Joan s formative influence upon modern women Taken together these essays offer new perspectives on the heroism of Joan s original way of sanctity The Westminster Review , 1860 Life and Work of Pauline Viardot Garcia, vol. I Barbara Kendall-Davies, 2014-02-28 The name of Pauline Viardot Garcia was well known during her lifetime but after her death in 1910 she passed into obscurity She was born in Paris in 1821 the youngest child of the Spanish tenor Manuel Garcia her

sister was Maria Malibran and her brother Manuel Patrizio Garcia was an eminent teacher of singing The first volume of her biography ranges from 1836 until 1863 and covers the most important years of her operatic career Several composers wrote for her including Meyerbeer for whom she created Fid s in Le Proph te Saint Sa ns modelled the role of Delilah on her and Brahms composed the Alto Rhapsody which she premiered in 1870 She encouraged Gounod to write his first opera Sapho and sang the title role in the premiere at the Paris Op ra and at Covent Garden Schumann dedicated his Liederkreis Op 24 to Viardot and Faur dedicated several of his songs to her She launched the career of Jules Massenet and gave valuable assistance to Sullivan Bizet Stanford Arthur Goring Thomas and several other musicians at the beginning of their careers Although she was not good looking she had a fascinating personality and great charm and several men fell in love with her including Alfred de Musset Gounod Maurice Sand Ary Scheffer Berlioz and Ivan Turgenev who loved her devotedly for forty years although she was married to Louis Viardot for the whole of that time She was a linguist artist composer and talented pianist who studied with Franz Liszt as well as being a superb singer and actress Liszt admired her songs and said that she was the first woman composer of genius Her talent for friendship was great and she counted Chopin and George Sand as two of her most intimate friends From 1863 until 1870 she lived in Baden Baden where she became a celebrated musical hostess as well as a fine teacher and composer This revised edition which has additional images and an accompanying CD of songs by Viardot sung by the author traces the life and work of one of the most important singers of the nineteenth century Pauline Viardot Garcia Her influence on figures such as Meyerbeer Turgenev Berlioz Gounod and Liszt makes this volume only the second to appear in English indispensable to the musicologist with an interest in the nineteenth century *Christian*
