As If

SJ Ball

A horizontal light blue bar with a rounded right end, followed by a red circular glow.

As If:

Unabridged Dictionary of the Sensations "as If". James William Ward, 1995 **As if ,** *As If* Michael Saler, 2012-01-09 Many people throughout the world inhabit imaginary worlds communally and persistently parsing Harry Potter and exploring online universes These activities might seem irresponsibly escapist but history tells another story Beginning in the late nineteenth century when Sherlock Holmes became the world's first virtual reality character readers began to colonize imaginary worlds debating serious issues and viewing reality in provisional as if terms rather than through essentialist just so perspectives From Lovecraft's Cthulhu Mythos and Tolkien's Middle earth to the World of Warcraft and Second Life *As If* provides a cultural history that reveals how we can remain enchanted but not deluded in an age where fantasy and reality increasingly intertwine **Living As If** William R. Miller, 2020-07-10 What is faith William R Miller answers It is a way of looking at the world at other people and at ourselves It is a vision not given so much as chosen It is that by which we understand our past live in the present and create our future It is Living as If even and especially when we are not sure and in so doing releasing a power that can transform ourselves and those we touch Miller's fresh understanding of the meaning of faith Living as If and how it works can lead to a new approach to life and the fashioning of a more positive and hope filled future In this book he takes into account pertinent psychological findings case histories personal stories and profound religious thought As he explores the role of as if processes he looks at self concept change influence on others healing religious belief and social change Writing sensitively and sensibly Miller sets an undeniably optimistic tone emphasizing that within certain limits each person can design a course for the present and future as well **As If on Cue** Marisa Kanter, 2021-09-21 It seems that aspiring playwright Natalie and musician Reid have been in competition all their young lives but when they are forced to compete for scarce school budget dollars they embark on an all out prank war which backfires now they are forced to cooperate pool their talents and ambitions to produce a school musical and not only is cooperation an unfamiliar role but they are suddenly starting to have feelings for each other **The As If Principle** Richard Wiseman, 2014-01-21 Tossing out the rule book Wiseman a renowned psychologist with 90 000 Twitter followers and 13 million YouTube viewers presents a radical new insight on how actions have the power to instantly change the way people think and feel **As If God Existed** Maurizio Viroli, 2012-09-09 Religion and liberty are often thought to be mutual enemies if religion has a natural ally it is authoritarianism not republicanism or democracy But in this book Maurizio Viroli a leading historian of republican political thought challenges this conventional wisdom He argues that political emancipation and the defense of political liberty have always required the self sacrifice of people with religious sentiments and a religious devotion to liberty This is particularly the case when liberty is threatened by authoritarianism the staunchest defenders of liberty are those who feel a deeply religious commitment to it Viroli makes his case by reconstructing for the first time the history of the Italian religion of liberty covering its entire span but focusing on three key examples of political emancipation the free

republics of the late Middle Ages the Risorgimento of the nineteenth century and the antifascist Resistenza of the twentieth century In each example Viroli shows a religious spirit that regarded moral and political liberty as the highest goods of human life was fundamental to establishing and preserving liberty He also shows that when this religious sentiment has been corrupted or suffocated Italians have lost their liberty This book makes a powerful and provocative contribution to today's debates about the compatibility of religion and republicanism *As if it Meant Something* Steve Denehan,2023-03-29

Eventually she spoke If you don't laugh you'll cry she said as she did neither The fifth poetry collection from an award-winning poet *As if it Meant Something* is a startlingly beautiful wide-ranging selection that lays the tapestry of life beautifully bare Dealing with the mundane and profound everyday experiences sit alongside the devastating decay caused by domestic violence and terminal illness the soaring beauty of the Irish coastline and love art thought *Imposter Syndrome and The 'As-If' Personality in Analytical Psychology* Susan E. Schwartz,2023-09-26 This insightful book explores the as-if personality through the lens of Jungian analytical psychology illuminating how the same forces that can disturb personal development relationally socially and culturally are equally an impetus toward expressing and relating with one's more complete self The book describes persons expressing an as-if personality as facing a conundrum around whether to hide or expose the truth of who they are It describes the analytic container as a place of growth from that place affecting person and culture self and other Using a myriad of clinical examples across a range of cultures contexts and personal experiences the author describes people who are moving through feelings of not belonging sexual addiction ageing the cultural influence of social media the role of the father and body image challenges All these issues reveal the valuable recognition of the unconscious a hallmark of Jungian analytical psychology incorporates the dissociated others into selfhood The theories of French psychoanalysts Andre Green on absence and the negative Julia Kristeva on abjection French philosopher Jacques Derrida on Narcissus and Echo and American philosopher Judith Butler on precarity expand the Jungian analytical thought to reflect the multiplicity of the psyche Using understandable language to interweave various psychoanalytical and philosophical frameworks *Imposter Syndrome and the As If Personality in Analytical Psychology The Fragility of Self* is both accessible to general readers and highly relevant to professional analysts therapists clinicians and social workers *As If: Essays in As You Like It* William N. West,2016 Shakespeare's *As You Like It* is a play without a theme Instead it repeatedly poses one question in a variety of forms What if the world were other than it is *As You Like It* is a set of experiments in which its characters conditionally change an aspect of their world and see what comes of it what if I were not a girl but a man What if I were not a duke but someone like Robin Hood What if I were a deer What would you say to me now and that is if I were your very very Rosalind 4 1 64 65 Much virtue in it as one of its characters declares near the play's end if it is virtual It releases force even if the force is not that of what is the case Change one thing in the world the play asks and how else does everything change In *As You Like It* unlike Shakespeare's other plays the characters themselves are both experiment and experimenters They assert something

about the world that they know is not the case and their fictions let them explore what would happen if it were and not only if it were but something not otherwise apparent about how it is now What is as you like it What is it that you or anyone really likes or wants The characters of As You Like It stand in if as at a hinge of thought and action conscious that they desire something not wholly capable of getting it not even able to say what it is Their awareness that the world could be different than it is is a step towards making it something that they wish it to be and towards learning what that would be Their audiences are not exempt As You Like It doesn't tell us that it knows what we like and will give it to us It pushes us to find out Over the course of the play characters and audiences experiment with other ways the world could be and come closer to learning what they do like and how their world can be more as they like it By exploring ways the world can be different than it is the characters of As You Like It strive to make the world a place in which they can be at home not as a utopia Arden may promise that but certainly doesn't fulfill it but as an ongoing work of living We get a sense at the play's end not that things have been settled once and for all but that the characters have taken time to breathe to live in their new situations until they discover better ones or until they discover newer desires As You Like It in other words is a kind of essay a set of tests or attempts to be differently in the world and to see what happens These essays in As If As You Like It originally commissioned as an introductory guide for students actors and admirers of the play trace the force and virtue of some of the claims of the play that run counter to what is the case its ifs William N West is Associate Professor of English Classics and Comparative Literary Studies at Northwestern University where he is also chair of the Department of Classics and co editor of the journal Renaissance Drama He is co editor with Helen Higbee of Robert Weimann's Author's Pen and Actor's Voice Writing and Playing in Shakespeare's Theatre Cambridge 2000 and with Bryan Reynolds of Rematerializing Shakespeare Authority and Representation on the Early Modern Stage Palgrave 2005 In addition to his book Theatres and Encyclopedias in Early Modern Europe 2002 he has recently published articles on Romeo and Juliet's understudies irony and encyclopedic writing before and after the Enlightenment Ophelia's intertheatricality with Gina Bloom and Anston Bosman humanism and the resistance to theology Shakespeare's matter and conversation as a theory of knowledge in Browne's Pseudodoxia His work has been supported by grants from the NEH and the Beinecke Folger Huntington and Newberry libraries

Reading as if for Life David Dickinson, 2025-01-01 Creaking open the pages of a heavy hardback or bending the spine of a poetry book over your knee on the train squinting over curled up pages by the light of a candle or scribbling notes in the margins in the corner of a sprawling library There are many who read as if for life many for whom as David Dickinson explores reading does not just feed the mind but also the soul Reading as if for Life takes us beyond the spirituality of sacred texts and into the spiritual possibilities of secular literature the opportunity to find or empty oneself the chance to engage in silent conversation with an absent other the appreciation of beauty and art the possibility of enlightenment From Augustine of Hippo to Thomas Hardy Iris Murdoch the poetry of R S Thomas Duffy and Donne and many other literary works David Dickinson explores how writers

throughout the centuries have understood and experienced their own spirituality of reading For Dickinson these myriad journeys all bring us closer to an encounter with God dreaming ourselves into a world beyond This book invites its readers to see reading as a valuable spiritual exercise *Politics as If Evolution Mattered* Lorna Salzman,2011-08-25 In this scientifically authoritative essay collection Salzman a seasoned and provocative environmentalist demonstrates how evolutionary theory penetrates nearly all aspects of human society She faults social justice movements for their short sighted focus on human needs to the exclusion of nonhuman nature and stresses the potential of evolutionary thought for replacing religious and secular ideologies with an ecological paradigm for broad social change Salzman s special concern is the resurgence of irrationality anti intellectualism and anti science attitudes She explodes the myth of genetic determinism promoted in popular media discrediting the belief that natural selection involves violence In place of the arbitrary economism of socialists and the free marketeers faith in untrammelled economic growth she envisions a human society modeled on interdependent self regulating natural systems *As If She Were Free* Erica L. Ball,Tatiana Seijas,Terri L. Snyder,2020-10-08 A groundbreaking collective biography narrating the history of emancipation through the life stories of women of African descent in the Americas *Teaching Secondary Mathematics as if the Planet Matters* Alf Coles,Richard Barwell,Tony Cotton,Jan Winter,Laurinda Brown,2013-07-18 This book moves us beyond a theoretical pondering of the issues and makes concrete suggestions for teachers and students for how things can be different in mathematics classrooms This is long overdue Peter Gates University of Nottingham *Teaching Mathematics as if the Planet Matters* explores how Mathematics teachers can develop approaches to curriculum and learning which help students understand the nature of the contemporary world It sets out a model for teaching and learning that allows teachers to examine existing approaches to teaching and draw upon the insights of mathematics as a discipline to help students relate classroom mathematics to global issues such as climate change the economy food supplies biodiversity human rights and social justice Including practical examples suggestions for teaching activities and detailed further reading sections the book covers the mathematics of description in the measuring recording and statistical analysis that informs our knowledge of climate change consumption and sustainability the mathematics of prediction in the modelling used by governments scientists and businesses to plan roads power stations and food supplies and their effects the mathematics of communication in the news reports blogs and environmental campaigns incomplete without graphs charts and statistics The true worth of a school subject is revealed in how far it can account for and respond to the major issues of the time The issue of the environment cuts across subject boundaries and requires an interdisciplinary response Mathematics teachers are part of that response and they have a crucial role in helping students to respond to environmental issues and representations **Teaching Secondary English as If the Planet Matters** Sasha Matthewman,2010-12-14 This book is about teaching English with a commitment to environmental values drawing on ecocritical perspectives and examples of classroom practice *As If Art Matters* , **As**

If! Jen Chaney, 2015-07-07 Celebrate the timeless charm of *Clueless* with this essential read packed with exclusive interviews behind the scenes stories from Amy Heckerling Alicia Silverstone Paul Rudd and more plus a deep dive into 90 s fashion Brittany Murphy s unforgettable legacy and the lasting cultural impact of this classic comedy Will we ever get tired of *Clueless* Ugh as if Acclaimed pop culture journalist Jen Chaney celebrates the 20th anniversary of the classic film s release in the first book of its kind weaving together original interviews with writer and director Amy Heckerling key cast members including Alicia Silverstone Cher Paul Rudd Josh Stacey Dash Dionne Donald Faison Murray Elisa Donovan Amber Wallace Shawn Mr Hall Twink Caplan Ms Geist and associate producer and other crucial *Clueless* players like costume designer Mona May casting director Marcia Ross director of photography Bill Pope former Paramount chairwoman Sherry Lansing and many more Cast and crew also pay heartfelt tribute to the late Brittany Murphy who lit up the screen as Cher s prot g e Tai Chaney explores the influence of Jane Austen s *Emma* as the unlikely framework for Heckerling s script the rigorous casting process including the future stars who didn t make the cut the functional yet fashion forward wardrobe the unique slang that drew from the past and coined new phrases for the future the sun drenched soundtrack that set the tone and above all the massive amount of work creativity and craft that went into making *Clueless* look so effortlessly bright and glossy *As If* illuminates why plaid skirts and knee socks will never go out of style and why *Clueless* remains one of the most beloved comedies of all time

As if by Magic Dolores Gordon-Smith, 2012-09-01 Destitute and desperate George Lassiter breaks into the kitchen of a stranger s house for food and shelter There he witnesses the murder of a beautiful girl But when the police search the house minutes later they find nothing The corpse has vanished as if by magic Even George s friend and rescuer Jack Haldean believes it was nothing more than a nightmare But the consequences of that nightmare will plunge Jack into a tangle of lies and obsession as he hunts a ruthless killer

The Nature of Macroeconomics Athol Fitzgibbons, 2002-01-01 *The Nature of Macroeconomics* is a short but adventurous book that punches well above its weight As part of a growing literature that identifies methodological issues as central to any appreciation of macroeconomic debate and which seeks to under labor for a more relevant useful indeed more scientific macroeconomics Fitzgibbons book is to be warmly welcomed Mark Setterfield Review of Social Economy Fitzgibbons examines the foundations of macroeconomic theory and policy and develops an insightful discussion of important issues especially the state of knowledge of both market participants and policymakers *The Nature of Macroeconomics* is clearly a book that contributes to the growth of our own partial knowledge David Dequech Review of Political Economy Athol Fitzgibbons s book distils the main lesson of the debates on Keynes over the last 25 years that macroeconomics has to be based on a theory of knowledge consistent with the way life is lived where decisions are made in the face of imperfect knowledge All existing theory including he argues the General Theory assumes either perfect knowledge or complete ignorance He shows us why this has happened and suggests a way out It is a brave knowledgeable and important book Victoria Chick University College London UK A well written well argued

discussion of the foundations of macro If you are unfamiliar with the arguments that macro is not and cannot be a traditional science then this book is definitely worth reading David Colander Middlebury College Vermont US This book addresses the long absence of a satisfactory theory of macroeconomics Keynesian theory is not consistent with rational self interest but neo classical economics is unable to explain economic volatility and the trade cycle Athol Fitzgibbons critiques the leading macroeconomic theories which he believes are unduly mechanistic because they are incompatible with non quantitative knowledge The author sketches the intellectual history of partial knowledge and judgement so far as these relate to macroeconomics and rejects the claims that Keynes recanted the analysis of practical reason in his Treatise on Probability Fitzgibbons s theme is the possibility of a new synthesis of Keynes and the neoclassical system This stresses financial rationality but it also recognizes that there is an element of indeterminacy in both government policies and the movements of the market

As If It Were Glory Michael E. Stevens, 2007-08-10 In this powerful and moving memoir Robert Beecham tells of his Civil War experiences both as an enlisted man in the fabled Iron Brigade of the Army of the Potomac and as an officer commanding a newly raised African American unit Written in 1902 Beecham recounts his war experiences with a keen eye toward the daily life of the soldier the suffering and brutality of war and the remarkable acts of valor by soldiers both black and white that punctuated the grind of long campaigns As If It Were Glory is an unforgettable account of the Civil War unclouded by sentimentality and insistent that the nation remain true to the cause for which it fought Beecham s war was a long one he served from May 1861 through the completion of the war in the spring of 1865 With the Iron Brigade he saw action at such momentous battles as Chancellorsville and then at Gettysburg where he was taken prisoner Returned to service in a prison exchange Beecham was promoted to first lieutenant of the 23rd United States Colored Troops whom he lead in fierce fighting at the Battle of the Crater At the Crater Beecham was wounded again captured and after eight months in a Confederate prison escaped to find his way to Annapolis just before the conclusion of the war In his narrative Beecham celebrates the ingenuity of the enlisted man at the expense of officers who are often arrogant or incompetent He also chides the altered recollections of fellow veterans who remember only triumphs and forgot defeats In one of the most powerful parts of his memoir Beecham pays tribute to the valor of the African Americans who fought under his command and insists that they were the bravest and best soldiers that ever lived
