Free as a Jew Ruth R. Wisse, 2021-09-21 First came parents with the good sense to flee Europe in 1940 and the good fortune to reach the land of freedom. Their daughter Ruth grew up in the shadow of genocide but in tandem with the birth of Israel which remained her lodestar. She learned that although Jewishness is biologically transmitted, democracy is not and both require intensive intelligent transmission through education in each and every generation. They need adults with the confidence to teach their importance. Ruth tried to take on that challenge as dangers to freedom mounted and shifted sides on the political spectrum. At the high point of her teaching at Harvard University she witnessed the unraveling of standards of honesty and truth until the academy she left was no longer the one she had entered.

The Total, Complete, Utter Insanity & Nonsense of Free Will Enel Vale, 2012-09 The taboo subject of openly refuting free will is now finally out of the closet. This book represents a shorter and easier to read version of its predecessor *The Newer Testament: The Bible of Unfree Will*. In its core essence, this book is *The Newer Testament Edition Two*. Bold, daring, core shattering and more to the point than edition one, this work challenges established and well accepted truths about the freedom of man. This unique literary work is intended for anyone interested in deepening their understanding of why free will is pure nonsense and insanity, something the entire world may soon need to discover. It's been 520 years since *The New World* was discovered by Columbus. The discoveries of *The Newer Testament* editions one and two will make his discoveries look inconsequential by comparison. By reading this book you will quickly learn why the belief in free will is total, complete, utter nonsense and insanity.
