## As She Climbed Across The Table:

*As She Climbed Across the Table* Jonathan Lethem, 1997 A send up on academia in which a California scientist discovers a gateway to an alternate universe The gateway works similarly to a black hole in that it swallows matter and the story concerns a man professor saving a woman professor from being swallowed [Encyclopedia of Contemporary Writers and Their Works](#) Geoff Hamilton, Brian Jones, 2010 Provides a comprehensive overview of the best writers and works of the current English speaking literary world *Science Fiction Studies*, 1998 *Conversations with Jonathan Lethem* Jaime Clarke, 2011-06-01 *Conversations with Jonathan Lethem* collects fourteen interviews conducted over a decade and a half with the Brooklyn born author of such novels as *Girl in Landscape* *Motherless Brooklyn* *The Fortress of Solitude* *Chronic City* and many others Winner of the National Book Critics Circle Award Lethem b 1964 covers a wide range of subjects from what it means to incorporate genre into literature to the impact of the death of his mother on his life and work to his being a permanent sophomore on leave from Bennington College as well as his flight from Brooklyn to California and its lasting effect on his fiction Lethem also reveals the many literary and pop culture influences that have informed his writing life Readers will find Lethem as charming and generous and intelligent as his work His examination of what it means to live a creative life will reverberate and enlighten scholars and fans alike His thoughts on science fiction intellectual property literary realism genre movies and rock n roll are articulated with el n throughout the collection as are his comments on his own development as a craftsman **The Salon.com Reader's Guide to Contemporary Authors** Laura Miller, Adam Begley, 2000 An all original A to Z guide to 225 of the most fascinating writers of our time penned by an international cast of talented young critics and reviewers Cover [The Torrent](#) Amanda Gearing, 2013-03 Of all the extraordinary stories to emerge from the catastrophic Queensland floods of January 2011 the most starkly tragic and dramatic were those that came out of Toowoomba and the Lockyer Valley *The Torrent* is a unique and powerful account of the devastating power of nature and the enduring resilience of the human spirit [Jonathan Lethem](#) James Peacock, 2013-07-19 Jonathan Lethem is the first full length study dedicated to the work of an exciting genre busting contemporary writer with an increasingly high profile in American literature Examining all of Lethem s novels as well as a number of his short fictions essays and critical works this study shows how the author s prolific output his restlessness and his desire always to be subverting literary forms and genres are consistent with his interest in subcultural identities The human need to break off into small groupings subcultures or miniature utopias is mirrored in the critical tendency to enforce generic boundaries To break down the boundaries between genres then is partly to make a nonsense of critical distinctions between high and low literature and partly to reflect the wider need to recognise difference to appreciate that other people no matter how outlandish and alien they may appear share similar desires experiences and problems With this in mind James Peacock argues that Lethem s experiments with genre are not merely games or elaborate literary jokes but ethical necessities particularly when viewed in the light of the

losses and traumas that shadow all of his writing Jonathan Lethem therefore makes an important contribution not just to Lethem studies but also to debates about genre and its position in postmodern or post postmodern literature It will be of interest to all scholars and students of contemporary American writing as well as those interested in genre fiction and literature s relationship with subcultures

**The Publishers Weekly** ,2003

**Jonathan Lethem and the Galaxy of Writing** Joseph Brooker,2021-06-17 Author of Motherless Brooklyn and The Fortress of Solitude Jonathan Lethem is one of the most celebrated and significant American writers working today This new scholarly study draws on a deep knowledge of all Lethem s work to explore the range of his writing from his award winning fiction to his work in comics and criticism Reading Lethem in relation to five themes crucial to his work Joseph Brooker considers influence and intertextuality the role of genres such as crime science fiction and the Western the imaginative production of worlds superheroes and comic book traditions and the representation of New York City Close readings of Lethem s fiction are contextualized by reference to broader conceptual and comparative frames as well as to Lethem s own voluminous non fictional writing and his adaptation of precursors from Franz Kafka to Raymond Chandler Rich in critical insight Jonathan Lethem and the Galaxy of Writing demonstrates how an understanding of this author illuminates contemporary literature and culture at large

**Of Herds and Hermits** Terry Reed,2009 Celebrated for its commitment to independence and fearless individualism America in fact dismisses independent thinkers and nonconformists in favor of the team player the company man and the go along to get along mentality This anti intellectual mindset despises and discredits those who are solitary and reclusive While we look up to literary loners like Poe and Melville

and Dickinson the man in the street is a compulsive joiner of clubs and herds from university frats to the Order of the Pink Goat To the contrary this book is a paean vigorously endorsing America's lone wolves cultural hermits and all such independent thinkers solitary and marginalized figures who are the cultural bedrock of the nation that detests them

**Understanding Jonathan Lethem** Matthew Luter, 2015-07-15 Understanding Jonathan Lethem is a study of the novels short fiction and nonfiction on a wide range of subjects in the arts by American novelist Jonathan Lethem who is the recipient of the National Book Critics Circle Award for Fiction for *Motherless Brooklyn* a MacArthur Foundation genius grant and the Locus Award for Best First Novel for *Gun with Occasional Music* Matthew Luter explores the key contemporaries of and influences on Lethem who is the Roy Edward Disney Professor of Creative Writing at Pomona College Luter begins this volume by explaining how Lethem's innovative and provocative essay on creative appropriation *The Ecstasy of Influence* differs from other writing about influence suggesting an artistic mode that celebrates thoughtful borrowing Readings of Lethem's three major novels follow taken together *Motherless Brooklyn* *The Fortress of Solitude* and *Chronic City* present a novelist coming to terms with the joys and downsides of artistic influence Luter concludes the edition with an examination of Lethem's third collection *Lucky Alan And Other Stories* Borrowing openly and promiscuously from earlier traditions both high and low experimental fiction comic books art film detective novels Lethem displays a career long interest in questioning what literary originality might mean in a postmodern age Some suggest that such borrowings indicate a literary well that has run dry making writers such as Lethem mere patchwork artists Luter argues instead that Lethem's propensity for wearing his influences and obsessions on his sleeve encourages new thought about originality itself Out with it's all been done and in with look at all that's been done and all that we can still do with it **Rain Taxi Review of Books**, 1997 **The**
