As It Is A Year On The Road With A Tantric Teacher:

As it is Mary Young, Lee Lozowick, 2000 Presents an account of a one year journey around the world in the company of a tantric teacher This book catalogues the trials and wonders of day to day interactions between a teacher and his students and presents a range of his teachings given in seminars from San Francisco to Rishikesh *On the Road to Enlightened Duality* M. Young, 2015-08-28 While traveling the road on pilgrimage or following American Baul Master Khepa Lee Lozowick 1943 2010 in his daunting travel schedule author Mary Angelon Young crafted a collection of essays that explore and evoke the many moods of Enlightened Duality one of Lozowick's core teachings in the path of Western Bauls This dynamic spiritual principle suggests that the spiritual seeker can combine an integrated awareness of the nondual all is One with a lively conscious relationship to the duality or play of opposites that is the constant fare of everyday life Unlike those strictly nondual perspectives that relegate the human experience to an illusion of the mind Lozowick asserted that while nondual unity is the foundation of what is simultaneously life is real These original essays cover such universal themes as Impermanence Beauty and Transformation and comprise one wayfarer's reflections reveries and research Some are flavored with academic spice but most are predominantly experiential presenting a kaleidoscopic journey that unfolds much like a large multifaceted jewel looked at from many different directions Each essay has its own integrity and stands on its own authority Yet taken as a whole they form a useful map of the tantric path charting its depths through daily events travel relationships creativity and work all continuous integrated aspects of the transformational path The teaching of enlightened duality can be found in many guises within the world's great traditions including Sufi Vajrayana Buddhist and both bhakti and tantric Hindu paths It is a universal theme and yet the treatment here runs true to the theistic underpinnings of the lineage from which it comes Khepa Lee Lozowick Sri Yogi Ramsuratkumar and Swami Ramdas From this view the highest aim of spiritual practice is to integrate mystical experience and insights of nonduality into ordinary life This book provides a genuine feast of practical wisdom for the hungry seeker who yearns for a path through life that is both transformational and yet honoring of the innate dignity and potential of the human incarnation The author has travelled extensively in India and Europe has studied the Sanskrit Hindu and Buddhist traditions and has written published an extensive treatise on the Baul Path *The Baul Tradition* Hohm Press 2014 *Yoga Morality* Georg Feuerstein, 2022-09-01 It is impossible to be a good yogi or yogini without also being a morally mature individual writes internationally known Yoga authority and author Georg Feuerstein *Yoga Morality* looks at our present world situation primarily from the viewpoint of a spiritually committed person especially a practitioner of Yoga It addresses the question How are we to live consciously responsibly authentically and without fear in the midst of mounting global crises This book is a hard hitting critique of the media hype surrounding Yoga and an exploration of Yogic philosophy and practice to discover what it really means to be a mature and moral person Topics Include Moral Law and Cosmic Law Interconnectedness and the Web of Life Universal Morality and Personal Virtues

Truthfulness Compassion Generosity Death Freedom and Moral Spontaneity MOTHER GURU Red Hawk,2014-08-20
Mother Guru is a collection of refined devotional poetry in the tradition of Hafiz and Rumi whose poems of love continue to inspire millions throughout the world The fact that this poetry appears in contemporary dress is more gracious still The author Red Hawk is a widely published and awardwinning poet professor of English at the University of Arkansas at Monticello He is also an unabashed disciple of a great contemporary Master Mister Lee Lozowick 1943 2010 and one who is willing to bare that discipleship in poetry written as prayer expressly for and with his guru in mind and heart In this sense Mother Guru is a daring book and courageous as the author overlooks scholarly reputation trusting rather in the love that infuses what he writes He also risks the opprobrium of those who limit the expression of the spiritual to sweet words and lofty sentiments These are poems of a truly broken heart pleading poems begging poems prayers and curses bawdy ironic hilarious tough minded sometimes angry often just broken Few books of poetry today attempt to traverse this razor s edge fewer still can do so with respect dignity and passion Mother Guru is a guidebook to such a challenge and offers inspiration and a call to profound honesty to the sincere seeker of any mystical tradition **In the Shadow of Greatness** Michael

Shambhala Sun, 2001 Praying Dangerously Regina Ryan, 2012-07-23 *Praying Dangerously* instructs us that we can grow up spiritually leaving behind a childish relationship to prayer as a superstitious ritual or mere plea for favors. It encourages readers to recognize the difference between prayer that asks only for reassurance and prayer that asks for the Ultimate and stands for transformation. We can cease being victims of God's Will while at the same time embracing genuine surrender and reliance on the irrefutable power of love, says author and retreat leader Regina Sara Ryan. Readers of the first edition published in 2001 were enthusiastic in their praise, calling it a brave and useful book. Prayer groups and church congregations around the U.S. have used it for study, and it has been translated into Dutch, German, and French. And the message of the book is more relevant now than it was 10 years ago. The insecurities of our times draw us inward or back to our churches. In prayer groups and retreats of all kinds, we are looking for comfort and consolation for spiritual direction or for answers to the eternal questions that have always challenged humanity. This book is a valued contribution in that search. This 10th anniversary edition is fully revised with several completely new chapters, including *The High Cost of Forgiveness*, a subject that challenges everyone, and *Praying on the Subway*, about how our generally busy and often chaotic lives can provide us with a constant impetus for blessing others.

Silk Road Footprints: Transnational Transmission of Sacred Thoughts and Historical Legacy David W. Kim, 2025-06-10. The Silk Road generally evokes images of places, cultures, and peoples linked by the exchange of exotic goods and fabled treasures. The notion of the subject, however, often disregards the historical fact that the Silk Road routes functioned as a unique channel for spreading religious ideas, culture, and literature. The personal or community beliefs of the Silk Road were changed radically as a result of the impact of external influences. *Silk Road Footprints: Transnational Transmission of Sacred Thoughts and Historical Legacy* demonstrates that sacred communities interacted, coexisted, competed, and influenced each other over long periods. These include those local traditions that evolved in ancient China, the Middle East, Africa, Central Asia, Korea, and Japan, and the subsequent larger traditions that arose in the region: Judaism, Buddhism, Christianity, and Islam, as well as the shamanistic and animistic traditions of various nomadic peoples. The history of religions along the Silk Road is a remarkable illustration of how beliefs and civilizations often reflect a broad pattern of synthesis rather than clash. This book indicates that Asia, South, Southeast, East Asia, and China, one of the most pluralistic religious regions in the world, has become a center of attention as a bridge between cultures. Ultimately, the creative study of the Silk Road and religious transnationalism evidences the implication that the local groups have been developed under the new environment of sacred principles and traditions, as well as political influence.

Forthcoming Books Rose Arny, 2003-04 **The Art of Contemplation** Mary Angelon Young, 2021-04-01 This book was written during the global pandemic of 2020 when the gravity of our situation called us as individuals to sanity and inner strength Sheltering in place or in confinement as some prefer we entered into a fierce and strange new world If we had not actively developed our contemplative side before this the insistent benevolent voice of that inner world so famously avoided in today s society now sounded a clarion call The Art of Contemplation is intended to inspire your own reflections as I explore the timeless treasure house of contemplation the reasons we actually need it and how to work with the blocks that most of us encounter on the way For contemplation is a journey within with no beginning and no end taken from anywhere and everywhere that we find ourselves in life For the theists among us our contemplations will organically lead to prayer just as bud goes to flower and flower goes to seed which drops to the ground to begin another round of creation For the nontheists the inner state of contemplative prayer might be called inner stillness meditation on truth or the practice of pure awareness or even inner yoga as yoga is anything that links us to the Divine It does not matter what we call it What does matter is that we as human beings evolve in a mutual love affair with the Universe from which we are created What matters is praise There is a time to beg for grace to intervene in the

sufferings we endure as human beings As we contemplate our own awareness within the mystery of life we begin to expand our generosity as vessels of awareness of awakened consciousness for our own personal transformation and for the benefit of all beings Then our inner yoga takes flight Resting in receptive inner space enables us to rejuvenate and restore to tap intrinsic healing intuitive and creative energies at the level of source water where the river of life flows pristine and we touch the ineffable The Taoists have a beautiful way of expressing it Lao Tzu said Muddy water let stand becomes clear Clarity is one of the many gifts of contemplation and as we build a capacity for the inner journey a sacred world is revealed in the mirror of the soul

Apparitions of the Self Janet Gyatso, 2020-11-10 Apparitions of the Self is a groundbreaking investigation into what is known in Tibet as secret autobiography an exceptional rarely studied literary genre that presents a personal exploration of intimate religious experiences In this volume Janet Gyatso translates and studies the outstanding pair of secret autobiographies by the famed Tibetan Buddhist visionary Jigme Lingpa 1730-1798 whose poetic and self-conscious writings are as much about the nature of his own identity memory and the undecidabilities of autobiographical truth as they are narrations of the actual content of his experiences Their translation in this book marks the first time that works of this sort have been translated in a Western language Gyatso is among the first to consider Tibetan literature from a comparative perspective examining the surprising fit as well as the misfit of Western literary theory with Tibetan autobiography She

examines the intriguing questions of why Tibetan Buddhists produced so many autobiographies far more than other Asian Buddhists and how autobiographical self assertion is possible even while Buddhists believe that the self is ultimately an illusion Also explored are Jigme Lingpa s historical milieu his revelatory visions of the ancient Tibetan dynasty and his meditative practices of personal cultivation The book concludes with a study of the subversive female figure of the Dakini in Jigme Lingpa s writings and the implications of her gender her sexuality and her unsettling discourse for the autobiographical subject in Tibet
