As For Sinclair Ross:

Sinclair Ross's As for Me and My House David Stouck,1991-01-01 In the past twenty years as the structures of Canadian culture have begun to change so has the fate of As For Me and My House **As for Me and My Body** Keath Fraser,1997 We catch glimpses of him living beside the Mediterranean in Greece and in Spain where his career as a novelist later revived and where Fraser first visited him in the 1970s **As for Sinclair Ross** David Stouck,2005-01-01 Sinclair Ross 1908 1996 best known for his canonical novel As for Me and My House 1941 and for such familiar short stories as The Lamp at Noon and The Painted Door is an elusive figure in Canadian literature A master at portraying the hardships and harsh beauty of the Prairies during the Great Depression Ross nevertheless received only modest attention from the public during his lifetime His reluctance to give readings or interviews further contributed to this faint public perception of the man In As for Sinclair Ross David Stouck tells the story of a lonely childhood in rural Saskatchewan of a long and unrewarding career in a bank and of many failed attempts to be published and to find an audience The book also tells the story of a man who fell in love with both men and women and who wrote from a position outside any single definition of gender and sexuality Stouck s biography draws on archival records and on insights gathered during an acquaintance late in Ross s life to illuminate this difficult author describing in detail the struggles of a gifted artist living in an inhospitable time and place Stouck argues that when Ross was writing about prairie farmers and small towns he wanted his readers to see the kind of society they were creating to feel uncomfortable with religion as coercive rhetoric prejudices based on race and ethnicity and rigid notions of gender As for Sinclair Ross is the story of a remarkable writer whose works continue to challenge us and are rightly considered classics of Canadian literature **Sinclair Ross** Lorraine McMullen,1991 **The Canadian Short Story** Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany *The Literary History of Saskatchewan* David Carpenter,2013-02 Saskatchewan s

Reader's Guide to Literature in English Mark

Hawkins-Dady,2012-12-06 *Reader s Guide Literature in English* provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

Making Babies Sandra Sabatini,2006-01-01 Although the infant has been a consistent figure in literature and for many people a significant figure in personal life there s been little attention focused on infants or on their place in Canadian fiction until now In this book Sandra Sabatini examines Canadian fiction to trace the ideological charge behind the represented infant Examining writers from L M Montgomery and Frederick Philip Grove to Thomas King and Terry Griggs Sabatini compares women s writing about babies with the way infants appear in texts by men over the course of a century She discovers a range of changing attitudes toward babies After being seen as a source of financial burden social shame or sentimental fantasy infants have increasingly become a source of value and meaning The book challenges the perception of babies as passive objects of care and argues for a reading of the infant as a subject in itself It also reflects upon how the representations of infancy in Canadian literature offer an intriguing portrait of how we imagine ourselves

Major Canadian Authors David Stouck,1988-01-01 Canadian literature in English presents a wealth of imaginative experience that belies the colonial status sometimes accorded the world s second largest country This revised and expanded edition of *Major Canadian Authors* provides an entrance into that realm Stouck s carefully integrated essays introduce the life and writings of eighteen foremost Canadian authors including Robertson Davies Margaret Laurence Sinclair Ross and Alice Munro The

second edition adds a new chapter on Margaret Atwood updates the text and expands the reference guide to include more than sixty Canadian authors *Saskatchewan Writers* University of Regina. Canadian Plains Research Center, 2004 The more than 175 biographies in this volume together tell the story of writing in Saskatchewan As David Carpenter notes in his Introduction to the volume The writers whose lives are told in these pages are part of an extraordinary cultural community that has touched and been touched by the people and landscape of this province Canadian Literature in English W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words **The Recursive Frontier** Michael Docherty, 2024-05-01 The Recursive Frontier is an innovative spatial history of both the literature of Los Angeles and the city itself in the mid twentieth century Setting canonical texts alongside underexamined works and sources such as census bulletins and regional planning documents Michael Docherty identifies the American frontier as the defining dynamic of Los Angeles fiction from the 1930s to the 1950s Contrary to the received wisdom that Depression era narratives mourn the frontier s demise Docherty argues that the frontier lives on as a cruel set of rules for survival in urban modernity governing how texts figure race space mobility and masculinity Moving from dancehalls to offices to oil fields and beyond the book provides a richer more diverse picture of LA s literary production during this period as well as a vivid account of LA s cultural and social development as it transformed into the multiethnic megalopolis we know today **Ideals of Religion and Art in Sinclair Ross's "As for me and my house"** Katja Burk-Pitzer, 2005-10-04 Seminar paper from the year 2004 in the subject English Language and Literature Studies Literature grade 2 3 University of Marburg course Canadian Literature language English abstract This term paper analyzes ideals of religion and art based on the novel of Sinclair Ross As for me and my house The plot is set during the Great Depression in Canada and is about two artists that have been married since twelve years and presently live in a small town called Horizon Philip Bentley the minister of the town s church devotes his spare time to painting and his wife who takes care of the household plays the piano once in a while at home but gave up her career as a musician There can be no denying the fact that a society and its culture and values affect and influence peoples life to a certain extent Therefore as starting point cultural and regional aspects determining men s life during the Great Depression that took place from 1929 until 1939 will be dealt with At a second step I will have a closer look at religion and art as creative powers Subsequently an analysis of the novel in question will face Philip Bentley s view of religion and his vision of an artist through the eyes of his wife the narrator of the story In chapter three parallels between religion and art will be drawn based on definitions by renowned philosophers Finally as a conclusion I will sum up the crucial points of religion and art identified Canadian Review of Comparative Literature , 2002 **Encyclopedia of**
